Stafford Cripps:

The Cripps Version P. F. Clarke, 2002 Address by Sir Stafford Cripps to the House of Commons Sir Richard Stafford Cripps, 1942 Stafford Cripps Eric Estorick, 1949 A biography of Sir Richard Stafford Cripps a British Labour politician

The Life of Richard Stafford Cripps Colin Arthur Cooke, 1972 **LIFE**, 1948-03-08 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **Stafford Cripps** Simon Burgess, 1999 Chancellor of the Exchequer between 1947 and 1950 Sir Stafford Cripps was the most substantial figure in Clement Attlee s ground breaking 1945 51 government serving as one of Attlee s Big Five Cripps became identified with the national mood as the country struggled to make its recovery from the war and he was also a significant minister in Churchill s wartime coalition government even coming close to toppling Churchill and becoming Prime Minister himself in 1942 *Stafford Cripps* Eric Estorick (collectionneur d'art), 1949 **Soong Mayling and Wartime China, 1937-1945** Esther T. Hu, 2024-12-15 Soong Mayling and Wartime China 1937 1945 Deploying Words as Weapons focuses on the First Lady of China s timely and critical contributions in the areas of war women s work and diplomacy during China s War of Resistance as inflected through gender This book explores Soong Mayling through her own words by examining her speeches essays letters telegrams and news reports during the war period How did Madame Chiang Kai shek s gender identity shape her interactions with other Chinese women the male military and political leadership in the Republic of China and the broader global public How did Confucianism s cardinal virtues and Chinese Christianity converge in Soong Mayling s work and worldview What were her main contributions as Secretary General of the Chinese Air Force Drawing on Chinese archival materials such as Chiang Kai shek s diaries and other records around the world Esther Hu provides a historically informed perspective of the First Lady s legacy within the context of World War II history international cultural and military affairs and transnational geopolitics

The Mass Observers James Hinton, 2013-03-14 The first full scale history of Mass Observation the independent social research organisation which set out to document the attitudes opinions and every day lives of British people between 1937 and 1949 Corrects and revises much of our existing knowledge of M O and opens up new and important perspectives on the organisation itself The Man Who Built the Swordfish Adrian Smith, 2018-04-30 Sir Richard Fairey was one of the great aviation innovators of the twentieth century His career as a plane maker stretched from the Edwardian period to the jet age he lived long enough to see one of his aircraft be the first to break the 1000mph barrier and at least one of his designs the Swordfish holds iconic status A qualified engineer party to the design development and construction of the Royal Navy s state of the art sea planes Sir Richard founded Fairey Aviation at the Admiralty s behest in 1915 His company survived post war retrenchment to become one of Britain s largest aircraft manufacturers The firm built a succession of front line aircraft for

the RAF and the Fleet Air Arm including the iconic Swordfish In addition Fairey Aviation designed and built several cutting edge experimental aircraft including long distance record breakers between the wars and the stunningly beautiful Delta 2 which broke the world speed record on the eve of Sir Richard s death in 1956 Fairey also came to hold a privileged position in the British elite courting politicians and policymakers He became a figurehead of the British aviation industry and his successful running of the British Air Commission earned him a knighthood A key player at a pivotal moment Fairey s life tells us much about the exercise of power in early twentieth century Britain and provides an insight into the nature of the British aviation manufacturing industry at its wartime peak and on the cusp of its twilight years **Bringing Art to Life** Andrew

Horrall,2009-09-14 Only thirty nine when he took over the National Gallery in 1955 Jarvis already had an extraordinary record of achievement and social mobility at home and in England he had trained with Canada s greatest artists won a Rhodes scholarship lunched at the Algonquin Round Table in New York managed an aircraft factory written a bestseller produced films run a slum settlement and moved in a London social circle that included No l Coward and Vivien Leigh As head of the National Gallery Jarvis was a provocative public educator advocating his idea of a museum without walls in countless public appearances Instrumental in bringing modern art to the National Gallery he shook artists and the art minded public out of a period of national complacency This first detailed account of the controversy surrounding his time at the gallery provides an important context for the ongoing and contested role of publicly supported arts and art institutions in this country **Rudolf Hess** John Harris,Richard Wilbourn,2014-01-06 On 10 May 1941 on a whim Hitler s deputy Rudolf

Hess flew a Messerschmitt Bf 110 to Scotland in a bizarre effort to make peace with Britain G ring sent fighters to stop him but he was long gone Imprisoned and tried at Nuremberg he would die by his own hand in 1987 aged 93 That s the accepted explanation Ever since conspiracy theories have swirled around the famous mission How strong were Hess s connections with the British establishment including royalty Was the death of the king s brother the Duke of Kent associated with the Hess overture for peace In the many books written about Hess one obvious line of enquiry has been overlooked until now an analysis of the flight itself the flight plan equipment data sheets navigation system Through their long investigation authors John Harris and Richard Wilbourn have come to a startling conclusion whilst the flight itself has been well recorded the target destination has remained hidden The implications are far reaching and lend credence to the theory that the British establishment has hidden the truth of the full extent of British Nazi communications in part to spare the reputations of senior members of the Royal Family Using original photography documentation and diagrams Rudolf Hess sheds light on one of the most intriguing stories of the Second World War *Britain Looks Ahead* British Information Services,1943 **British**

Official Statements ,1942 **The Transfer of Power in India** V. P. Menon,1997 The author recounts in detail the events that occurred from September 1939 to August 1947 during the final stages of India s bid for freedom and how power was actually transferred [Transfer of Power in India](#) Vapal Pangunni Menon,2015-12-08 This full account of the partition of

India and the transfer of power from England begins with the outbreak of war in 1939 and ends with the transfer itself in 1947 Originally published in 1957 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

British Speeches of the Day British Information Services,1943 *Modern Indian Political Thought* Bidyut Chakrabarty,Rajendra K. Pandey,2023-09-29 This book is an unconventional articulation of the political thinking in India in a refreshingly creative manner in more than one way Empirically the book becomes innovative by providing an analytically more grasping contextual interpretation of Indian political thought that evolved during the nationalist struggle against colonialism Insightfully it attempts to unearth the hitherto unexplored yet vital subaltern strands of political thinking in India as manifested through the mode of numerous significant socio economic movements operating side by side and sometimes as part of the mainstream nationalist movement This book articulates the main currents of Indian political thought by locating the text and themes of the thinkers within the socio economic and politico cultural contexts in which such ideas were conceptualised and articulated The book also tries to analytically grasp the influences of the various British constitutional devices that appeared as the responses of the colonial government to redress the genuine socio economic grievances of the various sections of Indian society The book breaks new ground in not only articulating the main currents of Indian political thought in an analytically more sound approach of context driven discussion but also provokes new research in the field by charting a new course in grasping and articulating the political thought in India This volume will be useful to the students researchers and faculty working in the fields of political science political sociology political economy and post colonial contemporary Indian politics in particular It will also be an invaluable and interesting reading for those interested in South Asian studies

The Cultural Cold War in Western Europe, 1945-1960 Giles Scott-Smith,Hans Krabbendam,2003 This book provides a cross section of case studies that highlight the connections between overt covert activities and cultural political agendas during the early Cold War The Cultural Cold War in Western Europe, 1945-60 Hans Krabbendam,Giles Scott-Smith,2004-03-01 The idea of the Cold War as a propaganda contest as opposed to a military conflict is being increasingly accepted This has led to a re evaluation of the relationship between economic policies political agendas and cultural activities in Western Europe post 1945 This book provides an important cross section of case studies that highlight the connections between overt covert activities and cultural political agendas during the early Cold War It therefore provides a valuable bridge between diplomatic and intelligence research and represents an important contribution towards our understanding of the significance and consequences of this linkage for the shaping of post war democratic societies
