A Night on the Moon Larry Gaddy, 2011-11-10 Life and self worth is a blessing that cannot be bought at any price To see through those eyes is to see eternal youth to grow wise with grace and to still die young at any age Watching a colored leaf fall from a tree Seeing its dance upon the wind Hearing the lyrics of a song unsung Humming the melody yet written Writing words that bring teardrops And humbled by the grace of it all Some would say he's a visionary seeing truth beyond the lies twisting a simple word into emotion Question everything He heard so often as a child Looking through the stained glass in his mind's eye somewhere within his fantasy a simple child became a poet He is a story teller In his words you will find a simple truth Hanging on a single word as a lifeline letting go to find another In his world you feel the little things and the miracles they bring Through his eyes the fairies have been seen painting sunsets and rainbows
