The Hayes Tilden Election Of 1876 A Disputed Presidential Election In The Gilded Age

Jeremi Suri

The Hayes Tilden Election Of 1876 A Disputed Presidential Election In The Gilded Age:

The Hayes-Tilden Election of 1876 Harold Cecil Vaughan,1972 Describes the political climate and the campaign and election events that made the 1876 Presidential election one of the most highly disputed in the Nation s history **The Great Sweepstakes of 1877** Mark Shrager,2016-04-01 In 1877 the members of the United States Senate postponed all business for the day so that they might attend a horse race the iconic polarizing post Civil War event at the center of this story The nation still recovering from the depredations of the Civil War and the Reconstruction that followed recognized it as a North vs South encounter pitting New York s powerful thoroughbred Tom Ochiltree and New Jersey s Parole owned by the ostentatious Northern tycoons Pierre and George Lorillard against the already legendary Kentucky crack Ten Broeck owned by the teetotaling plain living Frank Harper and ridden by black jockey and former slave William Walker representing a former slave state and its Southern values The race and the colorful cast of characters involved reflected the still seething America during one of the nation s most difficult and divisive periods Shrager presents a fascinating and heart pounding piece of history exposing the racial and economic tensions following the Civil War that culminated in one final race to the end

Encyclopedia of the Gilded Age and Progressive Era John D. Buenker,Joseph Buenker,2021-04-14 Spanning the era from the end of Reconstruction 1877 to 1920 the entries of this reference were chosen with attention to the people events inventions political developments organizations and other forces that led to significant changes in the U S in that era Seventeen initial stand alone essays describe as many themes *The First Kentucky Derby* Mark Shrager,2023-05-01 Today s Kentucky Derby is a multimillion dollar spectacle involving corporate sponsorship worldwide media coverage and an annual citywide festival in Louisville Over its nearly century and a half history the Kentucky Derby has grown to be one of the biggest sporting events of the year attracting 150 000 spectators at the track and nearly 15 million television viewers on the first Saturday each May But 1875 the year of the first Derby was a different time The Louisville Jockey Club track which would one day bear the name Churchill Downs was a small structure that might on its best day provide seating and standing room for 12 000 spectators The grandstand was plain and functional and included a section reserved for bookmakers whose trade was legal and who operated in the open Perhaps most significantly the majority of jockeys in the race were Black in stark contrast to the present day Derby where participation by African American jockeys is rare In *The First Kentucky Derby* racing historian Mark Shrager examines the events leading up to the first Run for the Roses the unsuccessful effort that the winning owner might have made to rig the race for his preferred horse and the prominent role played by African Americans in Gilded Age racing culture a holdover from pre emancipation days when slaves were trained from birth to ride for their wealthy owners and grew up surrounded by the horses that would be their life s work *A Companion to the Gilded Age and Progressive Era* Christopher McKnight Nichols,Nancy C. Unger,2022-06-15 *A Companion to the Gilded Age and Progressive Era* presents a collection of new historiographic essays covering the years between 1877 and 1920 a period which saw the U

S emerge from the ashes of Reconstruction to become a world power The single definitive resource for the latest state of knowledge relating to the history and historiography of the Gilded Age and Progressive Era Features contributions by leading scholars in a wide range of relevant specialties Coverage of the period includes geographic social cultural economic political diplomatic ethnic racial gendered religious global and ecological themes and approaches In today s era often referred to as a second Gilded Age this book offers relevant historical analysis of the factors that helped create contemporary society Fills an important chronological gap in period based American history collections

President-Making in the Gilded Age Stan M. Haynes, 2015-11-27 Nominating conventions were the highlight of presidential elections in the Gilded Age an era when there were no primaries no debates and nominees did little active campaigning Unlike modern conventions the outcomes were not so seemingly predetermined Historians consider the late 19th century an era of political corruption when party bosses controlled the conventions and chose the nominees Yet the candidates nominated by both Republicans and Democrats during this period won despite the opposition of the bosses and were opposed by them once in office This book analyzes the pageantry drama speeches strategies platforms deal making and often surprising outcomes of the presidential nominating conventions of the Gilded Age debunking many wildly held beliefs about politics in a much maligned era

God's Man for the Gilded Age Bruce J. Evensen, 2003-09-25 At his death on the eve of the 20th century D L Moody was widely recognized as one of the most beloved and important of men in 19th century America A Chicago shoe salesman with a fourth grade education Moody rose from obscurity to become God s man for the Gilded Age He was the Billy Graham of his day indeed it could be said that Moody invented the system of evangelism that Graham inherited and perfected Bruce J Evensen focuses on the pivotal years during which Moody established his reputation on both sides of the Atlantic through a series of highly popular and publicized campaigns In four short years Moody forged the bond between revivalism and the mass media that persists to this day Beginning in Britain in 1873 and extending across America s urban landscape first in Brooklyn and then in Philadelphia New York Chicago and Boston Moody used the power of prayer and publicity to stage citywide crusades that became civic spectacles Modern newspapers in the grip of economic depression needed a story to stimulate circulation and found it in Moody s momentous mission The evangelist and the press used one another in creating a sense of civic excitement that manufactured the largest crowds in municipal history Critics claimed this machinery of revival was man made Moody s view was that he d rather advertise than preach to empty pews He brought a businessman s common sense to revival work and became much against his will a celebrity evangelist The press in city after city made him the star of the show and helped transform his religious stage into a communal entertainment of unprecedented proportions In chronicling Moody s use of the press and their use of him Evensen sheds new light on a crucial chapter in the history of evangelicalism and demonstrates how popular religion helped form our modern media culture

Why the Electoral College Is Bad for America George C. Edwards III, 2023-11-23 The electoral college is the extraordinarily complex mechanism by which Americans choose their

president Is there any justification for such a system which may elect the candidate who does not receive the most votes Today with two of the last five presidential elections having gone to the popular vote loser and the debacle following the 2020 election the electoral college s flaws are more apparent than ever In this fourth edition of the definitive book on the electoral college George Edwards employs rigorous analysis and systemic data to show how the system violates core democratic principles and does not provide the benefits its advocates claim With a new chapter focusing on the 2020 election Edwards addresses justifications for the electoral college that were popular among Trump supporters following the 2016 and 2020 elections Edwards concludes by offering a straightforward approach to selecting the president that maximizes political equality

A Companion to the Reconstruction Presidents, 1865 - 1881 Edward O. Frantz, 2014-03-24 A Companion to Reconstruction Presidents presents a series of original essays that explore a variety of important issues themes and debates associated with the presidencies of Andrew Johnson Ulysses S Grant and Rutherford B Hayes Represents the first comprehensive look at the presidencies of Johnson Grant and Hayes in one volume Features contributions from top historians and presidential scholars Approaches the study of these presidents from a historiographical perspective Key topics include each president s political career foreign policy domestic policy military history and social context of their terms in office

Presidential Misconduct James M. Banner Jr., 2019-07-02 Named a best book of the year by The Economist and Foreign Affairs A whole book devoted exclusively to the misconduct of American presidents and their responses to charges of misconduct is without precedent from the introduction to the 1974 edition by C Vann Woodward Pulitzer Prize winning Yale historian The historic 1974 report for the House Committee on the Judiciary updated for today by leading presidential historians In May 1974 as President Richard Nixon faced impeachment following the Watergate scandal the House Judiciary Committee commissioned a historical account of the misdeeds of past presidents The account compiled by leading presidential historians of the day reached back to George Washington s administration and was designed to provide a benchmark against which Nixon s misdeeds could be measured What the report found was that with the exception of William Henry Harrison who served less than a month every American president has been accused of misconduct James Buchanan was charged with rigging the election of 1856 Ulysses S Grant was reprimanded for not firing his corrupt staffer Orville Babcock in the Whiskey Ring bribery scandal and Franklin D Roosevelt s administration faced repeated charges of malfeasance in the Works Progress Administration Now as another president and his subordinates face an array of charges on a wide range of legal and constitutional offenses a group of presidential historians has come together under the leadership of James M Banner Jr one of the historians who contributed to the original report to bring the 1974 account up to date through Barack Obama s presidency Based on current scholarship this new material covers such well known episodes as Nixon s Watergate crisis Reagan s Iran Contra scandal Clinton s impeachment and George W Bush s connection to the exposure of intelligence secrets But oft forgotten events also take the stage Carter s troubles with advisor Bert Lance Reagan

s savings and loan crisis George H W Bush s nomination of Clarence Thomas to the Supreme Court and Obama s Solyndra loan controversy The only comprehensive study of American presidents misconduct and the ways in which chief executives and members of their official families have responded to the charges brought against them this new edition is designed to serve the same purpose as the original 1974 report to provide the historical context and metric against which the actions of the current administration may be assessed Historical Dictionary of the Gilded Age Leonard C. Schlup, James Gilbert Ryan, 2003 Covers all the people events movements subjects court cases inventions and more that defined the Gilded Age

Crawford's Consistency Henry James, 2021-04-11 In Crawford s Consistency Henry James crafts a compelling narrative that intricately examines the complexities of character and moral ambiguity within the framework of his signature psychological realism The novella encapsulates the conflict between personal ambition and ethical integrity through the lens of its protagonist who grapples with the societal expectations and inherent contradictions of love and loyalty Employing a meticulously layered prose style James intertwines vivid character sketches with nuanced dialogues reflecting his keen observations of American society and the European backdrop creating a dialogue on cultural identity and individual purpose Henry James 1843 1916 an American expatriate emerged as a pivotal figure in literature during a period marked by rapid cultural changes His experiences in both America and Europe profoundly informed his perspective on issues such as morality aesthetics and the intricacies of human relationships Crawford s Consistency showcases James s mastery in exploring the psychological depths of his characters revealing the tension between societal norms and personal desires a theme prevalent throughout his oeuvre influenced by his own life straddling two worlds This novella is highly recommended for readers interested in the psychological and moral dilemmas that shape human experiences James s exploration of consistency and its discontents invites readers to reflect on their own values and decisions making it a timeless exploration of the human condition that resonates with contemporary audiences In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing An Author Biography reveals milestones in the author s life illuminating the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read The Rise and Fall of the Second American Republic Manisha Sinha, 2024-03-26 Sinha not only has taken on this vast subject but has greatly expanded its definition both temporally and spatially She covers these difficult issues with remarkable skill and clarity S C Gwynne New York Times Book Review We are told that the present moment bears a strong resemblance to Reconstruction the era after the

Civil War when the victorious North attempted to create an interracial democracy in the unrepentant South That effort failed and that failure serves as a warning today about violent backlash to the mere idea of black equality In *The Rise and Fall of the Second American Republic* acclaimed historian Manisha Sinha expands our view beyond the accepted temporal and spatial bounds of Reconstruction which is customarily said to have begun in 1865 with the end of the war and to have come to a close when the corrupt bargain of 1877 put Rutherford B Hayes in the White House in exchange for the fall of the last southern Reconstruction state governments Sinha's startlingly original account opens in 1860 with the election of Abraham Lincoln that triggered the secession of the Deep South states and take us all the way to 1920 and the ratification of the Nineteenth Amendment which granted women the right to vote and which Sinha calls the last Reconstruction amendment Within this grand frame Sinha narrates the rise and fall of what she calls the Second American Republic The Reconstruction of the South a process driven by the alliance between the formerly enslaved at the grassroots and Radical Republicans in Congress is central to her story but only part of it As she demonstrates the US Army's conquest of Indigenous nations in the West labor conflict in the North Chinese exclusion women's suffrage and the establishment of an overseas American empire were all part of the same struggle between the forces of democracy and those of reaction The main concern of Reconstruction was the plight of the formerly enslaved but its fall affected other groups as well women workers immigrants and Native Americans From the election of black legislators across the South in the late 1860s to the Great Railroad Strike of 1877 to the colonial war in the Philippines in the 1890s Sinha narrates the major episodes of the era and introduces us to key individuals famous and otherwise who helped remake American democracy or whose actions spelled its doom A sweeping narrative that remakes our understanding of perhaps the most consequential period in American history *The Rise and Fall of the Second American Republic* shows how the great contest of that age is also the great contest of our age and serves as a necessary reminder of how young and fragile our democracy truly is

By One Vote Michael Fitzgibbon Holt, 2008 A fresh interpretation of the disputed presidential election of 1876 between Rutherford Hayes and Samuel Tilden which was characterized by allegations of election fraud and a narrow victory by a single electoral vote Many historians consider this election the precursor to the bitterly divisive 2000 Bush Gore election

Historical Dictionary of the Gilded Age T. Adams Upchurch, 2009-04-13 The Gilded Age was an important three decade period in American history It was a time of transition when the United States began to recover from its Civil War and post war rebuilding phase It was as a time of progress in technology and industry of regression in race relations and of stagnation in politics and foreign affairs It was a time when poor southerners began farming for a mere share of the crop rather than for wages when pioneers settled in the harsh land and climate of the Great Plains and when hopeful prospectors set out in search of riches in the gold fields out West The *Historical Dictionary of the Gilded Age* relates the history of the major events issues people and themes of the American Gilded Age 1869-1899 This period of unprecedented economic growth and technical advancement is chronicled in this

reference and includes a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries

Ballot Battles Edward B. Foley, 2024-05-10 Perhaps the truest test of a nation's ability to govern itself democratically is its ability to count ballots fairly and accurately in competitive high stakes elections Yet from the founding on America's adherence to this ideal has been distinctly uneven Edward Foley's *Ballot Battles* is a sweeping synthesis of the subject tracing how election controversies evolved over time from the 1780s to the present

Civil War by Other Means Jeremi Suri, 2022-10-18 The Civil War may have ended on the battlefield but the fight for equality never did In 1865 the Confederacy was comprehensively defeated its economy shattered its leaders in exile or in jail Yet in the years that followed Lincoln's vision of a genuinely united country never took root Apart from a few brief months when the presence of the Union army in the South proved liberating for newly freed Black Americans the military victory was squandered Old white supremacist efforts returned more ferocious than before In *Civil War by Other Means* Jeremi Suri shows how resistance to a more equal Union began immediately From the first postwar riots to the return of Confederate exiles to the impeachment of Andrew Johnson to the highly contested and consequential election of 1876 Suri explores the conflicts and questions Americans wrestled with as competing visions of democracy race and freedom came to a vicious breaking point What emerges is a vivid and at times unsettling portrait of a country striving to rebuild itself but unable to compromise on or adhere to the most basic democratic tenets What should have been a moment of national renewal was ultimately wasted with reverberations still felt today The recent shocks to American democracy are rooted in this forgotten urgent history

The ^AOxford Companion to United States History Paul S. Boyer, 2001-07-04 Here is a volume that is as big and as varied as the nation it portrays With over 1 400 entries written by some 900 historians and other scholars it illuminates not only America's political diplomatic and military history but also social cultural and intellectual trends science technology and medicine the arts and religion Here are the familiar political heroes from George Washington and Benjamin Franklin to Abraham Lincoln Woodrow Wilson and Franklin D Roosevelt But here too are scientists writers radicals sports figures and religious leaders with incisive portraits of such varied individuals as Thomas Edison and Eli Whitney Babe Ruth and Muhammed Ali Black Elk and Crazy Horse Margaret Fuller Emma Goldman and Marian Anderson even Al Capone and Jesse James The Companion illuminates events that have shaped the nation the Great Awakening Bunker Hill Wounded Knee the Vietnam War major Supreme Court decisions *Marbury v Madison* *Roe v Wade* landmark legislation the Fugitive Slave Law the Pure Food and Drug Act social movements Suffrage Civil Rights influential books *The Jungle* *Uncle Tom's Cabin* ideologies conservatism liberalism Social Darwinism even natural disasters and iconic sites the Chicago Fire the Johnstown Flood Niagara Falls the Lincoln Memorial Here too is the nation's social and cultural history from Films Football and the 4 H Club to Immigration Courtship and Dating Marriage and Divorce and Death and Dying Extensive multi part entries cover such key topics as the Civil War Indian History and Culture Slavery and the Federal Government A new volume for a new

century The Oxford Companion to United States History covers everything from Jamestown and the Puritans to the Human Genome Project and the Internet from Columbus to Clinton Written in clear graceful prose for researchers browsers and general readers alike this is the volume that addresses the totality of the American experience its triumphs and heroes as well as its tragedies and darker moments **The Year of the Century, 1876** Dee Brown, 2012-10-23 DIVDee Brown s sparkling account of a momentous year in American history divDIV In 1876 America was eager to celebrate its centenary but questioned what might lie ahead The American Republic had grown to four times its original population and was in the midst of enormous changes Industrialization was booming and new energy sources were being used for fuel and power People were suddenly less bound to agriculture and there were revolutions in transportation and communication It was a time of Indian wars the first stirrings of the labor movement and the burgeoning struggle form women s and other civil rights Historian Dee Brown takes the measure of America in a rare moment of reflection on the nation s past present and future divDIV divDIVThe Year of the Century was one of Brown s favorites among his works In page turning prose he tells of a tumultuous era and of a young nation taking stock divDIV divDIVThis ebook features an illustrated biography of Dee Brown including rare photos from the author s personal collection div The Republicans Lewis L. Gould, 2014 This is a new edition of the best history of the Republican party in half a century with coverage through the presidential election of 2008 It treats Republican suspicion of Democratic legitimacy as a key element in American political history
