Stalins Last Crime The Plot Against The Jewish Doctors 1948 1953

Steven T. Usdin

Stalins Last Crime The Plot Against The Jewish Doctors 1948 1953:

Stalin's Last Crime Jonathan Brent, Vladimir Naumov, 2010-06-15 A new investigation based on previously unseen KGB documents reveals the startling truth behind Stalin's last great conspiracy. On January 13, 1953, a stunned world learned that a vast conspiracy had been unmasked among Jewish doctors in the USSR to murder Kremlin leaders. Mass arrests quickly followed. The Doctors Plot, as this alleged scheme came to be called, was Stalin's last crime. In the fifty years since Stalin's death, many myths have grown up about the Doctors Plot. Did Stalin himself invent the conspiracy against the Jewish doctors, or was it engineered by subordinates who wished to eliminate Kremlin rivals? Did Stalin intend a purge of all Jews from Moscow, Leningrad, and other major cities which might lead to a Soviet Holocaust? How was this plot related to the cold war, then dividing Europe, and the hot war in Korea? Finally, was the Doctors Plot connected with Stalin's fortuitous death? Brent and Naumov have explored an astounding array of previously unknown top secret documents from the KGB, the presidential archives, and other state and party archives in order to probe the mechanism of one of Stalin's greatest intrigues and to tell for the first time the incredible full story of the Doctors Plot.

The Last Days of Stalin Joshua Rubenstein, 2016-05-31 A gripping account of the months before and after Joseph Stalin's death and how his demise reshaped the course of twentieth century history. Joshua Rubenstein's riveting account takes us back to the second half of 1952 when no one could foresee an end to Joseph Stalin's murderous regime. He was poised to challenge the newly elected U.S. President Dwight Eisenhower with armed force and was also broadening a vicious campaign against Soviet Jews. Stalin's sudden collapse and death in March 1953 was as dramatic and mysterious as his life. It is no overstatement to say that his passing marked a major turning point in the twentieth century. *The Last Days of Stalin* is an engaging, briskly told account of the dictator's final active months: the vigil at his deathbed and the unfolding of Soviet and international events in the months after his death. Rubenstein throws fresh light on the devious plotting of Beria, Malenkov, Khrushchev, and other comrades-in-arms who well understood the significance of the dictator's impending death. The witness documented events of his death as compared to official published versions, Stalin's rumored plans to forcibly exile Soviet Jews, the responses of Eisenhower and Secretary of State Dulles to the Kremlin's conciliatory gestures after Stalin's death, and the momentous repercussions when Stalin's regime of terror was cut short. A fascinating and often chilling reconstruction of the months surrounding the Soviet dictator's death. Saul David, *Evening Standard*, UK. A gripping look at the power struggles after the Red Tsar's death. Victor Sebestyen, *The Sunday Times*, UK. Stalin's death in March 1953 cut short another spasm of blood purges he was planning but triggered only limited Soviet reforms. To some Westerners it promised an extended period of peace but others feared it would leave the West even more vulnerable. Joshua Rubenstein's lively, detailed, carefully crafted book chronicles a key twentieth century turning point that didn't entirely turn, revealing what difference Stalin's death did and didn't make and why. William Taubman, author of *Khrushchev: The Man and His Era*. [Ritual Murder in Russia, Eastern Europe, and Beyond](#) Eugene M. Avrutin, Jonathan

Dekel-Chen, Robert Weinberg, 2017-07-12 A collection of essays exploring the history of an antisemitic accusation that haunted Jewish people in Europe and Russia and how it spread This innovative reassessment of ritual murder accusations brings together scholars working in history folklore ethnography and literature Favoring dynamic explanations of the mechanisms evolution popular appeal and responses to the blood libel the essays rigorously engage with the larger social and cultural worlds that made these phenomena possible In doing so the book helps to explain why blood libel accusations continued to spread in Europe even after modernization seemingly made them obsolete Drawing on untapped and unconventional historical sources the collection explores a range of intriguing topics popular belief and scientific knowledge the connections between antisemitism prejudice and violence the rule of law versus the power of rumors the politics of memory and humanitarian intervention on a global scale This important contribution to our understanding of the evolution of ritual murder charges in Eastern Europe brings together a number of innovative studies on the topic several of which could become standard reading on the subject Glenn Dynner Sarah Lawrence College While the topic was not exactly novel to me I enjoyed reading this book and I was constantly learning from the significant new information and fresh insights from the authors analyses Shaul Stampfer Hebrew University **That's What They Want You to Think** Paul Simpson, 2012-02-15 Challenging perceptions that most conspiracy theories are based in paranoia and cynicism a volume by an editor of Star Trek Magazine profiles famous theories pertaining to such subjects as Pearl Harbor JFK's assassination and Roswell Original

Children of the Gulag Cathy A. Frierson, Semen Samuilovich Vilenkiĭ, 2010-01-01 A comprehensive documentary history of children whose parents were identified as enemies of the Soviet regime from its inception through Joseph Stalin's death With top secret documents in translation from the Russian state archives memoirs and interviews with child survivors

The Burning Bush Vladimir Solovyov, 2016-08-21 Vladimir Solovyov one of nineteenth century Russia's greatest Christian philosophers was renowned as the leading defender of Jewish civil rights in tsarist Russia in the 1880s *The Burning Bush* Writings on Jews and Judaism presents an annotated translation of Solovyov's complete oeuvre on the Jewish question elucidating his terminology and identifying his references to persons places and texts especially from biblical and rabbinic writings Many texts are provided in English translation by Gregory Yuri Glazov for the first time including Solovyov's obituary for Joseph Rabinovitch a pioneer of modern Messianic Judaism and his letter in the London Times of 1890 advocating for greater Jewish civil rights in Russia printed alongside a similar petition by Cardinal Manning Glazov's introduction presents a summary of Solovyov's life explains how the texts in this collection were chosen and provides a survey of Russian Jewish history to help the reader understand the context and evaluate the significance of Solovyov's work In his extensive commentary in Part II which draws on key memoirs from family and friends Glazov paints a rich portrait of Solovyov's encounters with Jews and Judaism and of the religious philosophical ideas that he both brought to and derived from those encounters *The Burning Bush* explains why Jews posthumously accorded Solovyov the accolade of a righteous

gentile and why his ecumenical hopes and struggles to reconcile Judaism and Christianity and persuade secular authorities to respect conscience and religious freedom still bear prophetic vitality **City of Rogues and Schnorrers** Jarrod

Tanny,2011-11-14 Outstanding A delightfully written work of serious scholarship Jewish Book World Old Odessa on the Black Sea gained notoriety as a legendary city of Jewish gangsters and swindlers a frontier boomtown mythologized for the adventurers criminals and merrymakers who flocked there to seek easy wealth and lead lives of debauchery and excess Odessa is also famed for the brand of Jewish humor brought there in the nineteenth century from the shtetls of Eastern Europe and that flourished throughout Soviet times From a broad historical perspective Jarrod Tanny examines the hybrid Judeo Russian culture that emerged in Odessa in the nineteenth century and persisted through the Soviet era and beyond The book shows how the art of eminent Soviet era figures such as Isaac Babel Ilia Ilf Evgenii Petrov and Leonid Utesov grew out of the Odessa Russian Jewish culture into which they were born and which shaped their lives Traces the emergence development and persistence of the myth of Odessa as both Garden of Eden and Gomorrah A joy to read Robert Weinberg

Swarthmore College *From Ambivalence to Betrayal* Robert S. Wistrich,2012-06-01 From Ambivalence to Betrayal is the first study to explore the transformation in attitudes on the Left toward the Jews Zionism and Israel since the origins of European socialism in the 1840s until the present This pathbreaking synthesis reveals a striking continuity in negative stereotypes of Jews contempt for Judaism and negation of Jewish national self determination from the days of Karl Marx to the current left wing intellectual assault on Israel World renowned expert on the history of antisemitism Robert S Wistrich provides not only a powerful analysis of how and why the Left emerged as a spearhead of anti Israel sentiment but also new insights into the wider involvement of Jews in radical movements There are fascinating portraits of Marx Moses Hess Bernard Lazare Rosa Luxemburg Leon Trotsky and other Jewish intellectuals alongside analyses of the darker face of socialist and Communist antisemitism The closing section eloquently exposes the degeneration of leftist anti Zionist critiques into a novel form of anti racist racism **Russia in the Twentieth Century** David R. Marples,2014-01-14 The history of

Russia as the natural successor to the Soviet Union is of crucial importance to understanding why communism ultimately lost out to Western democracy and the free market system David Marples presents a balanced overview of 20th century Russian history and shows that although contemporary Russia has retained many of the practices and memories of the Soviet period it is not about to revert back to the Soviet example **Life and Fate** Vasily Grossman,2012-06-13 A book judged so

dangerous in the Soviet Union that not only the manuscript but the ribbons on which it had been typed were confiscated by the state Life and Fate is an epic tale of World War II and a profound reckoning with the dark forces that dominated the twentieth century Interweaving a transfixing account of the battle of Stalingrad with the story of a single middle class family the Shaposhnikovs scattered by fortune from Germany to Siberia Vasily Grossman fashions an immense intricately detailed tapestry depicting a time of almost unimaginable horror and even stranger hope Life and Fate juxtaposes bedrooms and

snipers nests scientific laboratories and the Gulag taking us deep into the hearts and minds of characters ranging from a boy on his way to the gas chambers to Hitler and Stalin themselves This novel of unsparing realism and visionary moral intensity is one of the supreme achievements of modern Russian literature *Documentary Aesthetics in the Long 1960s in Eastern Europe and Beyond* ,2023-12-18 This book is the first to deal with documentary aesthetic practices of the post war period in Eastern Europe in a comparative perspective The contributions examine the specific forms and modes of documentary representations and the role they played in the formation of new aesthetic trends during the cultural political transition of the long 1960s This documentary first hand approach to the world aimed to break up unquestioned ideological structures and expose tabooed truths in order to engender much needed social changes New ways of depicting daily life writing testimony or subjective reportage emerged that still shape cultural debates today *Stalin's Legacy in Romania* Stefano Bottoni,2018-05-29 This study explores the little known history of the Hungarian Autonomous Region HAR a Soviet style territorial autonomy that was granted in Romania on Stalin s personal advice to the Hungarian Sz kely community in the summer of 1952 Since 1945 a complex mechanism of ethnic balance and power sharing helped the Romanian Communist Party RCP to strengthen with Soviet assistance its political legitimacy among different national and social groups The communist national policy followed an integrative approach toward most minority communities with the relevant exception of Germans who were declared collectively responsible for the German occupation and were denied political and even civil rights until 1948 The Hungarians of Transylvania were provided with full civil political cultural and linguistic rights to encourage political integration The ideological premises of the Hungarian Autonomous Region followed the Bolshevik pattern of territorial autonomy elaborated by Lenin and Stalin in the early 1920s The Hungarians of Sz kely Land would become a titular nationality provided with extensive cultural rights Yet on the other hand the Romanian central power used the region as an instrument of political and social integration for the Hungarian minority into the communist state The management of ethnic conflicts increased the ability of the PCR to control the territory and at the same time provided the ruling party with a useful precedent for the far larger nationalization of the Romanian communist regime which starting from the late 1950s resulted in ethnicized communism an aim achieved without making use of pre war nationalist discourse After the Hungarian revolution of 1956 repression affected a great number of Hungarian individuals accused of nationalism and irredentism In 1960 the HAR also suffered territorial reshaping its Hungarian born political leadership being replaced by ethnic Romanian cadres The decisive shift from a class dictatorship toward an ethnicized totalitarian regime was the product of the Gheorghiu Dej era and as such it represented the logical outcome of a long standing ideological fouling of Romanian communism and more traditional state building ideologies **Engineering Communism** Steven T. Usdin,2008-10-01 Engineering Communism is the fascinating story of Joel Barr and Alfred Sarant dedicated Communists and members of the Rosenberg spy ring who stole information from the United States during World War II that proved crucial to building the first advanced

weapons systems in the USSR On the brink of arrest they escaped with KGB's help and eluded American intelligence for decades Drawing on extensive interviews with Barr and new archival evidence Steve Usdin explains why Barr and Sarant became spies how they obtained military secrets and how FBI blunders led to their escape He chronicles their pioneering role in the Soviet computer industry including their success in convincing Nikita Khrushchev to build a secret Silicon Valley The book is rich with details of Barr's and Sarant's intriguing and exciting personal lives their families as well as their integration into Russian society Engineering Communism follows the two spies through Sarant's death and Barr's unbelievable return to the United States

The Dictators: Hitler's Germany, Stalin's Russia Richard Overy, 2006-01-17 A book of great importance it surpasses all others in breadth and depth Commentary If the past century will be remembered for its tragic pairing of civilized achievement and organized destruction at the heart of darkness may be found Hitler Stalin and the systems of domination they forged Their lethal regimes murdered millions and fought a massive deadly war Yet their dictatorships took shape within formal constitutional structures and drew the support of the German and Russian people In the first major historical work to analyze the two dictatorships together in depth Richard Overy gives us an absorbing study of Hitler and Stalin ranging from their private and public selves their ascents to power and consolidation of absolute rule to their waging of massive war and creation of far flung empires of camps and prisons The Nazi extermination camps and the vast Soviet Gulag represent the two dictatorships in their most inhuman form Overy shows us the human and historical roots of these evils

Wicked Times Aaron Kramer, 2004 This is the collected work of a major versatile American poet passionately engaged with everything from the Holocaust and the Spanish Civil War to his love for New York City and his wife The editors argue that his long poem sequence *Denmark Vesey* stands as the most ambitious poem about African American history ever written by a white American *Wicked Times* includes previously unpublished poems and the first detailed account of Kramer's life along with photos and extensive explanatory notes

Stalin, Mao, Communism, and their 21st-Century Aftermath in Russia and China Miguel A. Faria, Jr., 2024-01-17 This book describes salient and momentous events as well as gruesome episodes in the history of communism under Joseph Stalin in the Soviet Union and Mao Tse tung in China and narrates succinctly the historic major happenings that have taken place since that time up to the 21st century such as hostilities espionage and actual confrontations occurrences that have affected relations between those two nations vis vis the West and the United States The author corrects the historic record where it needs amending given new information that has come to light and redresses political biases that have arisen and to which none of us are immune This book serves as a sincere warning about the evils not only of the full blown imposition of totalitarianism via revolution but also of the implementation of socialism and authoritarianism via evolution asserting that full economic and political freedom is always best

A History of the Jews in the Modern World Howard M. Sachar, 2006-09-12 The distinguished historian of the Jewish people Howard M Sachar gives us a comprehensive and enthralling chronicle of the achievements and traumas of

the Jews over the last four hundred years Tracking their fate from Western Europe's age of mercantilism in the seventeenth century to the post Soviet and post imperialist Islamic upheavals of the twenty first century Sachar applies his renowned narrative skill to the central role of the Jews in many of the most impressive achievements of modern civilization whether in the rise of economic capitalism or of political socialism in the discoveries of theoretical physics or applied medicine in higher literary criticism or mass communication and popular entertainment As his account unfolds and moves from epoch to epoch from continent to continent from Europe to the Americas and the Middle East Sachar evaluates communities that until lately have been underestimated in the perspective of Jewish and world history among them Jews of Sephardic provenance of the Moslem regions and of Africa By the same token Sachar applies a master's hand in describing and deciphering the Jews' unique exposure and functional usefulness to totalitarian movements fascist Nazi and Stalinist In the process he shines an unsparing light on the often widely dissimilar behavior of separate European peoples and on separate Jewish populations during the Holocaust A distillation of the author's lifetime of scholarly research and teaching experience *A History of the Jews in the Modern World* provides a source of unsurpassed intellectual richness for university students and educated laypersons alike

Lenin, Stalin, and Hitler Robert Gellately, 2009-11-11 A bold new accounting of the great social and political upheavals that enveloped Europe between 1914 and 1945 from the Russian Revolution through the Second World War In *Lenin Stalin and Hitler* acclaimed historian Robert Gellately focuses on the dominant powers of the time the Soviet Union and Nazi Germany but also analyzes the catastrophe of those years in an effort to uncover its political and ideological nature Arguing that the tragedies endured by Europe were inextricably linked through the dictatorships of Lenin Stalin and Hitler Gellately explains how the pursuit of their utopian ideals turned into dystopian nightmares Dismantling the myth of Lenin as a relatively benevolent precursor to Hitler and Stalin and contrasting the divergent ways that Hitler and Stalin achieved their calamitous goals Gellately creates in *Lenin Stalin and Hitler* a vital analysis of a critical period in modern history

The Pius War Joseph Bottum, David G. Dalin, 2010-03-16 In the brutal fight that has raged in recent years over the reputation of Pope Pius XII leader of the Catholic Church during World War II the Holocaust and the early years of the Cold War the task of defending the Pope has fallen primarily to reviewers These reviewers formulated a brilliant response to the attack on Pius but their work was scattered in various newspapers magazines and scholarly journals making it nearly impossible for the average reader to gauge the results In *The Pius War* Weekly Standard's Joseph Bottum has joined with Rabbi David G Dalin to gather a representative and powerful sample of these reviews deliberately chosen from a wide range of publications Together with a team of professors historians and other experts the reviewers conclusively investigate the claims attacking Pius XII *The Pius War* and a detailed annotated bibliography that follows will prove to be a definitive tool for scholars and students destined to become a major resource for anyone interested in questions of Catholicism the Holocaust and World War II

Stalin as Warlord Alfred J. Rieber, 2022-01-01 An authoritative account of Stalin as a wartime leader

showing how his paradoxical policies of mass mobilization and repression affected all aspects of Soviet society A superb new history Rieber analyses with clarity the impact of the war Wendy Slater Times Literary Supplement The Second World War was the defining moment in the history of the Soviet Union With Stalin at the helm it emerged victorious at a huge economic and human cost But even before the fighting had ended Stalin began to turn against the architects of success In this original and comprehensive study Alfred J Rieber examines Stalin as a wartime leader arguing that his policies were profoundly paradoxical In preparation for the war Stalin mobilized the whole of Soviet society in pursuit of his military goals and intensified the centralization of his power Yet at the same time his use of terror weakened the forces vital to the defense of the country In his efforts to rebuild the country after the devastating losses and destruction he suppressed groups that had contributed immeasurably to victory His steady ruthless leadership cultivated a legacy that was to burden the Soviet Union and Russia to the present day
