

# Stalin A Biography

**Robert Service**

## **Stalin A Biography:**

Stalin Robert Service, 2005 Overthrowing the conventional image of Stalin as an uneducated political administrator inexplicably transformed into a pathological killer Service reveals a more complex and fascinating story behind this notorious twentieth century figure Drawing on unexplored archives and personal testimonies gathered from across Russia and Georgia this is the first full scale biography of the Soviet dictator in twenty years **Stalin, a Political Biography** Isaac

Deutscher, 1949 **Stalin** Robert Service, 2005-11-01 Drawing on a wealth of unexplored material available for the first time since the collapse of the former Soviet Union Robert Service's biography of Stalin is the most authoritative yet published It concentrates not simply on Stalin as dedicated bureaucrat or serial political killer but on a fuller assessment of his formative interactions in Georgia his youthful revolutionary activism his relationship with Lenin with his family and with his party members This is effectively the first full biography since perestroika to encompass the economic political diplomatic military administrative and above all ideological dimensions as well as the personal aspects of Stalin's colossal life Gritty and unshowy but enlightened by Service's compelling characterisation magisterial analysis and dry wit this outstanding biography of lightly worn authority wide research and superb intuition will be read for decades Simon Sebag Montefiore author of *STALIN The Court of the Red Tsar* Sunday Times *Stalin* Robert Service, 2004 **Stalin** Robert Service, 2010

**Stalin** Edvard Radzinsky, 2011-05-18 From the author of *The Last Tsar* the first full scale life of Stalin to have what no previous biography has fully obtained the facts Granted privileged access to Russia's secret archives Edvard Radzinsky paints a picture of the Soviet strongman as more calculating ruthless and blood crazed than has ever been described or imagined Stalin was a man for whom power was all terror a useful weapon and deceit a constant companion As Radzinsky narrates the high drama of Stalin's epic quest for domination first within the Communist Party then over the Soviet Union and the world he uncovers the startling truth about this most enigmatic of historical figures Only now in the post Soviet era can what was suppressed be told Stalin's long denied involvement with terrorism as a young revolutionary the crucial importance of his misunderstood behind the scenes role during the October Revolution his often hostile relationship with Lenin the details of his organization of terror culminating in the infamous show trials of the 1930s his secret dealings with Hitler and how they backfired and the horrifying plans he was making before his death to send the Soviet Union's Jews to concentration camps tantamount to a potential second Holocaust Radzinsky also takes an intimate look at Stalin's private life marked by his turbulent relationship with his wife Nadezhda and recreates the circumstances that led to her suicide As he did in *The Last Tsar* Radzinsky thrillingly brings the past to life The Kremlin intrigues the ceaseless round of double dealing and backstabbing the private worlds of the Soviet Empire's ruling class all become in Radzinsky's hands as gripping and powerful as the great Russian sagas And the riddle of that most cold blooded of leaders a man for whom nothing was sacred in his pursuit of absolute might and perhaps the greatest mass murderer in Western history is solved *Joseph Stalin* Marx - Engels -

Lenin Institute,2002-12 Originally published in the Soviet Union in 1950 this Stalinist era political book gives a unique glimpse of the man and the era It includes a variety of photographs of Stalin at various ages beginning at age 15 *Joseph Stalin, a Short Biography* Joseph Stalin,1941 **Young Stalin** Simon Sebag Montefiore,2009-12-09 From the New York Times bestselling author of *The Romanovs* and one of our pre eminent historians comes a meticulously researched authoritative biography The New York Times the companion volume to the prize winning *Stalin* and essential reading for anyone interested in Russian history This revelatory account unveils how Stalin became Stalin examining his shadowy journey from obscurity to power from master historian Simon Sebag Montefiore Based on ten years of research *Young Stalin* is a brilliant prehistory of the USSR a chronicle of the Revolution and an intimate biography Montefiore tells the story of a charismatic darkly turbulent boy born into poverty scarred by his upbringing but possessed of unusual talents Admired as a romantic poet and trained as a priest he found his true mission as a murderous revolutionary Here is the dramatic story of his friendships and hatreds his many love affairs his complicated relationship with the Tsarist secret police and how he became the merciless politician who shaped the Soviet Empire in his own brutal image Joseph Stalin ,1945 *Stalin* Oleg V. Khlevniuk,2015-05-19 An engrossing biography of the notorious Russian dictator by an author whose knowledge of Soviet era archives far surpasses all others Josef Stalin exercised supreme power in the Soviet Union from 1929 until his death in 1953 During that quarter century by Oleg Khlevniuk s estimate he caused the imprisonment and execution of no fewer than a million Soviet citizens per year Millions more were victims of famine directly resulting from Stalin s policies What drove him toward such ruthlessness This essential biography offers an unprecedented fine grained portrait of Stalin the man and dictator Without mythologizing Stalin as either benevolent or an evil genius Khlevniuk resolves numerous controversies about specific events in the dictator s life while assembling many hundreds of previously unknown letters memos reports and diaries into a comprehensive compelling narrative of a life that altered the course of world history In brief revealing prologues to each chapter Khlevniuk takes his reader into Stalin s favorite dacha where the innermost circle of Soviet leadership gathered as their *vozhda* lay dying Chronological chapters then illuminate major themes Stalin s childhood his involvement in the Revolution and the early Bolshevik government under Lenin his assumption of undivided power and mandate for industrialization and collectivization the Terror World War II and the postwar period At the book s conclusion the author presents a cogent warning against nostalgia for the Stalinist era This brilliant authoritative opinionated biography ranks as the best on Stalin in any language Martin McCauley East West Review A historiographical and literary masterpiece Mark Edele Australian Book Review A very digestible biography yet one packed with revelations Paul E Richardson Russian Life Magazine Joseph Stalin Institut Marksa-Engel'sa-Lenina,1950 **Stalin, A Biography in Facts** Schenehen, Gerhard,2020-05-01 Stalin is commonly considered the quintessential vicious dictator an iconic figure of tyranny But almost none of his many biographers has drawn on primary sources eye witness accounts Stalin s own writings and

speeches or what those people who met him had to say about him This assiduously researched book is an attempt to get a little closer to the truth It is based on first hand observations from every stage of his life and it evaluates numerous shocking tropes that were circulated by Stalin s rivals and made into our received view of his rule **Stalin** Christopher Read,2016-12-08 This new biography of Stalin offers an accessible and up to date representation of one of the twentieth century s defining figures as well as new insights analysis and illumination to deepen our understanding of his actions intentions and the nature of the power that he wielded Christopher Read examines Stalin s contribution to and impact on Russian and world events in the first half of the twentieth century The biography brings together the avalanche of sources and scholarship which followed the collapse of the system Stalin constructed including the often neglected writings and speeches of Stalin himself In addition to a detailed narrative and analysis of Stalin s rule chapters also cover his early years and humble beginnings in a small town at a remote outpost of the Russian Empire his role in the revolution his relationships with Lenin Trotsky and others in the 1920s and his rise to become one of the most powerful figures in human history The book closes with an account of Stalin s afterlife and legacy both in the immediate aftermath of his death and in the decades since This concise account of Stalin s life is the perfect introduction for students of modern Russian history Who Was Joseph Stalin? - Biography Kids | Children's Historical Biographies Baby Professor,2017-03-15 Why do people hate Joseph Stalin as much as they hate Hitler Read on and you ll know the answer soon You want your child to read about Stalin because you want him her to understand the thought process and why decisions were made that way Yes this is not an easy read but it s very enlightening *Joseph Stalin, a Short Biography* Institut Marksa-Engel'sa-Lenina,1952 **Joseph Stalin: Man and Legend** Ronald Hingley,1994 482 pages of excellent text with many great black and white photos This major biography encompasses more than the life of one man It is an equally compelling study of political process an anatomy of power and an examination of the tactics of rule by subtle manipulations as well as by conscious tyranny *Stalin* Isaac Deutscher,1979

**Stalin** Harold Shukman,2011-11-08 Joseph Stalin was one of the most ruthless and authoritarian dictators in world history who plunged Russia into a barbarous nightmare leaving behind a damaged nation and a legacy of grief This concise biography presents Lenin s heir from his humble and troubled beginnings to the highest rank of all General Secretary of the Communist Party Stalin A Pocket Biography is an accessible account of a complex tyrant perfect for students or anyone taking a first look into modern Russian history **Stalin** Ronald Grigor Suny,2022-03-29 This biography of the young Stalin is more than the story of how a revolutionary was made it is the first serious investigation using the full range of Russian and Georgian archives to explain Stalin s evolution from a romantic and idealistic youth into a hardened political operative Suny takes seriously the first half of Stalin s life his intellectual development his views on issue of nationalities and nationalism and his role in the Social Democratic debates of the late nineteenth and early twentieth centuries This book narrates an almost tragic downfall we see Stalin transform from a poor provincial seminarian who wrote romantic nationalist poetry into a

fearsome and brutal ruler Many biographers of Stalin turn to shallow psychological analysis in seeking to explain his embrace of revolution focusing on the beatings he suffered at the hands of his father or his hero worship of Lenins or sensationalizing Stalin s involvement in violent activity Suny seeks to show Stalin in the complex context of the oppressive tsarist police state in which he lived and debates and party politics that animated the revolutionary circles in which he moved Though working from fragmentary evidence from disparate sources Suny is able to place Stalin in his intellectual and political context and reveal not only a different analysis of the man s psychological and intellectual transformation but a revisionist history of the revolutionary movements themselves before 1917

## Stalin A Biography Book Review: Unveiling the Magic of Language
