**Sri Lanka, a Country Study** Richard F. Nyrop, United States. Department of the Army, 1986      **Area Handbook Series. Sri Lanka, A Country Study** Russell R. Ross, Andrea M. Savada, LIBRARY OF CONGRESS WASHINGTON DC FEDERAL RESEARCH DIV., 1988 This book deals with the country of Sri Lanka describing and analyzing its political economic social and national security systems and institutions and examining the interrelationships of those systems and the ways they are shaped by cultural factors Each study is written by a multidisciplinary team of social scientists The authors seek to provide a basic understanding of the observed society striving for a dynamic rather than a static portrayal Particular attention is devoted to the people who make up the society their origins dominant beliefs and values their common interests and the issues on which they are divided the nature and extent of their involvement with national institutions and their attitudes toward each other and toward their social system and political order jhd      **Monthly Catalog of United States Government Publications** ,1998      *Area Handbook Series* ,1990      *Crisis in Sri Lanka and the World* Asoka Bandarage, 2023-05-22 This book provides a broad picture of Sri Lanka's ongoing political and economic crisis as the culmination of several centuries of colonial and neo colonial developments The book presents the Sri Lankan crisis as an exemplification of a broader global existential crisis facing more and more debt trapped countries especially in the post colonial Global South The book's in depth case study raises important questions pertaining to sovereignty and political and economic democracy in Sri Lanka and the world at large The book also explores the emergence of the crisis in the context of the accelerating geopolitical conflict between China and the USA in the Indian Ocean It ponders if the debt crisis economic collapse and political destabilization in Sri Lanka were intentionally precipitated to the advantage of the Quadrilateral Alliance USA India Australia and Japan Moving beyond geopolitical rivalry the book juxtaposes Sri Lanka's political economic crisis with the broader ecological crisis of climate change and sea level rise The book concludes with a consideration of the ethical dilemmas behind the debt and survival crisis in Sri Lanka and across the world It points out a range of social movements and initiatives in Sri Lanka and the Global South which subscribe to collective and ecological alternatives and a Middle Path of sustainability and social justice      **U.S. Government Books** ,1987      *Rethinking Western Approaches to Counterinsurgency* Russell W. Glenn, 2015-05-22 This book critically examines the Western approach to counter insurgency in the post colonial era and offers a series of recommendations to address current shortfalls The author argues that current approaches to countering insurgency rely too heavily on conflicts from the post World War II years of waning colonialism Campaigns conducted over half a century ago Malaya Aden and Kenya among them remain primary sources on which the United States British Australian and other militaries build their guidance for dealing with insurgent threats this though both the character of those threats and the conflict environment are significantly different than was the case in those earlier years This book addresses the resulting inconsistencies by offering insights analysis and recommendations drawn from campaigns

more applicable to counter insurgency today Eight post colonial conflicts to include Northern Ireland Sierra Leone Colombia and Iraq provide the basis for analysis All are examples in which counterinsurgents attained or continue to demonstrate considerable progress when taking on enterprises better known for disaster and disappointment Recommendations resulting from these analyses challenge entrenched beliefs to serve as the impetus for essential change Rethinking Western Approaches to Counterinsurgency will be of much interest to students of counter insurgencies military and strategic studies security studies and IR in general
