James in Greek and Latin pages 110 113 runs counter to some recent statements The explanation Offered of thou and I in 218 which seems to me to solve the problem of that passage is not strictly new but has been overlooked in most current works on the epistle In the light of modern geographical knowledge the reference in 57 to the early and latter rain gains a greater importance than has generally been observed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
