The Selected Letters of Tennessee Williams: 1945-1957 Tennessee Williams, 2000 Volume I of The Selected Letters of Tennessee Williams ends with the unexpected triumph of *The Glass Menagerie* Volume II extends the correspondence from 1946 to 1957 a time of intense creativity which saw the production of *A Streetcar Named Desire* *The Rose Tattoo* *Camino Real* and *Cat on a Hot Tin Roof* Following the immense success of *Streetcar* Williams struggles to retain his prominence with a prodigious outpouring of stories poetry and novels as well as plays Several major film projects including the notorious *Baby Doll* bring Williams and his collaborator Elia Kazan into conflict with powerful agencies of

censorship exposing both the conservative landscape of the 1950s and Williams own studied resistance to the forces of conformity Letters written to Kazan Carson McCullers Gore Vidal publisher James Laughlin and Audrey Wood Williams resourceful agent continue earlier lines of correspondence and introduce new celebrity figures The Broadway and Hollywood successes in the evolving career of America s premier dramatist vie with a string of personal losses and a deepening depression to make this period an emotional and artistic rollercoaster for Tennessee Compiled by leading Williams scholars Albert J Devlin Professor of English at the University of Missouri and Nancy M Tischler Professor Emerita of English at the Pennsylvania State University Volume II maintains the exacting standard of Volume I called by Choice a volume that will prove indispensable to all serious students of this author meticulous annotations greatly increase the value of this gathering

**Christianity and Culture** Thomas Stearns Eliot, 1949 Two long essays The Idea of a Christian Society on the direction of religious thought toward criticism of political and economic systems and Notes towards the Definition of Culture on culture its meaning and the dangers threatening the legacy of the Western world The Correspondence of Walter Benjamin, 1910-1940 Walter Benjamin, 2019-04-05 Called the most important critic of his time by Hannah Arendt Walter Benjamin has only become more influential over the years as his work has assumed a crucial place in current debates over the interactions of art culture and meaning A natural and extraordinary talent for letter writing was one of the most captivating facets of his nature writes Gershom Scholem in his Foreword to this volume and Benjamin s correspondence reveals the evolution of some of his most powerful ideas while also offering an intimate picture of Benjamin himself and the times in which he lived Writing at length to Scholem and Theodor Adorno and exchanging letters with Rainer Maria Rilke Hannah Arendt Max Brod and Bertolt Brecht Benjamin elaborates on his ideas about metaphor and language He reflects on literary figures from Kafka to Karl Kraus and expounds his personal attitudes toward such subjects as Marxism and French national character Providing an indispensable tool for any scholar wrestling with Benjamin s work The Correspondence of Walter Benjamin 1910 1940 is a revelatory look at the man behind much of the twentieth century s most significant criticism *Grandeur And Misery* Anthony Adamthwaite, 2014-03-04 A central question in European history is how did a great power pre eminent in 1918 lie defeated by the same enemy less than 20 years later Until recently the explanation has been sought in fundamental weaknesses that could only leave the French of 1940 hamstrung and demoralized Recent studies have challenged that view and now for the first time the revisionist approach is displayed in a single volume both summarizing the research of others and drawing on the author s own work in the archives The book is about as far from dry as dust diplomatic history as it s possible to get Its very readable and the author manages to show with the telling anecdote that even a serious subject has its comic side that for instance the French High Command kept forces stationed in the Alps for seven years because no one in the foreign service had thought to pass on news about a secret treaty between Italy and France in 1902 or that after a particularly stressful meeting Andrew Bonar Law the British prime minister mouth to Poincar the French president through

the closed carriage window of his train and you go to hell all the while smiling and exuding affability Such episodes are not the substance of the book but they oil its progress      **The Letters of Sylvia Beach** Sylvia Beach, 2010-04-15 Founder of the Left Bank bookstore Shakespeare and Company and the first publisher of James Joyce's *Ulysses* Sylvia Beach had a legendary facility for nurturing literary talent In this first collection of her letters we witness Beach's day to day dealings as bookseller and publisher to expatriate Paris Friends and clients include Ernest Hemingway Gertrude Stein H D Ezra Pound Janet Flanner William Carlos Williams F Scott Fitzgerald James Joyce and Richard Wright As librarian publicist publisher and translator Beach carved out a unique space for herself in English and French letters This collection reveals Beach's charm and resourcefulness sharing her negotiations with Marianne Moore to place Joyce's work in *The Dial* her battle to curb the piracy of *Ulysses* in the United States her struggle to keep Shakespeare and Company afloat during the Depression and her complicated affair with the French bookstore owner Adrienne Monnier These letters also recount Beach's childhood in New Jersey her work in Serbia with the American Red Cross her internment in a German prison camp and her friendship with a new generation of expatriates in the 1950s and 1960s Beach was the consummate American in Paris and a tireless champion of the avant garde Her warmth and wit made the Rue de l'Odéon the heart of modernist Paris      *"My Dear Friend"*

, 2008-01-01 A sequel to *A Portrait in Letters* Correspondence to and about Joseph Conrad Rodopi 1995 this volume collects and annotates letters to Joseph Conrad by his family friends admirers and publishers An indispensable companion to the writer's own letters it restores the quality of exchange interaction and debate that belongs to a major correspondence It also leads to a fuller more rounded picture of Conrad in his personal and professional dealings both of the mutualities and rituals that underpinned his close friendships and of the terms underlying his mutual disagreements with others Familiar names are here Arnold Bennett John Galsworthy Edward Garnett Ford Madox Ford Bertrand Russell and H G Wells although in largely unfamiliar form through unpublished or inaccessible materials Another notable feature of the volume is the newly recovered correspondence relating to the implementation by Henry Newbolt and William Rothenstein of the Royal Bounty Fund grant awarded during one of Conrad's most severe financial crises 1904-06 An essential resource for the scholar this vivid collection can also be read with pleasure by the general reader for the light it throws on Conrad the man and writer and the rich context in which he moved      Modernist Literature and European Identity Birgit Van Puymbroeck, 2020-05-13

*Modernist Literature and European Identity* examines how European and non European authors debated the idea of Europe in the first half of the twentieth century It shifts the focus from European modernism to modernist Europe and shows how the notion of Europe was constructed in a variety of modernist texts Authors such as Ford Madox Ford T S Eliot Gertrude Stein Aimé Césaire and Nancy Cunard each developed their own notion of Europe They engaged in transnational networks and experimented with new forms of writing supporting or challenging a European ideal Building on insights gained from global modernism and network theory this book suggests that rather than defining Europe through a set of core principles we may

also regard it as an open or weak construct a crossroads where different authors and views converged and collided
