THE IDEAS OF MODERN INDIAN

POLITICAL THINKERS ON WOMEN Dr. Meena Gaikwad, 2017-12-30 India has a long past civilization and in every stage of its history women constitute half of its population but their position in society is not the same in all the ages of history Their position has been variously estimated and diametrically opposite views are expressed regarding their place in different stages of Indian civilization Parmar 1973 Several factors including foreign invasions for centuries together social movements various geographic regions different economic occupations political stability and instability and religious affinity of the family to which woman belongs have always greatly influenced her status in the family as well as in the community Gaur 1980

Phenomenology and Indian Philosophy D. P. Chattopadhyaya, Lester Embree, Jitendranath Mohanty, 2011-05-01 This book shows the close relation between the phenomenology of the West and the phenomenological approach taken by Indian thinkers both classical and modern It illustrates that the underlying spirit of phenomenology and hermeneutics has been consciously followed by Indian philosophers for centuries and is not peculiar to Western thinkers It also shows that Edmund Husserl and K C Bhattacharyya were aware of these parallel trends of thought Phenomenology and Indian Philosophy addresses not only the basic theme of phenomenology but its aesthetic social psychological scientific and technological aspects as well
