Theology of Wagner's Ring Cycle II Richard H. Bell,2021-01-01 Wagner s Ring addresses fundamental concerns that have faced humanity down the centuries such as power and violence love and death freedom and fate Further the work seems particularly relevant today addressing as it does the fresh debates around the created order politics gender and sexuality In this second of two volumes on the theology of the Ring Richard Bell argues that Wagner s approach to these issues may open up new ways forward and offer a fresh perspective on some of the traditional questions of theology such as sacrifice redemption and fundamental questions about God A linchpin for Bell s approach is viewing the Ring in the light of the Jesus of Nazareth sketches which he argues confirms that the artwork does indeed address questions of Christian theology for those inside and outside the church

Theology of Wagner's Ring Cycle Richard H. Bell,2020 Vol 1 Wagner s Ring is one of the greatest of all artworks of Western civilization but what is it all about The power and mystery of Wagner s creation was such that he himself felt he stood before his work as though before some puzzle A clue to the Ring s greatness lies in its multiple avenues of self disclosure and the corresponding plethora of interpretations that over the years has granted ample scope for directors and will no doubt do so well into the distant future One possible interpretation which

Richard Bell argues should be taken seriously is the Ring as Christian theology In this first of two volumes Bell considers among other things how the composer's Christian interests may be detected in the forging of his Ring looking at how he appropriated his sources whether they be myths and sagas writers poets or philosophers and considering works composed around the same time especially his Jesus of Nazareth back cover *Mozart's Don Giovanni* Wolfgang Amadeus Mozart, Ellen H. Bleiler, Lorenzo Da Ponte, 1985-01-01 Don Giovanni has been called the greatest opera ever composed an almost perfect work Along with Aida La Boheme and Carmen Mozart's masterpiece is one of the most often performed operas The work is so admired that when the Italian composer Gioacchino Rossini was asked which of his own operas he liked best Rossini unhesitatingly replied Don Giovanni This Dover edition contains the standard Italian libretto of Don Giovanni side by side with a complete new English translation Convenient and portable it also includes an informative Introduction a complete List of Characters and an easy to follow Plot Summary All repeats are given in full so you can follow the text as it is sung without losing your place With this inexpensive handy guide opera lovers can appreciate every word of Mozart's brilliant comic drama in the original Italian or in modern English An ideal companion for reading along with a recording a broadcast or at the performance itself this superb volume is a first rate aid to enjoyment of one of the world's most celebrated operas
