Stafford Past:

Stafford Past Roy Lewis,1997-01-01 Stafford was already an important place when King Alfred s daughter fortified the town against the Danes she made it both a royal borough and a market town William the Conqueror destroyed much of the town to build a castle after the defeat of Edric the Wild The town then flourished with a magnificent new church and a royal charter By Tudor times the population suffered a sharp decline but then a few wealthy families revived its trade In the 18th century shoe manufacturing became the dominant industry and the railways attracted heavy engineering The county of Stafford and many of its family records Stafford county,1897 *Fragments of Stafford's Past* Dudley Wilks,2024-10-04

The Weekly Notes Frederick Pollock, 1869 **The Jurist**, 1839 **The London Gazette** Great Britain, 1845 **Her Honor** LaDoris Hazzard Cordell, 2021-10-26 In *Her Honor*, Judge LaDoris Hazzard Cordell provides a rare and thought-provoking insider account of our legal system, sharing vivid stories of the cases that came through her courtroom and revealing the strengths, flaws, and much-needed changes within our courts. Judge Cordell, the first African American woman to sit on the Superior Court of Northern California, knows firsthand how prejudice has permeated our legal system. And yet, she believes in the system. From ending school segregation to legalizing same-sex marriage, its progress relies on legal professionals and jurors who strive to make the imperfect system as fair as possible. *Her Honor* is an entertaining and provocative look into the hearts and minds of judges. Cordell takes you into her chambers where she haggles with prosecutors and defense attorneys and into the courtroom during jury selection and sentencing hearings. She uses real cases to highlight how judges make difficult decisions while facing outside pressures from the media, law enforcement, lobbyists, and the friends and families of the people involved. Cordell's candid account of her years on the bench shines light on all areas of the legal system, from juvenile delinquency and the shift from rehabilitation to punishment, along with the

racial biases therein to the thousands of plea bargains that allow our overburdened courts to stay afloat as long as innocent people are willing to plead guilty There are tales of marriages and divorces adoptions and contested wills some humorous others heartwarming still others deeply troubling Her Honor is for anyone who s had the good or bad fortune to stand before a judge or sit on a jury It is for true crime junkies and people who vote in judicial elections Most importantly this is a book for anyone who wants to know what our legal system for better or worse means to the everyday lives of all Americans
