## **Stalinism Its Impact On Russia The:**

Stalinism George R. Urban,1985      Stalinism Graeme Gill,2016-01-07 Drawing on research based on access to the recently opened Soviet archives this new edition provides a valuable thematic account of the nature of Stalinism The author surveys the arguments about the origins of the Stalinist phenomenon and discusses the way in which the different faces of Stalinism economic social cultural and political changed over time Gill concludes that the dramatic fall of the USSR was connected to the nature of Stalinism      *Stalinism in a Russian Province* J. Hughes,1996-11-04 Stalinism in a Russian Province reexamines the agrarian policy pillars of Stalin s revolution from above initiated in 1929 30 and is the first major study of its kind since the opening of Soviet archives Through a pioneering application of the theoretical approaches of moral and political economy to Stalin s peasant policy Hughes reevaluates the causes and processes involved in the great political economic and social changes in the Soviet countryside Rather than a bipolarized conflict between state and peasant he profiles the socially variegated response of different peasant groups to collectivization and dekulakization and argues that it was as much a process involving social conflict between peasants      The Origins of the Stalinist Political System Graeme Gill,Graeme J. Gill,2002-07-18 New and challenging perspectives on Soviet political development from 1917 to 1941

**Stalinism and the Soviet-Finnish War, 1939-40** Malcolm L. G. Spencer,2018-07-25 This book offers an illuminating bridge between the political and social dimensions of the Soviet Finnish War of 1939 40 The conflict represented a significant crisis for the Soviet Union inspiring international condemnation and a significant loss of face for its supporters both at home and abroad The focus of this study is not upon the military dynamics of the war but upon its ability to influence events interpretations and interactions between agents and institutions within the Soviet Union and the wider international communist movement Through original archival research this book considers the ways in which the Soviet leadership reacted to the crisis the tools at its disposal and the effectiveness with which it managed to manipulate and control the spread of information through official and unofficial channels It contributes to a more complete and complex picture of the inter related nature of Soviet politics propaganda and mass media in this period      **Russia and Eastern Europe, 1789-1985**

Raymond Pearson,1989      **The Nature of Stalin's Dictatorship** E. A. Rees,2003-11-14 This is the first attempt to systematically study the nature of the political leadership system under Stalin It focuses both on the formal institutions of power such as the Politburo and on the informal networks of decision making that were a central feature of his system of rule It draws on a wealth of new archival material to highlight Stalin s relations with his co leaders and wider elite groups and offers different perspectives on the nature and degree of Stalin s system of personal power      *Stalinism for All Seasons* Vladimir Tismaneanu,2003-10-15 This history of the Romanian Communist Party RCP traces its origins as a tiny clandestine revolutionary organization in the 1920s to its years in national power from 1944 to 1989 and to the post 1989 metamorphoses      **Stalin's Wars** Geoffrey Roberts,2006-01-01 This breakthrough book provides a detailed reconstruction

of Stalin's leadership from the outbreak of the Second World War in 1939 to his death in 1953. Making use of a wealth of new material from Russian archives, Geoffrey Roberts challenges a long list of standard perceptions of Stalin: his qualities as a leader, his relationships with his own generals and with other great world leaders, his foreign policy and his role in instigating the Cold War. While frankly exploring the full extent of Stalin's brutalities and their impact on the Soviet people, Roberts also uncovers evidence leading to the stunning conclusion that Stalin was both the greatest military leader of the twentieth century and a remarkable politician who sought to avoid the Cold War and establish a long-term detente with the capitalist world. By means of an integrated military, political, and diplomatic narrative, the author draws a sustained and compelling personal portrait of the Soviet leader. The resulting picture is fascinating and contradictory, and it will inevitably change the way we understand Stalin and his place in history. Roberts depicts a despot who helped save the world for democracy, a personal charmer who disciplined mercilessly, a utopian ideologue who could be a practical realist, and a warlord who undertook the role of architect of post-war peace.

**Stalin in Russian Satire, 1917-1991** Karen L. Ryan, 2009-11-24

During Stalin's lifetime, the crimes of his regime were literally unspeakable. More than fifty years after his death, Russia is still coming to terms with Stalinism and the people's own role in the abuses of the era. During the decades of official silence that preceded the advent of glasnost, Russian writers raised troubling questions about guilt, responsibility, and the possibility of absolution. Through the subtle vehicle of satire, they explored the roots and legacy of Stalinism in forms ranging from humorous mockery to vitriolic diatribe. Examining works from the 1917 Revolution to the fall of the Soviet Union in 1991, Karen L. Ryan reveals how satirical treatments of Stalin often emphasize his otherness, distancing him from Russian culture. Some satirists portray Stalin as a madman; others show him as feminized, animal-like, monstrous, or diabolical. Stalin has also appeared as the unquiet dead, a spirit that keeps returning to haunt the collective memory of the nation. While many writers seem anxious to exorcise Stalin from the body politic, for others he illuminates the self in disturbing ways. To what degree Stalin was and is in us is a central question of all these works. Although less visible than public trials, policy shifts, or statements of apology, Russian satire has subtly yet insistently participated in the protracted process of de-Stalinization.

**Stalin's Library** Geoffrey Roberts, 2022-02-08

A compelling intellectual biography of Stalin told through his personal library. In this engaging life of the twentieth century's most self-consciously learned dictator, Geoffrey Roberts explores the books Stalin read, how he read them, and what they taught him. Stalin firmly believed in the transformative potential of words, and his voracious appetite for reading guided him throughout his years. A biography as well as an intellectual portrait, this book explores all aspects of Stalin's tumultuous life and politics. Stalin, an avid reader from an early age, amassed a surprisingly diverse personal collection of thousands of books, many of which he marked and annotated, revealing his intimate thoughts, feelings, and beliefs. Based on his wide-ranging research in Russian archives, Roberts tells the story of the creation, fragmentation, and resurrection of Stalin's personal library. As a true believer in communist ideology, Stalin was a fanatical

idealist who hated his enemies the bourgeoisie kulaks capitalists imperialists reactionaries counter revolutionaries traitors but detested their ideas even more      *Stalin's Holy War* Steven Merritt Miner, 2003 This volume examines the complex and profound role of religion especially Russian Orthodoxy in the politics of Stalin's government during World War II It demonstrates that Stalin decided to restore the church to prominence as a tool for restoring Soviet power to previously occupied areas      **Soviet Politics** Richard Sakwa, 2012-11-12 Soviet Politics in Perspective is a new edition of Richard Sakwa's successful textbook Soviet Politics an introduction Thoroughly revised and updated it builds on the previous editions comprehensive and accessible exploration of the Soviet system from its rise in 1919 to its collapse in 1991 The book is divided into five parts which focus on key aspects of Soviet politics They are historical perspectives beginning with the Tsarist regime on the eve of Revolution the rise and development of Stalinism through to the decline of the regime under Brezhnev and his successors and Gorbachev's attempts to revive the system institutions of Government such as the Communist Party security apparatus the military the justice system local government and participation theoretical approaches to Soviet politics including class and gender politics the role of ideology and the shift from dissent to pluralism key policy areas the command economy and reform nationality politics and foreign and defence policy an evaluation of Soviet rule and reasons for its collapse Providing key texts and bibliographies this book offers the complete history and politics of the Soviet period in a single volume It will be indispensable to students of Soviet and post Soviet politics as well as the interested general reader      *The Oxford Handbook of Postwar European History* Dan Stone, 2012-05-17 The postwar period is no longer current affairs but is becoming the recent past As such it is increasingly attracting the attentions of historians Whilst the Cold War has long been a mainstay of political science and contemporary history recent research approaches postwar Europe in many different ways all of which are represented in the thirty five chapters of this book As well as diplomatic political institutional economic and social history The Oxford Handbook of Postwar European History contains chapters which approach the past through the lenses of gender espionage art and architecture technology agriculture heritage postcolonialism memory and generational change and shows how the history of postwar Europe can be enriched by looking to disciplines such as anthropology and philosophy The Handbook covers all of Europe with a notable focus on Eastern Europe Including subjects as diverse as the meaning of Europe and European identity southern Europe after dictatorship the cultural meanings of the bomb the 1968 student uprisings immigration Americanization welfare leisure decolonization the Wars of Yugoslav Succession and coming to terms with the Nazi past the essays in this Handbook offer an unparalleled coverage of postwar European history that offers far more than the standard Cold War framework Readers will find self contained state of the art analyses of major subjects each written by an acknowledged expert as well as stimulating and novel approaches to newer topics Combining empirical rigour and adventurous conceptual analysis this Handbook offers in one substantial volume a guide to the numerous ways in which historians are now rewriting the history of postwar Europe

**Stalin** Marty Bloomberg, Buckley Barry Barrett, 1993-01-01 A comprehensive annotated survey of English language literature on Stalin

**War Aims in the Second World War** Victor Rothwell, 2019-08-07 No detailed description available for War Aims in the Second World War

*Political Thought From Machiavelli to Stalin* E. A. Rees, 2004-03-12 This is the first book in English to explore the relationship between Stalin's ideas and methods and the practices advocated by Machiavelli and those associated with Machiavellian politics It advances the concept of revolutionary Machiavellism as a way of understanding a particular strand of revolutionary thought from the Jacobins through to Leninism and Stalinism By providing a wide ranging survey of European political thought in the Nineteenth and early Twentieth century E A Rees locates the Bolshevik tradition within the wider European tradition

Totalitarianism and the Prospects for World Order Alexander Shtromas, 2003-01-01 A remarkably prescient thinker Aleksandras Shtromas devoted his life to understanding totalitarianism and political change This posthumous collection of writings edited by Robert Faulkner and Daniel J Mahoney addresses some of the topics that preoccupied Shtromas throughout his life including totalitarian regimes postcommunist transitions the fates of the Baltic states and the nature of political revolutions

The Devil in History Vladimir Tismaneanu, 2014-03-14 The Devil in History is a provocative analysis of the relationship between communism and fascism Reflecting the author's personal experiences within communist totalitarianism this is a book about political passions radicalism utopian ideals and their catastrophic consequences in the twentieth century's experiments in social engineering Vladimir Tismaneanu brilliantly compares communism and fascism as competing sometimes overlapping and occasionally strikingly similar systems of political totalitarianism He examines the inherent ideological appeal of these radical revolutionary political movements the visions of salvation and revolution they pursued the value and types of charisma of leaders within these political movements the place of violence within these systems and their legacies in contemporary politics The author discusses thinkers who have shaped contemporary understanding of totalitarian movements people such as Hannah Arendt Raymond Aron Isaiah Berlin Albert Camus Francois Furet Tony Judt Ian Kershaw Leszek Kolakowski Richard Pipes and Robert C Tucker As much a theoretical analysis of the practical philosophies of Marxism Leninism and Fascism as it is a political biography of particular figures this book deals with the incarnation of diabolically nihilistic principles of human subjugation and conditioning in the name of presumably pure and purifying goals Ultimately the author claims that no ideological commitment no matter how absorbing should ever prevail over the sanctity of human life He comes to the conclusion that no party movement or leader holds the right to dictate to the followers to renounce their critical faculties and to embrace a pseudo miraculous a mystically self centered delusional vision of mandatory happiness

**Show Trials** George H. Hodos, 1987-11-17 Show Trials combines first hand knowledge with hitherto unpublished confidential material to offer a penetrating and candid account of the Stalinist purges that occurred in Albanian East German Bulgarian and Rumanian purges as well as in Hungary Czechoslovakia and Poland George Hodos shows how these trials played a pivotal role in consolidating Soviet domination

over the satellite countries during Stalin's lifetime. As an important addition to our understanding of these events and times, *Show Trials* is essential for historians of Eastern Europe and absorbing reading for anyone interested in world affairs.

Getting the books **Stalinism Its Impact On Russia The** now is not type of inspiring means. You could not single-handedly going similar to books addition or library or borrowing from your contacts to admission them. This is an unconditionally simple means to specifically get lead by on-line. ## Stalinism Its Impact On Russia The Introduction

Stalinism Its Impact On Russia The Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Stalinism Its Impact On Russia The Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Stalinism Its Impact On Russia The : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Stalinism Its Impact On Russia The : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Stalinism Its Impact On Russia The Offers a diverse range of free eBooks across various genres. Stalinism Its Impact On Russia The Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Stalinism Its Impact On Russia The Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Stalinism Its Impact On Russia The, especially related to Stalinism Its Impact On Russia The, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Stalinism Its Impact On Russia The, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Stalinism Its Impact On Russia The books or magazines might include. Look for these in online stores or libraries. Remember that while Stalinism Its Impact On Russia The, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Stalinism Its Impact On Russia The eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Stalinism Its Impact On Russia The full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based

access to a wide range of Stalinism Its Impact On Russia The eBooks, including some popular titles.

### FAQs About Stalinism Its Impact On Russia The Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Stalinism Its Impact On Russia The is one of the best book in our library for free trial. We provide copy of Stalinism Its Impact On Russia The in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Stalinism Its Impact On Russia The. Where to download Stalinism Its Impact On Russia The online for free? Are you looking for Stalinism Its Impact On Russia The PDF? This is definitely going to save you time and cash in something you should think about.
