Sketches of Anglo-Jewish History, by James Picciotto. Revised and Edited... by Israël Finestein... James Picciotto,1956 *Sketches of Anglo-Jewish History*,1875 *The Palgrave Dictionary of Anglo-Jewish History* W. Rubinstein,2011-01-27 This authoritative and comprehensive guide to key people and events in Anglo Jewish history stretches from Cromwell's readmittance of the Jews in 1656 to the present day and contains nearly 3000 entries the vast majority of which are not featured in any other sources *The Jewish Chronicle and Anglo-Jewry, 1841-1991* David Cesarani,1994-03-03 A history of an important newspaper and of Jewish communal life interpreted through its most vibrant public voice [Isaac Newton and the Temple of Solomon](#) Tessa Morrison,2016-05-27 Isaac Newton published little but wrote hundreds of manuscripts the bulk of them on alchemy prophecy and theology His writings on the Temple of Solomon have widely been thought to have been written in old age or possibly after a nervous breakdown in 1693 In fact his study of the Temple spanned more than fifty years This book examines Newton's work in the context of his times when the Temple was a popular subject for academics and models were displayed to the general public The author provides insight into Newton's writings in Latin on Solomon's Temple along with a model reconstructed from his interpretation of its structure symmetry and proportional elegance **Lost in Translation, Found in Transliteration** Alex Kerner,2018-06-12 In *Lost in Translation Found in Transliteration* Alex Kerner examines London's Spanish Portuguese Jews congregation in the seventeenth and eighteenth centuries as a community that delineated its identity not only along ethnic and religious lines but also along the various languages spoken by its members By zealously keeping Hebrew and Spanish for prayer and Portuguese for community administration generations of wardens attempted to keep control over their community alongside a tough censorial policy on book printing Clinging to the Iberian languages worked as a bulwark against assimilation adding language to religion as an additional identity component As Spanish and Portuguese speaking generations were replaced with younger ones English permeated daily and community life intensifying assimilationist trends His focus on books as an indicator of the importance of language in the London community is well presented and Kerner's clear description of the varying uses of Spanish Portuguese and Hebrew and later English by the Sephardim in London gives a good survey of the changes in the community over the 150 years covered by the book Highly recommended Michelle Chesner Columbia University in Association of Jewish Libraries News and Reviews 11 2019 Alex Kerner's admirable study is a valuable contribution to our knowledge of the interrelationships between language and censorship and their maintenance of community identity Barry Taylor The British Library London in Bulletin of Spanish Studies 96 2019 This volume is a significant contribution to the well researched history of the Spanish and Portuguese Jews of London providing a clear and nuanced in depth analysis of the reasons for and history of its censorship policy Wendy Filer King's College London UK in Journal of Jewish Studies 70 2 2019 *Judaism Without Jews* E.
