Sri Lanka The Arrogance Of Power Myths Decadence And Murder:

Sri Lanka Rajan Hoole,2001 Covers mainly events of the post 1948 political scene in Sri Lanka **The Separatist Conflict in Sri Lanka** Asoka Bandarage,2008-11-19 The book provides a detailed historically based analysis of the origin evolution and potential resolution of the civil conflict in Sri Lanka over the struggle to establish a separate state in its Northern and Eastern provinces This conflict between the Sri Lankan government and the secessionist LTTE Liberation Tigers of Tamil Eelam is one of the world s most intractable contemporary armed struggles The internationally banned LTTE is considered the prototype of modern terrorism It is known to have introduced suicide bombing to the world and recently became the first terrorist organization ever to acquire an air force The iron law of ethnicity the assumption that cultural difference inevitably leads to conflict has been reinforced by the 9 11 attacks and conflicts like the one in Sri Lanka However the connections among ethnic difference conflict and terrorism are not automatic This book broadens the discourse on the separatist conflict in Sri Lanka by moving beyond the familiar bipolar Sinhala versus Tamil ethnic antagonism to show how the form and content of ethnicity are shaped by historical social forces It develops a multipolar analysis which takes into account diverse ethnic groups intra ethnic social class caste and other variables at the local regional and international levels Overall this book presents a conceptual framework useful for comparative global conflict analysis and resolution shedding light on a host of complex issues such as terrorism civil society diasporas international intervention and secessionism

Terror and Reconciliation Maryse Jayasuriya,2012-03-29 Terror and Reconciliation explores the English language literature that has emerged from Sri Lanka s quarter century long ethnic conflict It examines poetry short fiction and novels by both diasporic writers and writers resident in Sri Lanka Its discussion of resident Sri Lankan writers is particularly important because it calls attention to a rich and ambitious body of work that has largely been ignored in the Western academy and media until now The book outlines the ways in which a wide range of resident and diasporic writers have sought to represent the conflict mourn the violence and terror associated with the conflict and present options for reconciliation in the conflict s aftermath The writers discussed grapple with issues of terrorism human rights nationalism war democracy gender ethnicity and reconciliation making this a study of profound interest for students and scholars of South Asian literature and culture postcolonial studies race and ethnic studies women s studies and peace studies The Trauma of Terrorism Yael Danieli,2005-02-22 Learn intervention strategies to counter the effects of terrorism In the twenty first century terrorism has become an international scourge whose effect devastates individuals weakens societies and cripples nations The Trauma of Terrorism Sharing Knowledge and Shared Care An International Handbook and Shared Care provides a compreh **Loss and Hope** Peter Admirand,2014-05-22 What are the spiritual consequences of abuse and trauma Where is God How and why does such senseless suffering occur What is the relationship between loss and hope What are the benefits of examining loss and hope from an interreligious focus These are some of the questions addressed in this volume

written by leading international scholars and which also includes contributions by those who have suffered survivors of genocide and state terror Case studies of loss and hope from around the world are discussed including from the United States Ireland Sri Lanka India Iran Iraq Argentina China and Chile Religions examined include Buddhism Islam Christianity Judaism and Hinduism Three interconnected lenses are used to explore new perspectives on loss and hope survivors and victims testimony interfaith studies and ethical approaches The book highlights the need for responses to atrocity that transcend differences within gender class religion race and ethnicity The authors stress the need for partnership and dialogue from an interfaith perspective and while neither hiding nor unduly minimizing the extent of losses in the world attempt to establish an ethics of hope in the face of destabilizing losses in the realms of human rights and post conflict resolution Loss and Hope is the first book to bring together this high level and diversity of scholars living and working all over the world from different faith cultural and ethnic backgrounds examining the universal themes of loss and hope

Imperial Debris Ann Laura Stoler, 2013-05-10 Imperial Debris redirects scholarly focus away from ruins as evidence of the past to ruination as the processes through which imperial power occupies the environment and bodies and minds in the present **Theravada Buddhism and the British Encounter** Elizabeth Harris, 2006-04-18 This major new work explores the British encounter with Buddhism in nineteenth century Sri Lanka examining the way Buddhism was represented and constructed in the eyes of the British scholars officials travellers and religious seekers who first encountered it Tracing the three main historical phases of the encounter from 1796 to 1900 the book provides a sensitive and nuanced exegesis of the cultural and political influences that shaped the early British understanding of Buddhism and that would condition its subsequent transmission to the West Expanding our understanding of inter religious relations between Christians and Buddhists the book fills a significant gap in the scholarship on Theravada Buddhism in Sri Lanka by concentrating on missionary writings and presenting a thorough exploration of original materials of several important pioneers in Buddhist studies and mission studies Routledge Handbook of Asian Borderlands Alexander Horstmann, Martin Saxer, Alessandro Rippa, 2018-04-09 In Asia where authoritarian developmental states have proliferated statehood and social control are heavily contested in borderland spaces As a result in the post Cold War world borders have not only redefined Asian incomes and mobilities they have also rekindled neighbouring relations and raised questions about citizenship and security The contributors to the Routledge Handbook of Asian Borderlands highlight some of these processes taking place at the fringe of the state Offering an array of comparative perspectives of Asian borders and borderlands in the global context this handbook is divided into thematic sections including Livelihoods commodities and mobilities Physical land use and agrarian transformations Borders and boundaries of the state and the notion of statelessness Re conceptualizing trade and the economy in the borderlands The existence and influence of humanitarians religions and NGOs The militarization of borderlands Causing us to rethink and fundamentally question some of the categories of state nation and the economy this is

Brotherless Night V. V. Ganeshanathan, 2024-01-30 New York Times Book Review Editors Choice A courageous young Sri Lankan woman tries to protect her dream of becoming a doctor in this heartbreaking exploration of a family fractured by civil war Brit Bennett 1 New York Times bestselling author of The Vanishing Half This book a careful vivid exploration of what s lost within a community when life and thought collapse toward binary conflict rang softly for me as a novel for our

own country in this odd time Nathan Heller The New Yorker AN NPR BEST BOOK OF THE YEAR WINNER OF THE CAROL SHIELDS PRIZE FOR FICTION THE WOMEN S PRIZE FOR FICTION AND THE ASIAN PRIZE FOR FICTION FINALIST FOR THE MINNESOTA BOOK AWARD Jaffna 1981 Sixteen year old Sashi wants to become a doctor But over the next decade a vicious civil war tears through her home and her dream spins off course as she sees her four beloved brothers and their friend K swept up in the mounting violence Desperate to act Sashi accepts K s invitation to work as a medic at a field hospital for the militant Tamil Tigers who following years of state discrimination and violence are fighting for a separate homeland for Sri Lanka s Tamil minority But after the Tigers murder one of her teachers and Indian peacekeepers arrive only to commit further atrocities Sashi begins to question where she stands When one of her medical school professors a Tamil feminist and dissident invites her to join a secret project documenting human rights violations she embarks on a dangerous path that will change her forever Set during the early years of Sri Lanka s three decade civil war Brotherless Night is a heartrending portrait of one woman s moral journey and a testament to both the enduring impact of war and the bonds of home

Internal Self-Determination in International Law Kalana Senaratne, 2021-08-05 Internal self determination is an under explored topic in international law It is popularly understood to be a principle of relatively recent origin promoting democratic freedoms to populations and autonomy for minority groups within states It has also been viewed as a principle receiving the support of Western states in particular In this first book length critical study of the topic the reader is invited to rethink the history theory and practice of internal self determination in a complex world Kalana Senaratne shows that it is a principle of great but varied potential Internal self determination promises democratic freedoms and autonomy to peoples but it also represents an idea which is not historically new and is ultimately a principle which can be promoted for different and conflicting purposes Written in a clear and accessible style this book will be of interest to international lawyers state officials minority groups and students of law and politics

Do You Want to Be Happy and Write? Robert Lecker, 2023-09-01 Michael Ondaatje has achieved international prominence and recognition in a way that few other writers have let alone Canadian writers This popularity is most pronounced for works of historical fiction such as The English Patient winner of the Golden Man Booker Prize and In the Skin of a Lion set in 1930s Toronto shortlisted for the Governor General s Award and winner of the Canada Reads competition in 2002 But Ondaatje has been writing for over fifty years and his innovative works include some of the most accomplished poetry in the English speaking world Taking its title from a question in his poem Tin Roof Do You Want to Be Happy and Write reassesses Ondaatje s writing and the role of the poet from his troubled explorations of the self reflexive artist to his most recent novels Comprehensive in both approach and coverage this new collection offers groundbreaking analysis informed by an understanding of Ondaatje s entire oeuvre placing early poetry collections like The Collected Works of Billy the Kid and There s a Trick with a Knife I m Learning to Do alongside the full range of his novels and his extensive work as a literary editor The book highlights the transnational postcolonial and

diasporic issues that have become increasingly apparent in Ondaatje's work Contributors explore key interests that have reappeared and been rethought across his fiction and poetry the construction of identity the nature of memory and its relation to family origins and history the human body as a site of contestation and struggle the contrast between Eastern and Western values and the Southeast Asian diaspora the writer's responsibility in depictions of war psychic trauma and genocide and an ongoing fascination with the visual and the media of photography and film An eclectic celebration of an iconic author Do You Want to Be Happy and Write offers an authoritative reference point for scholars and students of literature and reveals new facets of a major author to his readers around the world *Electoral Politics in Sri Lanka* S.

Keethaponcalan,2022-07-21 This volume examines and analyses electoral politics in Sri Lanka through the theoretical framework of manipulation The following questions guided the study how do political actors manipulate elections and what are the salient features of electoral politics in Sri Lanka Primary and secondary data formed the basis of the analysis examining eight presidential elections The research findings indicated that Sri Lankan governments political parties and political leaders have taken advantage of six types of electoral manipulation including constitutional tinkering field fixing time fixing vote suppression process manipulation and resource manipulation Through a close examination of eight presidential elections research carried out for the volume found that elections are often associated with violence presidential elections are mainly a majoritarian affair in which minority communities play only a marginal role there is a significant gender imbalance as women's participation in the electoral process is very limited despite the presence of a large number of candidates contesting the election it always remains a two way race and amid extensive manipulation and other problems voter participation tends to be high This volume will be a valuable resource for students academics and researchers who focus on democracy good governance electoral studies and South Asian politics and history and will enhance the conceptual foundation of democracy advocates and activists **Religious Radicalization and Securitization in Canada and**
