Kell, 2009 The struggle for control of the Southern Baptist Convention which was publicly launched in 1979 and concluded in the 1990s marked an unprecedented turning point in the history of the denomination Just as a new millennium was dawning everything in the denomination was different its priorities its policies and its personalities The conservatives had come decisively to the fore and those Baptists labeled as moderates found themselves largely exiled from the religious communities that had formed them and to which they had given their lives Using rhetorical and historical analysis to illuminate the role of the Baptist moderates and the schisms that led to their banishment Carl Kell argues that the twenty first century Baptist diaspora originated in an unintended fashion after World War II Birthed in a postwar revival movement at Baylor University in Waco Texas young men and women with little or no training in preaching and religious organization became the progenitors of a distinctive community of moderate believers Armed with a spirit of evangelism and missions fueled by a rhetoric of freedom these men and women would be among the first exiles and martyrs of the fundamentalist takeover that occurred years later As he probes the rhetoric that defined the moderate voice in Southern Baptist life Kell also shows how the rise of a conservative counter rhetoric associated with biblical inerrancy and related doctrines came into play to exclude and divide members of the convention Complementing Kell's text are contributions by several other prominent observers of the Southern Baptist holy wars among them William Hull Bill Leonard and Duke McCall The end result is a unique and penetrating examination of not only where the Baptist moderates came from but where they are headed and how they will get there Carl Kell is professor of communication at Western Kentucky University He is the editor of Exiled Voices of the Southern Baptist Convention Holy War and coauthor with Raymond Camp of In the Name of the Father The Rhetoric of the New Southern Baptist Convention Against the Wind Markus Baum, 1998 Against the Wind gives flesh blood and personality to Eberhard Arnold a man whose contagious faith sparked a movement of practical Christian community The Bruderhof Arnold's legacy carries on his commitment to integrate faith and action in today's world Against the Wind Kat Martin, 2020-12-29 She has nowhere else to turn Against the Wind by New York Times bestselling author Kat Martin When her husband is murdered and his associates come looking for her and her daughter Holly Sarah Allen has one place left to go Wind Canyon Wyoming to find rancher Jackson Raines Jackson's never forgotten the beautiful girl he knew in high school So when Sarah's enemies show up he's determined to protect Sarah and Holly and prove to them that they've finally found their way home FREE BONUS STORY INCLUDED IN THIS VOLUME Savior in the Saddle by USA TODAY bestselling author Delores Fossen Pregnant and alone Willa Marks can't remember anything beyond two months ago What she does know is that she can't trust the police to keep her safe So when two cops appear at her door all she can think about is escape But instinct tells her to trust one of them Sheriff Brandon Ruiz claims to be Willa's ex boyfriend He thinks if she regains her memory she'll be safe But he's wrong Against the Wind Neal

Gabler, 2023-11-21 New York Times Book Review Editors Choice From the author of *Catching the Wind* comes the second volume of the definitive biography of Ted Kennedy and a history of modern American liberalism. Magisterial, an intricate, astute study of political power brokering comparable to Robert A. Caro's profile of Lyndon Johnson in *Master of the Senate*. Publishers Weekly starred review. *Against the Wind* completes Neal Gabler's magisterial biography of Ted Kennedy but it also unfolds the epic tragic story of the fall of liberalism and the destruction of political morality in America. With Richard Nixon having stilled the liberal wind that once propelled Kennedy's and his fallen brothers' political crusades, Ted Kennedy faced a lonely battle. As Republicans pressed Reaganite dogmas of individual freedom and responsibility and Democratic centrists fell into line, Kennedy was left as the most powerful voice legislating on behalf of those society would neglect or punish: the poor, the working class, and African Americans. Gabler shows how the fault lines that cracked open in the wake of the Civil Rights movement and Vietnam were intentionally widened by Kennedy's Republican rivals to create a moral vision of America that stood in direct opposition to once broadly shared commitments to racial justice and economic equality. Yet even as he fought this shift, Ted Kennedy's personal moral failures in this era—the endless rumors of his womanizing and public drunkenness and his bizarre behavior during the events that led to rape accusations against his nephew William Kennedy Smith—would be used again and again to weaken his voice and undercut his claims to political morality. Tracing Kennedy's life from the wilderness of the Reagan years through the compromises of the Clinton era, from his rage against the craven cruelty of George W. Bush to his hope that Obama would deliver on a lifetime of effort on behalf of universal health care, Gabler unfolds Kennedy's heroic legislative work against the backdrop of a nation grown lost and fractured. In this outstanding conclusion to the saga that began with *Catching the Wind*, Neal Gabler offers his inimitable insight into a man who fought to keep liberalism alive when so many were determined to extinguish it. *Against the Wind* sheds new light both on a revered figure in the American Century and on America's current existential crisis.

Beating against the Wind Calvin Hollett, 2016-05-01 There are many analyses of Tractarianism, a nineteenth-century form of Anglicanism that emphasized its Catholic origins, but how did people in the colonies react to the High Church movement? *Beating against the Wind*, a study in nineteenth-century vernacular spirituality, emphasizes the power of faith on a shifting frontier in a transatlantic world. Focusing on people living along the Newfoundland and Labrador coast, Calvin Hollett presents a nuanced perspective on popular resistance to the colonial emissary Bishop Edward Feild and his spiritual regimen of order, silence, and solemnity. Whether by outright opposing Bishop Feild or by simply ignoring his wishes and views, or by brokering a hybrid style of Gothic architecture, the people of Newfoundland and Labrador demonstrated their independence in the face of an attempt at hierarchical ascendancy upon the arrival of Tractarianism in British North America. Instead, they continued to practise evangelical Anglicanism and participate in Methodist revivals, and thereby negotiated a popular Protestantism, one often infused with the spirituality of other seafarers from Nova Scotia and New England. Exploring the interaction between popular spirituality and religious authority,

Beating against the Wind challenges the traditional claim of Feild's success in bringing Tractarianism to the colony while exploring the resistance to Feild's initiatives and the reasons for his disappointments A Conscientious Life (Sailing Against the Wind) Jeffrey C. McAndrew, 2011-09-28 In his first book Jeffrey helped hundreds of families dealing with the autism diagnosis and provided his own personal strategies for coping giving personal examples and doing extensive research on possible cures In his new book A Conscientious Life Jeffrey submits a semi autobiographical account of a young man Jonathan Stark and his life struggles including his struggles with having an autistic child Steven The author also explores the subjects of religion politics love and loss Here are some reviews of the new book The book weaves a compelling story line that certainly engaged me I think the author's imagery is colorful and capturing Dr Darold Treffert Author and Autism Expert Fond du Lac Wisconsin I think the dramatic arc has to do with the main character's honesty genuine heart and naivety confronting a cruel and unfeeling world and the challenge to incorporate that new sense of realism into his world while still retaining and even deepening the main character's humane way of being in the world and with others around him The razor's edge of that confrontation would seem to be the foreshadowed and unexpected burden of living with autistic child Fred Hersom longtime friend and musician Concord California Overall the book is an excellent read Since it covers many parts of life it has a very wide appeal Those who would enjoy this book would be those who are very politically active or spend their time keeping informed those who have had trouble relating to their parents those who have felt any uncertainty in their lives those who have had to deal with the grief of their parents deaths and finally those who are the parent of a child with autism James Williams autism writer and nationally known speaker Chicago Illinois Here are some reviews of the new book The book weaves a compelling story line that certainly engaged me I think the author's imagery is colorful and capturing Dr Darold Treffert Author and Autism Expert Fond du Lac Wisconsin I think the dramatic arc has to do with the main character's honesty genuine heart and naivety confronting a cruel and unfeeling world and the challenge to incorporate that new sense of realism into his world while still retaining and even deepening the main character's humane way of being in the world and with others around him The razor's edge of that confrontation would seem to be the foreshadowed and unexpected burden of living with autistic child Fred Hersom longtime friend and musician Concord California Overall the book is an excellent read Since it covers many parts of life it has a very wide appeal Those who would enjoy this book would be those who are very politically active or spend their time keeping informed those who have had trouble relating to their parents those who have felt any uncertainty in their lives those who have had to deal with the grief of their parents deaths and finally those who are the parent of a child with autism James Williams autism writer and nationally known speaker Chicago Illinois It has such a powerful voice most people would love to be able to write a book with your talents Maeve Quinn former Sheboygan School Board member and community leader The author shows a tremendous ability to capture the human condition His work takes us from early stages in life through college years and the loss of a close family member and beyond We can all relate to this
