USC Trojans Jim Gigliotti, 2005 USC ended the 2004 season on top of the college football world after a resounding victory over Oklahoma in the Bowl Championship Series title game. It was the 11th national championship for a program that has won more than 700 games in more than a century of play. Trojan football is much more than a litany of on-field accolades though. It's also the marching band and the song girls Conquest and Fight On Traveler and the Coliseum. Chairman Mao Steven Travers, 2014-04-07 1966 The year of change The year of division The middle of the 1960s the great dividing line between what America had been and what it became. All of it in all its color glory and ugliness came symbolically together on a hot humid weekend in Austin Texas. The protagonist None other John Duke Wayne the larger than life movie hero of countless Westerns and war dramas a swashbuckling ruggedly macho idol of America the very embodiment of what the United States had become the new Rome the most powerful military political and cultural empire in the annals of mankind. Wayne like the nation itself stood astride the world in Colossus style talking tough Taking no prisoners. In September 1966 John Wayne was in Texas filming War Wagon while the integrated Trojans of the University of Southern California arrived in Austin to do battle with a powerhouse of equal stature the all white Texas Longhorns. The Duke a one time pulling guard for coach Howard Jones at USC was there accompanied by sycophants and according to rumor with spurs on. Wayne arrived in Austin the night before the game. Dressed to the nines he immediately repaired to the hotel bar. He had a full entourage who hung on his every word as if uttered from the Burning Bush. So it was when the Duke ordered his first whiskey. Thus surrounded by sycophants John Wayne bellowed opinions bromides and pronouncements. What happened next is subject to interpretation for this weekend and many other details of the Duke's Trojan wars are revealed and expounded upon by longtime USC historian Steven Travers. This book is a fly on the wall exploration of this wild weekend and an immersion into the John Wayne mythology his politics his inspirations the plots to assassinate him his connections to Stalin Khrushchev and Chairman Mao and the death of the Western. **All About Linebackers** Jim Gigliotti, 2009-08-07 Examines the position of linebacker discussing its history key skills and tactics and top players.
