Herbert, 2017-04-10 Designed by Richmond visionary Lewis Ginter The Jefferson Hotel has been an icon in the community since 1895 From the alligators that used to roam the elegant lobby to the speakeasy housed within during Prohibition the hotel has a fascinating and unparalleled history Playing host to cultural icons like Charles Lindbergh and F Scott Fitzgerald and surviving the Great Depression and catastrophic fires the hotel has remained an important landmark throughout Richmond s history Join local historian Paul Herbert as he recounts stories of heiresses actors musicians and celebrities in this all encompassing history of The Jefferson a volume bound to delight anyone who has ever stayed within its treasured walls **Tracing Your Ancestors Through Local History Records** Jonathan Oates, 2016-02-29 Family history should reveal more than facts and dates lists of

names and places it should bring ancestors alive in the context of their times and the surroundings they knew and research into local history records is one of the most rewarding ways of gaining this kind of insight into their world That is why Jonathan Oatess detailed introduction to these records is such a useful tool for anyone who is trying to piece together a portrait of family members from the past In a series of concise and informative chapters he looks at the origins and importance of local history from the sixteenth century onwards and at the principal archives national and local those kept by government councils boroughs museums parishes schools and clubs He also explains how books photographs and other illustrations newspapers maps directories and a range of other resources can be accessed and interpreted and how they can help to fill a gap in your knowledge As well as describing how these records were compiled he highlights their limitations and the possible pitfalls of using them and he suggests how they can be combined to build up a picture of an individual a family and the place and time in which they lived

St. Augustine in the Roaring Twenties Beth Rogero Bowen, The St. Augustine Historical Society, 2012 The 1920s was a time of unprecedented growth in the nation's oldest city Fueled by a land boom that began in South Florida St Augustine was inundated with land speculators and new subdivisions The city floated a million dollar bond issue to construct the Bridge of Lions and D P Davis filled in a marshland to build the magnificent subdivision of Davis Shores A new coastal highway linked the town with beaches to the north and south and opened up St Augustine's beautiful shoreline for development All of this activity halted when the land boom collapsed in the late 1920s St Augustine in the Roaring Twenties details the roller coaster events of the city in this exciting decade The Book Lover's Guide to Florida Kevin M. McCarthy, 1992 Here is the book lover's literary tour of Florida an exhaustive survey of writers books and literary sites in every part of the state The state is divided into ten areas and each one is described from a literary point of view You will learn what authors lived in or wrote about a place which books describe the place what important movies were made there even the literary trivia which the true Florida book lover will want to know You can use the book as a travel guide to a new way to see the state as an armchair guide to a better understanding of our literary heritage or as a guide to what to read next time you head to a bookstore or library Publisher Forthcoming Books Rose Arny, 2002

Hidden History of Civil War Florida Robert Redd, 2022 At the outset of the Civil War Florida's entire population was only a bit larger than present day Gainesville Still the state played an outsized role in the conflict Floridians fought for the Union and Confederate armies Sunshine State farmers provided beef and other foodstuffs for the Confederacy rations that proved increasingly consequential as the years wore on The battles of Olustee and Natural Bridge where boys from the West Florida Seminary entered the fray helped keep Tallahassee as the only Confederate held capital east of the Mississippi River Even the conspirators involved in Lincoln's assassination wove a trail that led to Florida Publisher marketing *Social Memory and Heritage Tourism Methodologies* Stephen P. Hanna, Amy E. Potter, E. Arnold Modlin, Perry Carter, David L. Butler, 2015-02-11 The examination of social memory and heritage tourism has grown considerably over the past few decades

as scholars have critically re examined the relationships between past memories and present actions at international national and local scales Methodological innovation and reflection have accompanied theoretical advances as researchers strive to understand representations experiences thoughts emotions and identities of the various actors involved in the reproduction of social memory and heritage landscapes Social Memory and Heritage Tourism Methodologies describes and demonstrates innovations including qualitative quantitative and mixed method approaches for analysing the process and politics of remembering and touring the past through place An introductory chapter looks at the history of social memory and heritage tourism research and the particular challenges posed by these fields of study In subsequent chapters the reader is lead through the varying methodologies employed by presenting them in the context of an in depth case study from range of geographical locations The resulting volume showcases innovative research in social memory and heritage tourism and provides the reader with insights into how they can successfully conduct their own research while avoiding common pitfalls This title will be useful reading for scholars professionals and students in tourism geography anthropology and museum studies who are preparing to conduct research on the reproduction of social memory in particular landscapes and places or are interested in investigating heritage tourism practices and representations

Postcard America Jeffrey L. Meikle, 2016-01-20 This illustrated history of the colorized linen postcards of the 1930s and 40s is an incredible tour A veritable treasure trove of American culture Crave Online From the Great Depression through the early postwar years any postcard sent in America was more than likely a linen card Colorized in vivid often exaggerated hues and printed on card stock embossed with a linen like texture linen postcards celebrated the American scene with views of majestic landscapes modern cityscapes roadside attractions and other notable features These colorful images portrayed the United States as shimmering with promise quite unlike the black and white worlds of documentary photography or Life magazine Linen postcards were enormously popular with close to a billion printed and sold Postcard America offers the first comprehensive study of these cards and their cultural significance Drawing on the production files of Curt Teich Co of Chicago the originator of linen postcards Jeffrey L Meikle reveals how photographic views were transformed into colorized postcard images often by means of manipulation adding and deleting details or collaging bits and pieces from several photos He presents two extensive portfolios of postcards landscapes and cityscapes that comprise a representative iconography of linen postcard views For each image Meikle explains the postcard s subject describes aspects of its production and places it in social and cultural contexts In the concluding chapter he shifts from historical interpretation to a contemporary viewpoint considering nostalgia as a motive for collectors and others who are fascinated today by these striking images

Tourism and the Power of Otherness David Picard, Michael A. Di Giovine, 2014-01-09 This book explores the paradoxes of Self Other relations in the field of tourism It particularly focuses on

the power of different forms of Otherness to seduce and to disrupt and eventually also to renew the social and cosmological orders of modern culture and everyday life Drawing on a series of ethnographic case studies the contributors investigate the production socialisation and symbolic encompassment of different Others as a political and also an economic resource to govern social life in the present The volume provides a comparative inductive study on the modernist philosophical concepts of time Otherness and the self in practice and relates it to contemporary tourism and mobility

Florida Oranges Erin Thursby, 2021-04-13 A vibrant history of Florida's horticultural heritage and the colorful personalities who made the state synonymous with citrus In the 16th century Ponce de Leon planted the first orange groves in St Augustine Florida They were the precursor to what would become an integral part of Florida's identity Orange groves slowly spread across the state inspiring agricultural innovations and manufacturing ingenuity Now Florida food writer Erin Thursby reveals the surprisingly colorful history of Florida's most famous crop Discover the story behind Deland's eccentric citrus wizard Lue Gim Gong the rise and fall of smuggler Jesse Fish and the silver tongued politician William J Howey who made his fortune selling plots of groveland through the 1920s Celebrate the heyday of orange tourism and the farmers who weathered freezes floods and citrus greening From the old roots of orange cultivation in Northeast Florida to the new center of oranges in the Southwest Thursby offers a unique historical tour of the Sunshine State

Daytona Beach, Florida Dale Cambre, 1998 From the 1890s through the 1920s the postcard was an extraordinarily popular means of communication and many of the postcards produced during this golden age can today be considered works of art Postcard photographers traveled the length and breadth of the nation snapping photographs of busy street scenes documenting local landmarks and assembling crowds of friends and neighbors only too happy to pose for a picture These images printed as postcard and sold in general stores across the country survive as telling reminders of an important era in America's history

Subject Guide to Books in Print, 1991 *The Spirit and the Letter* Paul S. Fiddes, Günter Bader, 2013-08-01 Paul's statement that letter kills but the spirit gives life 2 Corinthians 3:6 has had an extraordinary impact on Christian thought through the ages It has been read both as affirming the saving power of the new covenant in comparison to the old and as a key to hidden spiritual meanings in the text of scripture It is however an ambiguous phrase followed by a tangled story This book explores the Pauline distinction both in its original context and in its aftermath in the early church the Reformation and modern Biblical Studies It then considers a postmodern reversal where ideas of Spirit are often seen as deadly and the openness of the letter or text as life affirming and draws conclusions for Spirit in the world

Wish You Were Here-- Jack Hiddlestone, 1997 The Mediterranean in History David Abulafia, 2003 Contained in this history of the Great Sea are the stories of the birth of Western Civilization the clash of warring faiths and the rivalries of empires David Abulafia leads a team of eight distinguished historians in an exploration of the great facts themes and epochs of this region's history the physical setting the rivalry between Carthaginians Greeks and Etruscans for control of the sea routes unification under Rome and the subsequent break up into Western Christendom

Byzantium and Islam the Crusades commerce in medieval times the Ottoman resurgence the rivalry of European powers from the eighteenth to the twentieth centuries and the globalization of the region in the last century The book departs from the traditional view of Mediterranean history which placed emphasis on the overwhelming influences of physical geography on the molding of the region s civilizations Instead this new interpretation regards that physical context as a staging ground for decisive action and at center stage are human catalysts at all levels of society whether great kings and emperors the sailors of medieval Amalfi or the Sephardic Jews who were expelled from Spain in 1492 The authors do more than simply catalogue the societies that developed in the region but also describe how these groups interacted with one another across the sea enjoying commercial and political ties as well as sharing ideas and religious beliefs This richly illustrated book offers contemporary historical writing at its best and is sure to engage specialists students and general readers alike
