Reading Comprehension Passage

The Nazi Schutzstaffel "SS"

The Nazi Schutzstaffel SS was a group of people who worked for Adolf Hitler during World War II. They were very powerful and had a lot of control over the German government.

The SS was created in 1925 and it grew to become one of the most feared organizations in Nazi Germany. Their main goal was to protect Hitler and enforce his policies. They had their own uniform, which included a black shirt and a special symbol called the SS rune.

The SS had different divisions, and one of the most well-known was the Waffen-SS. This division was responsible for fighting in battles and carrying out military operations. They were known for their brutal tactics and were involved in many war crimes. The Waffen-SS was made up of volunteers from different countries, and they were very loyal to Hitler.

Another division of the SS was called the Gestapo. Their job was to spy on people and arrest anyone who was against Hitler's ideas. They used secret police methods and were known for their harsh interrogations. They were feared by many people because they could arrest and punish anyone they wanted.

The SS also had concentration camps, where they imprisoned and killed millions of people. These camps were like prisons, but much worse. The prisoners were treated very badly and many of them died from starvation or disease. The SS guards were very cruel and didn't care about the prisoners' well-being.

After World War II, many SS members were tried for their crimes. Some were sentenced to death, while others were imprisoned. The SS was finally disbanded and their power was taken away. Today, the Nazi Schutzstaffel SS is remembered as one of the most evil and dangerous organizations in history.
