opposite to Stalin But Trotsky himself had overseen and spearheaded campaigns of persecution against Russians suspected of counterrevolutionary leanings and he had written a long tract defending these terroristic measures as necessary safeguards of the revolution The Soviet Union's Big Three explores the lives and legacies of Lenin Trotsky and Stalin before the Bolshevik Revolution as well as the crucial roles they played in establishing the Soviet Union and turning it into a modern superpower

into a modern superpower Along with pictures of important people places and events you will learn about Lenin and Stalin like you never have before in no time at all *Lenin and Stalin* Andrey Yanuaryevich Vyshinsky,1948 *Rule of Terror* Hellmut Andics,1969 Leninism Joseph Stalin,2017-04-21 Translated from the Russian in 1928 this and the second volume of the same title give an invaluable picture of what the Russian leader Joseph Stalin understood by Leninism Building on the pamphlet Foundations of Leninism which forms the first part of this book the work presents a unified and complete work on the problems of Leninism and socialist construction as they were manifested in the 1920s as well as discussion of the October Revolution and the relationship of the USSR and the West in the years following the First World War Foundations of Leninism J. V. Stalin,2019-11-29 The foundations of Leninism is a big subject To exhaust it a whole volume would be required Indeed a whole number of volumes would be required Naturally therefore my lectures cannot be an exhaustive exposition of Leninism at best they can only offer a concise synopsis of the foundations of Leninism Nevertheless I consider it useful to give this synopsis in order to lay down some basic points of departure necessary for the successful study of Leninism Lenin was a Marxist and Marxism is of course the basis of his world outlook But from this it does not at all follow that an exposition of Leninism ought to begin with an exposition of the foundations of Marxism To expound Leninism means to expound the distinctive and new in the works of Lenin that Lenin contributed to the general treasury of Marxism and that is naturally connected with his name Only in this sense will I speak in my lectures of the foundations of Leninism **From Lenin to Stalin** Victor Serge,1973 Eyewitness account of the rise of Stalinism **The Road to Peace** James P. Cannon,2011-10-01 *Why Lenin? Why Stalin?* Theodore Hermann Von Laue,1971 *Leninism* Joseph Stalin,2017-04-21 Translated from the Russian in 1933 this and the first volume of the same title give an invaluable picture of what the Russian leader Joseph Stalin understood by Leninism Building on the pamphlet Foundations of Leninism which forms the first part of this book the work presents a unified and complete work on the problems of Leninism and socialist construction as they were manifested in the 1920s as well as discussion of the October Revolution and the relationship of the USSR and the West in the years following the First World War **Russia and the West under Lenin and Stalin** George F. Kennan ,1961 **Lenin, Stalin, 1917** Vladimir Il'ich Lenin,1938 V.I. Lenin and J.V. Stalin on the State Vladimir Il'ich Lenin,Joseph Stalin,1978 **Lenin's Fight Against Stalinism** Vladimir Il'ich Lenin,Leon Trotsky,1975 **Lenin and Stalin on Propaganda** ,1942 **The personality cult of Stalin in Soviet posters, 1929-1953** Anita Pisch,2016-12-16 From 1929 until 1953 Iosif Stalin s image became a central symbol in Soviet propaganda Touched up images of an omniscient Stalin appeared everywhere emblazoned across buildings and lining the streets carried in parades and woven into carpets and saturating the media of socialist realist painting statuary monumental architecture friezes banners and posters From the beginning of the Soviet regime posters were seen as a vitally important medium for communicating with the population of the vast territories of the USSR Stalin s image became a symbol of Bolshevik values and the personification of a revolutionary new type of society The persona

created for Stalin in propaganda posters reflects how the state saw itself or at the very least how it wished to appear in the eyes of the people The Stalin who was celebrated in posters bore but scant resemblance to the man Iosif Vissarionovich Dzhugashvili whose humble origins criminal past penchant for violent solutions and unprepossessing appearance made him an unlikely recipient of uncritical charismatic adulation The Bolsheviks needed a wise nurturing and authoritative figure to embody their revolutionary vision and to legitimate their hold on power This leader would come to embody the sacred and archetypal qualities of the wise Teacher the Father of the nation the great Warrior and military strategist and the Saviour of first the Russian land and then the whole world This book is the first dedicated study on the marketing of Stalin in Soviet propaganda posters Drawing on the archives of libraries and museums throughout Russia hundreds of previously unpublished posters are examined with more than 130 reproduced in full colour The personality cult of Stalin in Soviet posters 1929 1953 is a unique and valuable contribution to the discourse in Stalinist studies across a number of disciplines
