Directory of Published Proceedings ,2004 *The Current Digest of the Soviet Press* ,1950 **International bibliography of research in marriage and the family** Joan Aldous,1967 Monthly Index of Russian Accessions ,1960
Women Workers in the Soviet Interwar Economy M. Ilic,1998-12-21 This book examines changes in official Soviet policy towards the labour protection of women workers 1917-41 Important legislative enactments are analysed In the 1920s emphasis was placed on the protection of female labour by the agencies responsible for regulating women's role in industrial production With the mass recruitment of women workers to the Soviet industrialisation drive by the early 1930s labour protection issues were often ignored as women were encouraged to play a more equal role in the production process Arts & Humanities Citation Index ,1996 Women in the Soviet Economy Norton T. Dodge,1966 A study sponsored by the Foreign Studies Group Office of Economic and Manpower Studies National Science Foundation and prepared under the supervision of the Department of Economics University of Maryland Bibliography p 307-320 **Women Workers in the Soviet Interwar Economy** Melanie Ilić,1998 **The British National Bibliography** Arthur James Wells,2002
Women in the Soviet Economy, Their Role in Economic, Scientific, and Technical Development Norton T. Dodge,1977 Industrialization and the Stalinist Gender System Thomas Gregory Schrand,1994 **The Politics of Female Labor in the Soviet Union** Joel C. Moses,1978 Russian Women and the End of Soviet Socialism Judith McKinney,2019-08-17 Initially expected to bring efficiency to the Russian economy and prosperity to Russian society the shock therapy of price liberalization privatization and macroeconomic stabilization introduced under Boris Yeltsin was quickly condemned as having worsened the lives of most Russians Based on conversations with more than two dozen women in a provincial Russian capital this book takes a retrospective look at these economic policies and explores how they transformed the trajectory of the lives of these women both positively and negatively in the family and in the workplace McKinney considers the everyday experiences of the women as they provided for their families established businesses travelled abroad and adjusted to the new economic political and social environment of the Late Soviet and Post Soviet era Through their divergent experiences *Russian Women and the End of Soviet Socialism* casts light on how these women view issues of gender ethnicity domestic and international politics and the end of the Soviet experiment Students and scholars across a range of disciplines including gender studies sociology economics and history will find this book of interest
Equality of Soviet Women in the Economic Sphere N. Popova,1956 **Women's Work and Wages in the Soviet Union** Alastair McAuley,2022-08-24 Originally published in 1981 this study is concerned with the extent to which the goal of sexual equality in employment as set out for example in the Soviet constitutions of 1936 or 1977 had been realised in the USSR at the time The main focus is on the nature and extent of economic inequality in the Soviet Union the subject has wider implications not only for our understanding of the USSR but also for our perceptions of the way that labour markets operate

in a more general setting The book should be of interest to feminists and labour economists as well as those with a professional interest in the Soviet Union Women Workers in the Soviet Interwar Economy Melanie Ilič,1999 Despite this the protective labour laws were never fully implemented and were irregularly enforced With the mass recruitment of women workers to the Soviet industrialisation drive by the early 1930s the abolition of Narkomtrud in 1933 and the subordination of the trade unions labour protection issues were often ignored as women were encouraged to play a more equal role in the production process *GENDER AND POLITICS IN SOVIET RUSSIA: WORKING WOMEN UNDER THE NEW ECONOMIC POLICY, 1918-1928. (VOLUMES I AND II) (WOMEN).* ELIZABETH ANN WOOD,1991 were now expected to place more emphasis than ever on organizing other women and persuading them to join the Communist Party *Women in Soviet Society* Gail Warshofsky Lapidus,1978-01-01 From the earliest years of the Soviet regime deliberate transformation of the role of women in economic political and family life aimed at incorporating female mobilization into a larger strategy of national development Addressing a neglected problem in the literature on modernization the author brings an interdisciplinary approach to the analysis of the motivations mechanisms and consequences of the official Soviet commitment to female liberation and its implications for the role of women in Soviet society today She argues that Soviet policy was shaped less by the individualistic and libertarian concerns of nineteenth century feminism or Marxism than by a strategy of modernization in which the transformation of women s roles was perceived by the Soviet leadership as the means of tapping a major economic and political resource Bringing together the available data the author analyzes the scope and limits of sexual equality in the Soviet system and at the same time places the Soviet pattern in a broader historical and comparative perspective Jacket **Women at the Gates** Wendy Z. Goldman,2002-02-25 The first social history of Soviet women workers in the 1930s **GENDER AND POLITICS IN SOVIET RUSSIA: WORKING WOMEN UNDER THE NEW ECONOMIC POLICY, 1918-1928. (VOLUMES I AND II) (WOMEN).** Elizabeth A. Wood,1991 were now expected to place more emphasis than ever on organizing other women and persuading them to join the Communist Party
