

Stalin An Unknown Portrait

Robert Service

Stalin An Unknown Portrait:

Stalin Miklós Kun, 2003 *Stalin* Ronald Grigor Suny, 2022-03-29 This biography of the young Stalin is more than the story of how a revolutionary was made it is the first serious investigation using the full range of Russian and Georgian archives to explain Stalin's evolution from a romantic and idealistic youth into a hardened political operative Suny takes seriously the first half of Stalin's life his intellectual development his views on issue of nationalities and nationalism and his role in the Social Democratic debates of the late nineteenth and early twentieth centuries This book narrates an almost tragic downfall we see Stalin transform from a poor provincial seminarian who wrote romantic nationalist poetry into a fearsome and brutal ruler Many biographers of Stalin turn to shallow psychological analysis in seeking to explain his embrace of revolution focusing on the beatings he suffered at the hands of his father or his hero worship of Lenins or sensationalizing Stalin's involvement in violent activity Suny seeks to show Stalin in the complex context of the oppressive tsarist police state in which he lived and debates and party politics that animated the revolutionary circles in which he moved Though working from fragmentary evidence from disparate sources Suny is able to place Stalin in his intellectual and political context and reveal not only a different analysis of the man's psychological and intellectual transformation but a revisionist history of the revolutionary movements themselves before 1917

What Stalin Knew David E. Murphy, 2005-06-11 This riveting account of one of history's greatest blunders chronicles Russia's tragic mishandling of Nazi Germany's invasion during WWII William L O Neill The New Leader On June 22 1941 Nazi Germany's Operation Barbarossa was launched against Russia Within days the invading army had taken hundreds of thousands of Soviet captives while the Luftwaffe bombed a number of Russian cities including Minsk Though accurate intelligence about the plan had been available to Stalin before the attack he chose not to heed the warning In *What Stalin Knew* historian and former chief of the CIA's Soviet division David E Murphy illuminates many of the enigmas surrounding the catastrophic invasion offering keen insights into Stalin's thinking and the reasons for his fatal error of judgment A story of successful misinformation campaigns and a leader more paranoid about threats from within his regime than from an aggressive neighbor this authoritative history sheds essential new light on the most consequential event in the Eastern Front of World War II If after the war the Soviet Union had somehow been capable of producing an official inquiry into the catastrophe of 6 22 comparable in its mandate to the 9 11 commission here its report might have read a little like this book Murphy brings to his subject both knowledge of Russian history and an insider's grasp of how intelligence is gathered analyzed and used or not Niall Ferguson The New York Times Book Review A fascinating and meticulously researched account of mistaken assumptions and errors of judgment Never before has this fateful period been so fully documented Henry A Kissinger

Stalin's Library Geoffrey Roberts, 2022-01-01 A compelling intellectual biography of Stalin told through his personal library A fascinating new study Michael O Donnell Wall Street Journal In this engaging life of the twentieth century's most self consciously learned dictator Geoffrey Roberts explores the books Stalin

read how he read them and what they taught him Stalin firmly believed in the transformative potential of words and his voracious appetite for reading guided him throughout his years A biography as well as an intellectual portrait this book explores all aspects of Stalin s tumultuous life and politics Stalin an avid reader from an early age amassed a surprisingly diverse personal collection of thousands of books many of which he marked and annotated revealing his intimate thoughts feelings and beliefs Based on his wide ranging research in Russian archives Roberts tells the story of the creation fragmentation and resurrection of Stalin s personal library As a true believer in communist ideology Stalin was a fanatical idealist who hated his enemies the bourgeoisie kulaks capitalists imperialists reactionaries counter revolutionaries traitors but detested their ideas even more

Stalin Stephen Kotkin,2015-10-13 In his biography of Stalin Kotkin rejects the inherited wisdom about Stalin s psychological makeup showing us instead how Stalin s near paranoia was fundamentally political and closely tracks the Bolshevik revolution s structural paranoia the predicament of a Communist regime in an overwhelmingly capitalist world surrounded and penetrated by enemies At the same time Kotkin posits the impossibility of understanding Stalin s momentous decisions outside of the context of the history of imperial Russia *Stalin and the Struggle for Supremacy in Eurasia* Alfred J. Rieber,2015-08-27 This is a major re evaluation of Soviet foreign policy in the Eurasian borderlands from the Revolution to the Cold War *Stalin's Secret Weapon* Anthony Rimmington,2018-10-15 A chilling reassessment of the Soviet Union s advances in biological warfare and the West s inadvertent contributions

Stalin: From Theology to the Philosophy of Socialism in Power Roland Boer,2017-10-17 This book not only explicates Stalin s thoughts but thinks with and especially through Stalin It argues that Stalin often thought at the intersections between theology and Marxist political philosophy especially regarding key issues of socialism in power Careful and sustained attention to Stalin s written texts is the primary approach used The result is a series of arresting efforts to develop the Marxist tradition in unexpected ways Starting from a sympathetic attitude toward socialism in power this book provides us with an extremely insightful interpretation of Stalin s philosophy of socialism It is not only a successful academic effort to re articulate Stalin s philosophy but also a creative effort to understand socialism in power in the context of both the former Soviet Union and contemporary China Zhang Shuangli Professor of Marxist philosophy Fudan University Boer s book far from both veneration and demonization of Stalin throws new light on the classic themes of Marxism and the Communist Movement language nation state and the stages of constructing post capitalist society It is an original book that also pays great attention to the People s Republic of China arising from the reforms of Deng Xiaoping and which is valuable to those who beyond the twentieth century want to understand the time and the world in which we live Domenico Losurdo University of Urbino Italy author of *Stalin The History and Critique of a Black Legend* **Stalin** Kevin McDermott,2006-01-23 Stalin s massive impact on Soviet history is often explained in terms of his inherent evil personality defects and power lust While not rejecting these notions Kevin McDermott argues that Stalin s thoughts and actions are best contextualised in the inter

relationship between war and revolution in the first half of the twentieth century The author presents the case for taking the Soviet dictator seriously as a Marxist revolutionary whose fundamental beliefs and *modus operandi* were forged in the cauldron of civil and international wars ideologically driven class wars and revolutionary upheavals associated with the age of catastrophe 1914-45 Only by so doing can the complex motivations for such cataclysmic events as the Great Terror be adequately addressed Incorporating recently declassified materials from the former Soviet Party archives this new appraisal of Stalin also provides a critical review of the latest western and Russian historiography It is essential reading for anyone studying the debates on one of the leading figures of Soviet history

The Red Flag David Priestland, 2016-05-03 The best and the most accessible one volume history of communism now available A far reaching vividly written account Foreign Affairs In The Red Flag Oxford professor David Priestland tells the epic story of a movement that has taken root in dozens of countries across two hundred years from its birth after the French Revolution to its ideological maturity in nineteenth century Germany to its rise to dominance and subsequent fall in the twentieth century Beginning with the first modern Communists in the age of Robespierre Priestland examines the motives of thinkers and leaders including Marx Engels Lenin Stalin Castro Che Guevara Mao Ho Chi Minh Gorbachev and many others Priestland also shows how Communism in all its varieties appealed to different societies for different reasons in some as a response to inequalities and in others more out of a desire to catch up with the West But paradoxically while destroying one web of inequality Communist leaders were simultaneously weaving another It was this dynamic together with widespread economic failure and an escalating loss of faith in the system that ultimately destroyed Soviet Communism itself At a time when global capitalism is in crisis and powerful new political forces have arisen to confront Western democracy The Red Flag is essential reading if we are to apply the lessons of the past to navigating the future Detailed and scholarly but written in lively prose this is a rich satisfying account of the most successful utopian political movement in history Publishers Weekly starred review

Stalin's Millennials Tinatin Japaridze, 2022-02-21 This book examines Joseph Stalin's increasing popularity in the post Soviet space and analyzes how his image and the nostalgia it evokes is manipulated and exploited for political gain The author argues that in addition to the evil dictator and the Georgian comrade there is a third portrayal of Stalin the one projected by the generation that saw the tail end of the USSR the post Soviet millennials This book is not a biography of one of the most controversial historical figures of the past century Rather through a combination of sociopolitical commentary and autobiographical elements that are uncommon in monographs of this kind the attempt is to explore how Joseph Stalin's complex legacies and the conflicting cult of his irreconcilable tripartite of personalities still loom over the region as a whole including Russia and perhaps to an even deeper extent Koba's native land now the independent Republic of Georgia caught between its unreconciled Soviet past and the potential future within the European Union

Stalinism Alter L. Litvin, John L. H. Keep, 2005 This volume the fruit of co operation between a British and Russian historian seeks to review comparatively the

progress made in recent years largely thanks to the opening of the Russian archives in enlarging our understanding of Stalin and *The Shakespearean International Yearbook 18* Tom Bishop, Alexa Alice Joubin, 2020-06-15 For its eighteenth volume The Shakespearean International Yearbook surveys the present state of Shakespeare studies addressing issues that are fundamental to our interpretive encounter with Shakespeare's work and his time across the whole spectrum of his literary output Contributions are solicited from among the most active and insightful scholars in the field from both hemispheres of the globe New trends are evaluated from the point of view of established scholarship and emerging work in the field is encouraged Each issue includes a special section under the guidance of a specialist guest editor along with coverage of the current state of the field An essential reference tool for scholars of early modern literature and culture this annual publication captures from year to year current and developing thought in Shakespeare scholarship and theater practice worldwide There is a particular emphasis on Shakespeare studies in global contexts Roosevelt's Lost Alliances Frank Costigliola, 2013-02-24 This study brings to light key overlooked documents such as the Yalta diary of Roosevelt's daughter Anna the intimate letters of Roosevelt's de facto chief of staff Missy LeHand and the wiretap transcripts of estranged advisor Harry Hopkins The book lays out a new approach to foreign relations history **Stalin's Agent** Boris Volodarsky, 2014-12-11 This is the history of an unprecedented deception operation the biggest KGB deception of all time It has never been told in full until now There are almost certainly people who would like it never to be told It is the story of General Alexander Orlov Stalin's most loyal and trusted henchman during the Spanish Civil War Orlov was also the Soviet handler controlling Kim Philby the British spy defector and member of the notorious Cambridge Five Escaping Stalin's purges Orlov fled to America in the late 1930s and lived underground He only dared reveal his identity to the world after Stalin's death in his 1953 best seller *The Secret History of Stalin's Crimes* after which he became perhaps the best known of all Soviet defectors much written about highly praised and commemorated by the US Congress on his death in 1973 But there is a twist in the Orlov story beyond the dreams of even the most ingenious spy novelist General Alexander Orlov never actually existed The man known as Orlov was in fact born Leiba Feldbin And while he was a loyal servant of Stalin and the controller of Philby he was never a General in the KGB never truly defected to the West after his flight from the USSR and remained a loyal Soviet agent until his death The Orlov story as it has been accepted until now was largely the invention of the KGB and one perpetuated long after the end of the Cold War In this meticulous new biography Boris Volodarsky himself a former Soviet intelligence officer now tells the true story behind Orlov for the first time An intriguing tale of Russian espionage and deception stretching from the time of Lenin to the Putin era it is a story that many people in the world's intelligence agencies would almost definitely prefer you not to know about *Stalin* Robert Service, 2005 Overthrowing the conventional image of Stalin as an uneducated political administrator inexplicably transformed into a pathological killer Service reveals a more complex and fascinating story behind this notorious twentieth century figure Drawing on unexplored

archives and personal testimonies gathered from across Russia and Georgia this is the first full scale biography of the Soviet dictator in twenty years Young Stalin Simon Sebag Montefiore,2009-12-09 From the New York Times bestselling author of The Romanovs and one of our pre eminent historians comes a meticulously researched authoritative biography The New York Times the companion volume to the prize winning Stalin and essential reading for anyone interested in Russian history This revelatory account unveils how Stalin became Stalin examining his shadowy journey from obscurity to power from master historian Simon Sebag Montefiore Based on ten years of research Young Stalin is a brilliant prehistory of the USSR a chronicle of the Revolution and an intimate biography Montefiore tells the story of a charismatic darkly turbulent boy born into poverty scarred by his upbringing but possessed of unusual talents Admired as a romantic poet and trained as a priest he found his true mission as a murderous revolutionary Here is the dramatic story of his friendships and hatreds his many love affairs his complicated relationship with the Tsarist secret police and how he became the merciless politician who shaped the Soviet Empire in his own brutal image Stalin's World Sarah Davies,James Harris,2014-10-14 Drawing on declassified material from Stalin s personal archive this is the first systematic attempt to analyze how Stalin saw his world both the Soviet system he was trying to build and its wider international context Stalin rarely left his offices and viewed the world largely through the prism of verbal and written reports meetings articles letters and books Analyzing these materials Sarah Davies and James Harris provide a new understanding of Stalin s thought process and leadership style and explore not only his perceptions and misperceptions of the world but the consequences of these perceptions and misperceptions **Joseph Stalin** David R. Marples,Alla Hurska,2022-08-23 The figure of Stalin continues to intrigue fascinate and repel historians into the 21st century while in the Russian Federation he has returned to the status of a figure to be respected principally as the leader who led his country through industrialization and militarization enabling it to defeat Nazi Germany in the Second World War thereby saving Europe and much of the world from the brown plague of Fascism He presided over some of the most cataclysmic events of the 20th century some of which he was the architect collectivization of agriculture famine the Purges and the Second World War Joseph Stalin A Reference Guide to His Life and Works captures his life and legacy It features a chronology an introduction offers a brief account of his life a dictionary section lists entries on Stalin s associates from the period of the Russian Empire in the late 19th century to the leader s death in 1953 and beyond highlighting their careers and the main events Stalin's Terror B. McLoughlin,K. McDermott,2002-12-11 The British Irish Russian American German and Austrian contributors examine the intricate nature of the mass repression unleashed by the Stalinist leader of the USSR during 1937-38 The first part of the collection deals with annihilation policies against the Soviet elite and the Communist International The second section of the volume looks at mass operations of the secret police NKVD against social outcasts Poles and other hostile ethnic groups The final section comprises micro studies about targeted victim groups among the general population

Enjoying the Tune of Expression: An Emotional Symphony within **Stalin An Unknown Portrait**

In some sort of consumed by monitors and the ceaseless chatter of quick connection, the melodic elegance and emotional symphony developed by the published term usually diminish into the back ground, eclipsed by the persistent sound and disturbances that permeate our lives. Nevertheless, situated within the pages of **Stalin An Unknown Portrait** a wonderful literary prize full of natural emotions, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, this interesting masterpiece conducts viewers on a mental trip, well unraveling the concealed tunes and profound impact resonating within each carefully constructed phrase. Within the depths of this moving review, we can investigate the book is central harmonies, analyze their enthralling publishing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Stalin An Unknown Portrait Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Stalin An Unknown Portrait free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Stalin An Unknown Portrait free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search

feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Stalin An Unknown Portrait free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Stalin An Unknown Portrait. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Stalin An Unknown Portrait any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Stalin An Unknown Portrait Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Stalin An Unknown Portrait is one of the best book in our library for free trial. We provide copy of Stalin An Unknown Portrait in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Stalin An Unknown Portrait. Where to download Stalin An Unknown Portrait online for free? Are you looking for Stalin An Unknown Portrait PDF? This is definitely going to save you time and cash in something you should think about.
