

Terrible Swift Sword

THE LEGACY OF
JOHN BROWN

Edited by Peggy A. Russo
and Paul Finkelman

Terrible Swift Sword Legacy Of John Brow

John R. Van Atta

Terrible Swift Sword Legacy Of John Brown:

Terrible Swift Sword Peggy A. Russo, Paul Finkelman, 2005 More than two centuries after his birth and almost a century and a half after his death the legendary life and legacy of John Brown go marching on Various deemed martyr madman monster terrorist and saint he remains one of the most controversial figures in America's history Brown's actions in Kansas and Harpers Ferry West Virginia provided major catalysts for the American Civil War actions that continue today to evoke commendation or provoke condemnation Through the prisms of history literature psychology criminal justice oral history African American studies political science film studies and anthropology **Terrible Swift Sword** offers insights not only into John Brown's controversial character and motives but also into the nature of a troubled society before during and after the Civil War The discussions include reasons why Brown's contemporaries supported him attempts to define Brown using different criteria analyses of Brown's behavior his depiction in literature and examinations of the iconography surrounding him The interdisciplinary focus marshalled by editor Peggy A Russo makes **Terrible Swift Sword** unique and this together with the popular mythology surrounding the legend of John Brown will appeal to a broad audience of readers interested in this turbulent moment in American history Paul Finkelman is Chapman Distinguished Professor of Law at the University of Tulsa College of Law He is the author of many articles and books including *His Soul Goes Marching On Responses to John Brown and the Harpers Ferry Raid* and the Library of Congress Civil War Desk Reference Peggy Russo is an assistant professor of English at the Mont Alto Campus of Pennsylvania State University She has published in *Shakespeare Bulletin* *The Southern Literary Journal* *Journal of American Culture* *Shakespeare and the Classroom* and *Civil War Book Review*

Weird John Brown Ted A. Smith, 2023-05-25 Combining theology politics and historical analysis theorizes what might be at stake ethically for America's current political life Andrew Taylor *Journal of American History* Conventional wisdom holds that attempts to combine religion and politics will produce unlimited violence Concepts such as jihad crusade and sacrifice need to be rooted out the story goes for the sake of more bounded and secular understandings of violence Ted Smith upends this dominant view drawing on Walter Benjamin Giorgio Agamben and others to trace the ways that seemingly secular politics produce their own forms of violence without limit He brings this argument to life and digs deep into the American political imagination through a string of surprising reflections on John Brown the nineteenth century abolitionist who took up arms against the state in the name of a higher law Smith argues that the key to limiting violence is not its separation from religion but its connection to richer and more critical modes of religious reflection **Weird John Brown** develops a negative political theology that challenges both the ways we remember American history and the ways we think about the nature meaning and exercise of violence Powerfully combines theology and political theory Recommended R J Meagher *Choice* Smith illustrates how an ethical and philosophical reading of history can help us to better understand the world we live in Franklin Rausch *New Books in Christian Studies* A brilliantly original and compelling book John Stauffer Harvard University

A very sophisticated philosophical and theological reflection on John Brown and the question of divine violence Willie James Jennings Duke University [John Brown's Trial](#) Brian McGinty, 2009-10-15 Here Brian McGinty provides a comprehensive account of the trial of abolitionist John Brown After the jury returned its guilty verdict an appeal was quickly disposed of and the governor of Virginia refused to grant clemency [John Brown, Emancipator](#) Louis DeCaro Jr., 2017-09-18 Collection of essays by Louis A DeCaro Jr a student of the life and letters of the abolitionist John Brown These essays first appeared on the author's online publication John Brown the Abolitionist A Biographer's Blog and have been edited and presented here with new extended critical introduction [John Brown's Spy](#) Steven Lubet, 2020-08-11 A compulsively readable account of the fugitive who betrayed John Brown after the bloody abolitionist raid on Harper's Ferry Booklist starred review John Brown's Spy tells the nearly unknown story of John E Cook the person John Brown trusted most with the details of his plans to capture the Harper's Ferry armory in 1859 Cook was a poet a marksman a boaster a dandy a fighter and a womanizer as well as a spy In a life of only thirty years he studied law in Connecticut fought border ruffians in Kansas served as an abolitionist mole in Virginia took white hostages during the Harper's Ferry raid and almost escaped to freedom For ten days after the infamous raid he was the most hunted man in America with a staggering one thousand dollar bounty on his head Tracking down the unexplored circumstances of John Cook's life and disastrous end Steven Lubet is the first to uncover the full extent of Cook's contributions to Brown's scheme Without Cook's participation the author contends Brown might never have been able to launch the insurrection that foreshadowed the Civil War Had Cook remained true to the cause history would have remembered him as a hero Instead when Cook was captured and brought to trial he betrayed John Brown and named fellow abolitionists in a full confession that earned him a place in history's tragic pantheon of disgraced turncoats Lubet is especially effective at capturing the courtroom drama A crisply told tale fleshing out one of American history's more intriguing footnotes Kirkus Reviews Take's readers on a ride through the frantic days surrounding Brown's raid that will make them feel the moment as much as understand it Library Journal starred review *This Mighty Scourge* James M. McPherson, 2009-10-12 The author of the Pulitzer Prize winning *Battle Cry of Freedom* and the New York Times bestsellers *Crossroads of Freedom* and *Tried by War* among many other award winning books James M McPherson is America's preeminent Civil War historian In this collection of provocative and illuminating essays McPherson offers fresh insight into many of the enduring questions about one of the defining moments in our nation's history McPherson sheds light on topics large and small from the average soldier's avid love of newspapers to the postwar creation of the mystique of a Lost Cause in the South Readers will find insightful pieces on such intriguing figures as Harriet Tubman John Brown Jesse James and William Tecumseh Sherman and on such vital issues as Confederate military strategy the failure of peace negotiations to end the war and the realities and myths of the Confederacy *This Mighty Scourge* includes several never before published essays pieces on General Robert E Lee's goals in the Gettysburg campaign on Lincoln and Grant in the Vicksburg campaign and on

Lincoln as Commander in Chief All of the essays have been updated and revised to give the volume greater thematic coherence and continuity so that it can be read in sequence as an interpretive history of the war and its meaning for America and the world Combining the finest scholarship with luminous prose and packed with new information and fresh ideas this book brings together the most recent thinking by the nation's leading authority on the Civil War **John Brown** Anne Schraff, 2008-01-01 Examines the life of John Brown including his childhood on the frontier his fight against slavery and the Harpers Ferry raid his execution and legacy in American history Provided by publisher *The Invention of Terrorism in Europe, Russia, and the United States* Carola Dietze, 2021-07-20 This book examines key cases of terrorist violence to show that the invention of terrorism was linked to the birth of modernity in Europe Russia and the United States rather than to Tsarist despotism in 19th century Russia or to Islam sects in Medieval Persia Combining a highly readable historical narrative with analysis of larger issues in social and political history the author argues that the dissemination of news about terrorist violence was at the core of a strategy that aimed for political impact on rulers as well as the general public Dietze's lucid account also reveals how the spread of knowledge about terrorist acts was from the outset a transatlantic process Two incidents form the book's centerpiece The first is the failed attempt to assassinate French Emperor Napoleon III by Felice Orsini in 1858 in an act intended to achieve Italian unity and democracy The second case study offers a new reading of John Brown's raid on the arsenal at Harpers Ferry in 1859 as a decisive moment in the abolitionist struggle and occurrences leading to the American Civil War Three further examples from Germany Russia and the US are scrutinized to trace the development of the tactic by first imitators With their acts of violence the invention of terrorism was completed Terrorism has existed as a tactic since then and has essentially only been adapted through the use of new technologies and methods

The Day They Hanged Old Brown John R. Van Atta, 2025-11-04 Abolitionist fanatic terrorist freedom fighter alleged murderer all of those labels fit John Brown Yet he also qualified as a mid nineteenth century celebrity Reserved only for a few celebrities in Brown's time was in historian Carolyn Eastman's words a quality of being well known an attribute a degree of popularity and fame the state of being celebrated by others as Brown certainly was Brown's lifespan covered most of the period between the Revolution and the Civil War a time of the still early beginnings of the United States Only then had his kind of celebrity started to matter From different economic and moral perspectives politically aware Americans clashed over different visions for the future of the country At that time any disruptive figure might be taken as a barometer of the progress or the decline of the republic A function of the widely varying newspapers and magazines of that day celebrity offered Americans an angle of vision happily or not as to who they were or were becoming or believed themselves to be as if by a mirror reflection In *The Day They Hanged Old Brown* John Van Atta examines the creation of celebrity in John Brown's time and how it differed from modern day perceptions Yet as applicable as the concept of celebrity is in this case the story of Brown's notoriety represents far more To his admirers Brown was not merely a celebrity he was a hero and after his

sacrificial death a martyr Not all celebrities rise to such levels This book traces the meaning of heroism and martyrdom as well as the opposite side of that coin villainy and suggests that John Brown s story and legacy helped to redefine these concepts for many Americans during the era of the Civil War before modern historians began to deliberate him *To Set this World Right* Sandra Harbert Petrulionis,2006 In the decade before the Civil War Concord Massachusetts was a center of abolitionist sentiment and activism To Set this World Right is the first book to recover and examine the voices events and influence of the antebellum antislavery movement in Concord In addressing fundamental questions about the origin and nature of radical abolitionism in this most American of towns Sandra Harbert Petrulionis frames the antislavery ideology of Henry Thoreau and Ralph Waldo Emerson two of Concord s most famous residents as a product of family and community activism and presents the civic context in which their outspoken abolitionism evolved In this historic locale radical abolitionism crossed racial class and gender lines as a confederation of neighbors fomented a radical consciousness and Petrulionis documents how the Thoreaus Emersons and Alcotts worked in tandem with others in their community including a slaveowner s daughter and a former slave Additionally she examines the basis on which Henry Thoreau who cherished nothing more than solitary tramps through his beloved woods and bogs has achieved lasting fame as a militant abolitionist This book marshals rich archival evidence of the diverse tactics exploited by a small coterie of committed activists largely women who provoked their famous neighbors to action In Concord the fugitive slave Shadrach Minkins was clothed and fed as he made his way to freedom In Concord the adolescent daughters of John Brown attended school and recovered from their emotional distress after their father s notorious public hanging Although most residents of the town maintained a practiced detachment from the plight of the enslaved women and men whose sole objective was the moral urgency of abolishing slavery at last prevailed on the philosophers of self culture to accept the responsibility of their reputations

Whispering the Strategies of Language: An Emotional Quest through **Terrible Swift Sword Legacy Of John Brow**

In a digitally-driven world wherever displays reign great and quick connection drowns out the subtleties of language, the profound techniques and emotional subtleties hidden within phrases frequently go unheard. Yet, situated within the pages of **Terrible Swift Sword Legacy Of John Brow** a fascinating fictional prize pulsing with raw emotions, lies an extraordinary quest waiting to be undertaken.
