Stand Still...Savage Time:

Stand Still...Savage Time Toni Faye,2004 A distant storm is approaching the wind pulls loose Jacob s black hair from its leather binding whips it wildly around his face as he kneels by his wife s grave But in the blink of an eye the cemetery vanishes and his surroundings appear to look as they had hundreds of years ago As in slow motion he watches in terror as the flowers he placed on the cold wet earth of the grave now rest on cold flesh With trembling hands that no longer ache with age he touches what cannot be reality a naked young woman tortured and staked to the ground She moans His life is about to begin

Welcome to Tranquillity David Kavanagh,2014-09-02 A childhood game ends in tragedy Social unrest explodes on the streets of Dublin An undercover cop is forced to leave his safe haven and confront the ghosts from his past And in the bowels of the nations highest security prison the institutions most infamous resident stirs in his cell His rage builds as he dissects the circumstances of his incarceration The thought of revenge consumes him of death to the one who betrayed him Little does he know that events in Tranquillity will soon give him the opportunity he craves

Faculty of Murder June Wright,2022-03-22 Mother Paul June Wright s beloved nun detective returns to her sleuthing ways after she takes up a new position as warden of a student hall of residence at the University of Melbourne No sooner has Judith Mornane arrived on campus than she startles her fellow residents by announcing her intention to discover the murderer of her sister who disappeared from the same dorm a year earlier The ever curious Mother Paul is drawn to investigate what happened to Judith s sister did she simply run off for reasons best known to herself as the police concluded or could it be she really was murdered Was her disappearance perhaps linked to a tragedy that happened at around the same time the accidental drowning in her bathtub of the wife of one of the college s professors Was that drowning in fact as accidental as the official investigation suggested Mother Paul believes the two events are connected somehow and a further tragedy the faked suicide death of one of her student charges convinces her that a particularly cruel and clever murderer is still at work within the college She is not above a little subterfuge in the interest of discovering the truth and moves her colleagues the students and even the police around like so many figures on a chessboard until finally amid high drama the murderer is revealed
