**Vegetarians, the Evidence from the Bible, the Early Church and Nutrition** James C. Tibbetts, 2015-05-29 This book is perhaps the most complete scholarly book out today showing that Jesus and Mary were kosher vegetarians The evidence from the scriptures the early Church period the Jewish literature the mystics and nutrition indicates that Jesus and Mary were kosher and also that they were vegetarian This book proposes that Jesus and Mary were the new Adam and Eve who ate a plant based diet They were the first penitents of the Christian era leading us into a penitential lifestyle a lifestyle of purification involving a kosher plant based diet and fasting There is evidence from multiple sources that people in the early Church believed that Jesus and Mary and some of the disciples were vegetarians The monastics have carried on the plant based practice for centuries **The Stigmata: Those Who Bore the Wounds of Christ** Deacon Albert E.

Graham, 2023-08-10 Whether you are an atheist an agnostic or a true believer and disciple of Jesus Christ you will be mystified at what you learn from The Stigmata The Stigmata examines such other worldly phenomena one could liken it to a spiritual X files episode Christ s death and resurrection was not the end but the beginning for us all Jesus agonizing suffering sacrifice and surrender of his own life opened the gates of heaven to all those willing to follow Him The stigmatics serve as an earthly human reminder of the Divine Jesus obedient holy and sacrificial offering to us The Stigmata is a compilation of some 657 individuals from the 13th to the 21st centuries who have incomprehensibly borne the wounds suffered by Christ The Stigmata discusses many of the stigmatics in biographical detail Some stigmatics are recognized saints such as St Padre Pio and St Therese Neumann Sainted or not all stigmatics suffer in some way like Christ bearing evidence of nail piercings to the hands and feet the crown of thorns and sword laceration near the heart Have there been fraudulent stigmatics Yes and The Stigmata discusses the fakes separating them like wheat from chaff Aside from the painful and bloody wounds these individuals suffer many stigmatics exhibit other miraculous mysteries from levitation and bi location to reading of souls and other human impossibilities The pain the stigmatics have endured is real the phenomena they ve experienced is mystical and their complete impact on the world is known only to God Revelation, Mystical Phenomena and Divine Promises Deacon

Albert Graham,2022-10-05 The reader will be appraised of how God has been speaking to His people through public and private revelation for over 2000 years A special chapter in this work deals with some saints and holy people who have had private revelations about or visits from souls in purgatory hell or heaven Another chapter and several of the appendixes are devoted to Marian Apparitions to include those that are approved not approved and those appending a decision by the Church By far one of the greatest strengths of this undertaking is the identification of some 43 categories of concomitant extraordinary phenomena and some of the saints and holy people who have experienced them Color paintings by artists are depicted of some saints experiencing such mystical phenomena Another unique feature of the book is a listing of some 600 individuals from the 13th to the 21st centuries who bore the stigmata By knowing that God is present and alive to His people this book may help bring others to a deeper faith in God *Saints Who Raised the Dead* Fr. Ettington, I ve experienced many paranormal events in my life Most of them having something to do with prophecy I m also an Author of numerous books on the paranormal including my book written in 2009 God Like Powers and Abilities which was an overview or encyclopedia of different paranormal abilities This book is about the phenomena of Bi Location The stories about individuals bi locating are the most fascinating but I m also including stories of objects which appear and disappear which might have similar underlying causes These two phenomena seem to be inextricably linked since they both involve teleportation through space and possibly quantum entanglement Which is covered in a later chapter I ve read about and seen enough evidence and had enough of my own experiences to believe these abilities are real However my experience with bi location is brand new and outside of the box of my previous experiences Actually having one of these experiences is what led me to write this book on Bi Location and the spontaneous appearances of objects *Holiness Is Always in Season* Pope Benedict XVI,2011-02-01 Daily readings illustrate how the saints achieved perfect holiness which serves as an inspiration to church followers Religious Book Review ,1978 *On Cassette* ,1991
