For millions of Christians God is no more real than He is to non Christians They go through life trying to love an ideal and be loyal to a mere principle The good news for us is that Jesus is not a proposition to be studied He s a divine Person with whom we get to engage Instead of simply obtaining more spiritual information about our Savior sometimes we just need to remember what a miracle it is to be invited to get to know Him personally In her much anticipated follow up to her bestselling devotional LIFE and in her beloved humorous and relatable voice Bible teacher and author Lisa Harper helps you do just that engage with JESUS personally As you open each page prepare yourself for a devotional journey of unapologetically gawking at reveling in walking with and worshipping our incredible Savior and laughing a lot along the way Because there s nothing like real relationship with Him in the ups and downs of life
