The Man Who Would Marry Susan Sontag Edward Field, 2007-04-02 Long before Stonewall young Air Force veteran Edward Field fresh from combat in WWII threw himself into New York's literary bohemia searching for fulfillment as a gay man and poet In this vivid account of his avant garde years in Greenwich Village and the bohemian outposts of Paris's Left Bank and Tangier where you could write poetry be radical and be openly gay Field opens the closet door to reveal as never been seen before some of the most important writers of his time Here are young beautiful Susan Sontag sitting at the feet of her idol Alfred Chester who shrewdly plotted to marry her May Swenson and her two loves Paul and Jane Bowles in their ambiguous marriage Frank O'Hara in and out of bed Fritz Peters the anointed son of Gurdjieff and James Baldwin Isabel Miller Patience and Sarah Tobias Schneebaum Robert Friend and many others With its intimate portraits Field's memoir brings back a forgotten era postwar bohemia bawdy comical romantic sad and heroic *The Boy Who Lives Next Door, And All His Friends* DDJ, 2013-10-01 Most people are unaware of just how many children there are with special needs Perhaps the worst part about this is that most of these children do not seem any different from any other kid outwardly In this book the author explores her first hand experience with children whose friends family and neighbors have no idea just what is going on in the minds of a child with special needs By having the children write about their own first hand experiences in their own voice the author is shedding light on what is for most people still a taboo and unknown subject So come Meet the boy next door He's just like you and me only a little different **Friend Like Me (Unedited Screenplay) , Stand-Up Preaching** Jacob D. Myers, 2022-10-06 Few vocations share more in common with preaching than stand up comedy Each profession demands attention to the speaker's bodily and facial gestures tone and inflection timing and thoughtful engagement with contemporary contexts Furthermore both preaching and stand up arise out of creative tension with homiletic or comedic traditions respectively Every time the preacher steps into the pulpit or the comedian steps onto the stage they must measure their words and gestures against their audience's expectations and assumptions They participate in a kind of dance that is at once choreographed and open to improvisation It is these and similar commonalities between preaching and stand up comedy that this book engages Stand Up Preaching does not aim to help preachers tell better jokes The focus of this book is far more expansive Given the recent popularity of comedy specials preachers have greater access to a broad array of emerging comics who showcase fresh comedic styles and variations on comedic traditions Coupled with the perennial Def Comedy Jams on HBO preachers also have ready access to the work of classic comics who have exhibited great storytelling and stage presence This book will offer readers tools to discern what is homiletically significant in historical and contemporary stand up routines equipping them with fresh ways to riff off of their respective preaching traditions and nuanced ways to engage issues of contemporary sociopolitical importance Dying: Or Learning to Live? Day Christopher Day, Christopher Day, 2010-06 Can terminal illness ever be fun At the peak of his career as an eco architect Christopher Day

developed Motor Neurone Lou Gehrig's Disease Initially the future seemed bleak but as the illness progressed his attitude changed The more things went wrong the more hilarious life became He began to appreciate the gifts illness has brought my Dying is Fun is for anyone or anyone who knows anyone who might one day die Especially it's for anyone who needs to laugh This book transforms disability and dying into a testament for life This is a unique work Although suffering from one of the most severe of degenerative diseases the fire of his creative spirit is very inspiring His writing laced with side splitting humour is as vivid as ever So witty acute in observation and wise that I still chortle while remembering scenes read from the first draft three years ago It is also deeply poignant A valuable book to share with others a masterpiece Sarida Brown Cadeceus When my father was diagnosed with Motor Neurone Disease the devastating effects this terminal illness has arrived in our home However MND also seems to evoke the best in the human spirit in a positive way This book is truly inspirational and fundamentally human in its words and spirit As an observation on dying it is really a lesson in life and I can warmly recommend it Lembit pik President Motor Neurone Disease Association Christopher Day is able to maintain his positive outlook and a sense of humour in the depth of adversity He has transformed the curse of his terminal illness into a spiritual gift This is truly an inspiring book Satish Kumar Resurgence Essential reading for all health and social care providers Dr Susan Closs Ty Olwen Hospice Morriston Hospital

Howell, 2015-10-19 Hey Trackers I'm River part hound dog and a whole lot Cherokee as my frenemy Kat says I've been showing Kat how to track animals all summer long even though we argue about everything under the sun When we find a buried map in a cave while waiting for a storm to pass it thrusts us into the adventure of our lives But hunting for possible treasure puts our already fragile friendship to the test Can you imagine if we did find loot like a chest of gold or something way cool like that Kat could take in rescue horses at her parents farm and I could buy this awesome colt Flash I love so much While searching for untold riches we also have to deal with bullies competing clubs farm duties frisky horses and ferocious beasts that can claw your heart out Will this treacherous journey turn us into good friends or make us mortal enemies forever Join us in our heart pounding quest while we try to not break our bones or our spirits [Friends' Intelligencer](#), 1861 **Eetoo** Robby Charters, 2009-11-10 His mission is to leave this planet and search for answers that can only be found on the planet of humanity's birth But nobody he knows has ever seen a ship that can sail to the stars the kind their forefathers arrived on Eetoo is an orphan caring for the small flock of sheep he inherited from his parents The only one he's close to Venerable Too Dah who taught him to read the ancient tablets now tells him he must find his way to the planet of Humanity's birth and find the golden tablets that will complete their knowledge of truth His own dreams also confirm it But how He unexpectedly meets someone who gives him a lift off his planet and his journey begins On his search he discovers how evil the ancient humans were who first left Earth to
