The past is a haunted mirror reflecting strange and twisted tales back at us. Join Lenora and Miss Jessel as they share some of their favourite tales of dark history and folklore from the Haunted Palace Blog. Did you know that a prodigious palace once stood in the London Borough of Wanstead and Woodford but a dissolute Earl threw it all away leaving his heart broken wife to haunt its ruins forever? Or that Victorian tourists flocked to the grim spectacle provided by the Paris Morgue the best free theatre in town? Or that a murderous jester is reputed to have lured people to their deaths at a castle in Cumbria and that an entire town nearly danced itself to death in the fourteenth century? Join us as we explore a past populated by highwaymen, murderers, eccentrics and lost souls.

When Sally Westwood moves into a large Victorian house that she has been left by a stranger, she is unaware that her benefactor died at the hands of her grandson who is expected to inherit. The house holds a secret that Sally must reveal before she and her husband are out of danger. Mystery and intrigue surround them. The story goes back to the previous century revealing something that is hidden in the house. Something that a man would kill to get his hands on. Sally does not know she is in danger. Can she be protected by the past residents of the house who weave their way through the story? And what of the reflections in the haunted mirror?

Emilu Redding was the ugliest girl you ever laid eyes upon. She had matted hair and wore the same dress to school every day. She didn't have any friends and her classmates would pull clumps of hair from her head and sometimes stuff it in her mouth. Sometimes her classmates would spit on her and say things like, "I bet your momma is a dog." Your daddy took one look at you when you were born and said, "Kill it before the little monster gets loose." Poor Emilu endured so much pain and suffering throughout her young adult life that she would often close her eyes at night as she was lying on her bed and pray she wouldn't wake up in the morning. After many years of abuse from her classmates, her luck

was about to change but at a heavy cost Just a mile from her house was a practicing Witch named Helga but she was far from having any special powers Helga did have one item in her possession that any Witch would want A handheld mirror that possesses evil powers One day Emilu s classmates dared her to go to the Witch s house to see if she could rid her of her ugliness They all laughed and said Come on Emilu What s the matter are you afraid of a Witch You shouldn t be you both have something in common you re both ugly The students just laughed hysterically Emilu shouted back at them saying I m not afraid of any Witch Then what are you waiting for said one of the classmates Emilu took their dare and went to see the Witch Helga but was never seen or heard from again by anyone *The Haunted Mirror* Elizabeth Madox Roberts,1978
