Keown, 2024-03-11 This commentary of Galatians is a thorough examination of the text of the letter by Mark J Keown It includes an introduction to the letter and a verse by verse analysis of Paul's letter It is designed to be a readable thorough exploration of Galatians without being overly laden with engagement with secondary literature The Greek of Galatians is transliterated throughout the commentary including in the translations making the Greek accessible to all readers The real emphasis is engagement with the text the meaning of the Greek especially in regards to primary sources and the flow of Paul's argument against the Judaizers challenging his churches Yet as is usual in Mark Keown's work it is all presented in an easily understandable and readable way At points the author pauses to share a personal story or two adding flavor to the commentary While it is comprehensive and thorough It is ideal for preachers who are looking to really grapple with the meaning of Galatians for Christians today Special emphasis is given to Paul's summons in the letter that readers live by faith and not works and embrace God's call in the gospel to lay aside all forms of prejudice under God's reign In the discussion of Galatians 5 in depth consideration is given to the ethical issues it raises a helpful tool for Christians grappling with how to live by the Spirit in a twenty first century world full of challenges
