career that stretched from 1914 until 1958 his greatest triumphs came in India and Burma in the long war against the Japanese Thrust into a desperate situation he orchestrated the longest retreat in British Army history in the withdrawal from Burma He then turned on the Japanese in India shattered their army and pursued them to destruction Apart from his great military victories Slim also left a legacy of training and morale building that endures in the British Army to this day This book examines both Bill Slim s military career and his place in military history by examining some of his greatest battles and the strategy and tactics that set him apart from his contemporaries **Infantry** ,2000 **The Challenges of High Command**

The 1945 Burma Campaign and the Transformation of the British Indian Army Raymond A. Callahan ,Daniel Marston,2021-01-28 In 1945 the Indian British XIV Army inflicted on the Imperial Japanese Army in Burma the worst defeat in its history That campaign the most brilliant and original operational maneuver conducted by any British general in the twentieth century largely forgotten until now is a full and fresh account utilizing a full range of materials from personal accounts to archival holdings including the bits the official historians left out such as the attempt by a jealous British Guards officer to have Slim sacked at the conclusion of the campaign After the retreat from Burma in 1942 Lieutenant General Sir William Slim commander of the British XIV Army played a crucial role in the remarkable military renaissance that transformed the Indian Army and then with that reborn army won two defensive battles in 1944 and in the 1945 campaign shredded his Japanese opponents Behind this dramatic story was another the war marked the effective end of the Raj This great transformation was of course brought about by many factors but not the least of them was the Indianization of the Indian Army s officer corps under the pressure of war As Slim s great victory signposted the change from the army Kipling knew to a modern army with a growing number of Indian officers the praetorian guard of the Raj evaporated Every Indian officer worth his salt is a nationalist the Indian Army s commander in chief Claude Auchinleck said as the XIV Army took Rangoon The Burma campaign may not have contributed in a major fashion to the final defeat of Japan but it was of first rate importance in the transformation of South Asia as well as underlining the continuing importance of inspired leadership in complex human endeavors

Mountbatten, Cold War and Empire, 1945-79 Adrian Smith,2022-11-17 Mountbatten Cold War and Empire 1945 79 focuses upon Admiral Lord Mountbatten as a commanding if controversial figure in the history of Britain and its empire from Churchill s wartime coalition through to the Labour governments of the 1960s and forms a sequel to Mountbatten Apprentice War Lord Written in three parts focusing on the premierships of Churchill and Attlee Eden Macmillan Douglas Home and Wilson this book examines the debates over Mountbatten s record in Southern Asia in 1943 6 and 1947 8 Additional chapters focus on

Mountbatten's position at the heart of the British state and his pivotal role at key moments in the immediate post war era most notably the partition of India the Suez Crisis and the renewal of an ostensibly independent nuclear deterrent This book also considers Mountbatten's relationship with Anthony Eden both during and following the Suez Crisis as well as detailing Mountbatten's achievements as First Sea Lord and Chief of the Defence Staff under Harold Macmillan and his immediate successors Smith acknowledges Mountbatten's centrality to the history of Britain and its empire in the immediate post war era and in doing so presents a fascinating picture of one of the most prominent figures of the 20th century Smith's scrupulous examination of primary sources including those available in the Broadlands Archives results in a thorough examination of a controversial figure by eschewing often baseless speculation about Mountbatten's personal life Smith creates the first comprehensive overview of Admiral Lord Mountbatten's career from 1943 to the mid sixties Armor ,1978

Stewart Joe Stilwell a hard line and openly Anglophobic U S general With lively portraits of each of these men McLynn shows how the plans and strategies of generals and politicians were translated into a hideous reality for soldiers on the ground **Commander in Chief** Eric Larrabee,2019-10-15 Few American presidents have exercised their constitutional authority as commander in chief with more determination than Franklin D Roosevelt He intervened in military operations more often and to better effect than his contemporaries Churchill and Stalin and maneuvered events so that the Grand Alliance was directed from Washington In this expansive history Eric Larrabee examines the extent and importance of
