Stalking Lamb:

Stalking Bran Nicol, 2006-11-15 Bran Nicol chronicles the history of stalking showing how acts of extreme obsession have created a public fixation of their own Stalking the Herd Christopher O'Brien, 2020-02-01 Who or What is Behind the Cattle Mutilations The cattle mutilation phenomenon is an ongoing mystery that has endured for almost 50 years What have we learned if anything from the countless reports filed Who or what is behind the death and disfigurement of livestock reported as mutilated around the globe Are these deaths simply attributable to natural predators and scavengers Or is the military government somehow involved perhaps monitoring mad cow disease Are the deaths the action of ritual cultists as police say the evidence would suggest Is it possible that alien predators are involved as some researchers and the media have suggested Are black helicopters or UFOs related to the cattle mutilation phenomenon as many witnesses have claimed Regardless of who or what is responsible what are the motivations behind perpetrating what may be the greatest unsolved serial crime spree of all time Stalking the Herd addresses these questions in depth and also offers an objective look at the history of our venerated relationship with cattle the first domesticated livestock Is there a connection between these ritualistic cattle deaths and humankind's ancient practice of animal sacrifice Why are there no Brahman cattle mutilations in India where cattle are revered to this day Are aliens gathering genetic material for unknown purposes What about the thousands of pounds of scientific forensic evidence Are some hidden sections of the military conducting secret projects that for some reason known only to them involve the mutilation of hundreds of cattle in an area that includes Colorado Springs the NORAD command base inside Cheyenne Mountain and the strange little town called Dulce on a small Apache Reservation
