ENLIGHTENER OF  
ALASKA

APOSTLE TO AMERICA

# St Innocent Apostle To America

**James J. Stamoolis**

## **St Innocent Apostle To America:**

**St. Innocent, Apostle to America** Paul D. Garrett, 1979      The Orthodox Church Thomas E. FitzGerald, 1998-09-30 The first comprehensive introduction to the Orthodox Church in the United States from 1794 to the present this text offers a succinct overview of the Church's distinctive history and its particular perspectives on the Christian faith FitzGerald examines the relationship between the Orthodox Church and other Christian churches in the U S as well as the contributions the Orthodox Church has made to the ecumenical movement This student edition ideal for classes in American Religion Denominational History and American social and cultural history includes a bibliographic essay intended as a guide for further investigation into aspects of Orthodox Christianity      *Russian Bishop's House, Sitka National Historical Park, Sitka, Alaska* Katherine Menz, 1989      **Of Religion and Empire** Robert Geraci, Michael Khodarkovsky, 2018-08-06 Russia's ever expanding imperial boundaries encompassed diverse peoples and religions Yet Russian Orthodoxy remained inseparable from the identity of the Russian empire state which at different times launched conversion campaigns not only to save the souls of animists and bring deviant Orthodox groups into the mainstream but also to convert the empire's numerous Muslims Buddhists Jews Catholics and Uniates This book is the first to investigate the role of religious conversion in the long history of Russian state building How successful were the Church and the state in proselytizing among religious minorities How were the concepts of Orthodoxy and Russian nationality shaped by the religious diversity of the empire What was the impact of Orthodox missionary efforts on the non Russian peoples and how did these peoples react to religious pressure In chapters that explore these and other questions this book provides geographical coverage from Poland and European Russia to the Caucasus Central Asia Siberia and Alaska The editors introduction and conclusion place the twelve original essays in broad historical context and suggest patterns in Russian attitudes toward religion that range from attempts to forge a homogeneous identity to tolerance of complexity and diversity      *Russian America* Ilya Vinkovetsky, 2011-04-06 From 1741 until Alaska was sold to the United States in 1867 the Russian empire claimed territory and peoples in North America In this book Ilya Vinkovetsky examines how Russia governed its only overseas colony illustrating how the colony fit into and diverged from the structures developed in the otherwise contiguous Russian empire Russian America was effectively transformed from a remote extension of Russia's Siberian frontier penetrated mainly by Siberianized Russians into an ostensibly modern overseas colony operated by Europeanized Russians Under the rule of the Russian American Company the colony was governed on different terms than the rest of the empire a hybrid of elements carried over from Siberia and imported from rival colonial systems Its economic labor and social organization reflected Russian hopes for Alaska as well as the numerous limitations such as its vast territory and pressures from its multiethnic residents it imposed This approach was particularly evident in Russian strategies to convert the indigenous peoples of Russian America into loyal subjects of the Russian Empire Vinkovetsky looks closely at Russian efforts to acculturate the native peoples including attempts to predispose them to be

more open to the Russian political and cultural influence through trade and Russian Orthodox Christianity Bringing together the history of Russia the history of colonialism and the history of contact between native peoples and Europeans on the American frontier this work highlights how the overseas colony revealed the Russian Empire s adaptability to models of colonialism

**Introducing World Missions** A. Scott Moreau, Gary R. Corwin, Gary Corwin, Gary B. McGee, 2004 This overview considers issues involved in becoming a missionary the process of getting to the mission field and contemporary challenges a mission worker must face

*Eastern Orthodox Mission Theology Today* James J. Stamoolis, 2001-11-02 The purpose of the ASM Series is to publish without regard for disciplinary national or denominational boundaries scholarly works of high quality and wide interest on missiological themes from the entire spectrum of scholarly pursuits e g theology history anthropology sociology linguistics health education art political science economics and development to articulate but a partial list Always the focus will be on Christian mission By mission in this context is meant a cross cultural passage over the boundary between faith in Jesus Christ and its absence In this understanding of mission the basic functions of Christian proclamation dialogue witness service fellowship worship and nurture are of special concern How does the transition from one cultural context to another influence the shape and interaction of these dynamic functions Missiologists know that they need the other disciplines And other disciplines we dare to suggest need missiology perhaps more than they sometimes realize Neither the insider s nor the outsider s view is complete in itself The world Christian mission has through two millennia amassed a rich and well documented body of experience to share with other disciplines Interaction will be the hallmark of this Series It desires to be a channel for talking to one another instead of about one another Secular scholars and church related missiologists have too long engaged in a sterile venting of feelings about one another often lacking in full evidence Ignorance of and indifference to one another s work has been no less harmful to good scholarship The promotion of scholarly dialogue among missiologists may at times involve the publication of views and positions that other missiologists cannot accept and with which members of the Editorial Committee do not agree The manuscripts published reflect the opinions of their authors and are not meant to represent the position of the American Society of Missiology or the Editorial Committee of the ASM Series We express our warm thanks to various mission agencies whose financial contributions enabled leaders of vision in the ASM to launch this new venture The future of the ASM series will we feel sure fully justify their confidence and support William J Danker Chairperson ASM Series Editorial Committee

**The Orthodox Church** Kallistos (Bishop of Diokleia), 1993-04-29 Recounts the history of Orthodox Christianity and discusses Orthodox beliefs practices and forms of worship

*The Time of the Spirit* George Every, Richard Harries, Bishop Kallistos Ware, 1984 An anthology of treasures found in the Roman Catholic Orthodox and Anglican traditions

*Orthodox Christians in America* John H. Erickson, 2010-04-10 Although there are over 200 million Orthodox Christians worldwide 4 million of whom live in the United States their history beliefs and practices are unfamiliar to most Americans This book outlines the evolution of Orthodox

Christian dogma which emerged for the first time in 33 A D before shifting its focus to American Orthodoxy a tradition that traces its origins back to the first Greek and Russian immigrants in the 1700s The narrative follows the momentous events and notable individuals in the history of the Orthodox dioceses in the U S including Archbishop Iakovos march for civil rights alongside Rev Martin Luther King Jr the Orthodox missionaries active opposition to the mistreatment of native Inuit in Alaska the quest for Orthodox unity in America the massive influx of converts since the 1960s and the often strained relationship between American Orthodox groups and the mother churches on the other side of the Atlantic Erickson explains the huge impact Orthodox Christianity has had on the history of immigration and how the religion has changed as a result of the American experience Lively engaging and thoroughly researched the book unveils an insightful portrait of an ancient faith in a new world

*In, Out and Beyond* Antonio Medina-Rivera, Lee Wilberschied, 2011-05-25 The essays presented in this volume are a peer reviewed selection of some of the best papers presented during the 3rd Crossing Over Symposium at Cleveland State University from October 9 11 2009 Scholars from the United States Canada Belgium France Spain Italy India Israel and the United Kingdom came together to examine border experiences from different points of view Originally the organizers called upon a diversity of borderland possibilities for this conference cultural political educational religious international intranational linguistic gender ideological age tribal social class caste identity and neighborhoods The definition of borderland was not limited to territorial spaces but rather was open to any kind of confrontation encounter affecting different situations of our lives The call for this conference was interdisciplinary in nature and its intent was to open a discussion between the humanities and the social sciences on the dynamic issue of borders

Religions and Missionaries around the Pacific, 1500-1900 Tanya Storch, 2017-05-15 This volume takes an interdisciplinary approach to the study of religious cultural exchanges around the Pacific in the period 1500 1900 relating these to economic and political developments and to the expansion of communication across the area It brings together twenty two pieces from diaries of religious exiles and missionary field observations to studies from a variety of academic disciplines so enabling a multitude of voices to be heard The articles are grouped in sections dealing with the Islamic period the Iberian Catholic period the Jewish diaspora the Russian Orthodox church the epoch of Protestant culture and finally Asian immigrant religions in the West a substantial introduction contextualizes these chapters in terms of both historical and contemporary approaches

**An Alaska Anthology** Stephen W. Haycox, Mary Childers Mangusso, 2011-06-01 Alaska with its Indian Eskimo and Aleut heritage its century of Russian colonization its peoples formidable struggles to wrest a living or a fortune from the North s isolated and harsh environment and its relatively recent achievement of statehood has long captured the popular imagination In *An Alaska Anthology* twenty five contemporary scholars explore the region s pivotal events significant themes and major players Native Russian Canadian and American The essays chosen for this anthology represent the very best writing on Alaska giving great depth to our understanding and appreciation of its history from the days of Russian American Company

domination to the more recent threat of nuclear testing by the Atomic Energy Commission and the influence of oil money on inexperienced politicians Readers may be familiar with an earlier anthology *Interpreting Alaska's History* from which the present volume evolved to accommodate an explosion of research in the past decade While a number of the original pieces were found to be irreplaceable more than half of the essays are new The result is a fresh perspective on the subject and an invaluable resource for students teachers and scholars

*The Orthodox Church* Timothy Ware, 1993-04-29 Since its first publication thirty years ago Timothy Ware's book has become established throughout the English speaking world as the standard introduction to the Orthodox Church Orthodoxy continues to be a subject of enormous interest among Western Christians and the author believes that an understanding of its standpoint is necessary before the Roman Catholic and Protestant churches can be reunited He explains the Orthodox views on such widely ranging matters as ecumenical councils sacraments free will purgatory the papacy and the relation between the different Orthodox churches

*The Oxford Handbook of the Bible in America* Paul C. Gutjahr, 2017 Early Americans have long been considered A People of the Book Because the nickname was coined primarily to invoke close associations between Americans and the Bible it is easy to overlook the central fact that it was a book not a geographic location a monarch or even a shared language that has served as a cornerstone in countless investigations into the formation and fragmentation of early American culture Few books can lay claim to such powers of civilization altering influence Among those which can are sacred books and for Americans principal among such books stands the Bible This Handbook is designed to address a noticeable void in resources focused on analyzing the Bible in America in various historical moments and in relationship to specific institutions and cultural expressions It takes seriously the fact that the Bible is both a physical object that has exercised considerable totemic power as well as a text with a powerful intellectual design that has inspired everything from national religious and educational practices to a wide spectrum of artistic endeavors to our nation's politics and foreign policy This Handbook brings together a number of established scholars as well as younger scholars on the rise to provide a scholarly overview rich with bibliographic resources to those interested in the Bible's role in American cultural formation

*The Living Church*, 1980

*New dimensions in ethnohistory* Barry Gough, Laird Christie, 1991-01-01 The papers in this volume represent ethnohistorical research by fifteen scholars on North American Native peoples They were presented at the Second Laurier Conference on Ethnohistory and Ethnology held at Huron College University of Western Ontario May 11-13 1983 Published in English

**The Study of Evangelism** Paul W. Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission Many of the resulting books in the marketplace however have a hands on orientation often lacking serious theological engagement and reflection Bucking that how to trend The Study of Evangelism offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice Helpfully organized into six categories these broad diverse writings lay a

solid scholarly foundation for meaningful dialogue about the church's practice of evangelism      **Saint Innocent of Alaska and the Orthodox Legacy of Russian America** Mother Nectaria McLees, 2021-03-30 A fascinating collection of interviews and articles on one of the greatest Orthodox Christian missionaries St Innocent Veniaminov Apostle to Alaska and the Aleutian Isles Delves into the deep Russian American heritage of Orthodox Alaska St Innocent's years in the Russian capital of New Archangelsk the historical sites where he lived and worked his startling encounter with an Alaskan native elder who was taught by angels and his little known visit to Fort Ross and the California Spanish missions Also included are moving remembrances of the venerable hierarch by nineteenth century visitors who shared neither his nationality nor his faith contemporary reflections of Native Alaskan Orthodox Christians and present day efforts to save the Alaskan native literary tradition that St Innocent worked so tirelessly to promote      **World Religions in America** Jacob Neusner, 2003-01-01 In this the third edition of Jacob Neusner's basic accessible and proven guide to the world's religions as they are practiced in America new chapters explore the Church of Scientology Nature Religions and the Baha'i faith In addition the chapter on Islam in America has been expanded Each chapter includes study questions essay topics and suggestions for further reading
