The Rule of Saint Augustine Augustine, 1986-02-21 The oldest monastic Rule in the West A giant of the faith St Augustine is well known as the restless searcher for truth His life and the Rule he formulated have had enduring influence on the Christian ideal of the religious life This is a new modern English translation of the Rule from the original critical Latin text An extensive Commentary elucidates its meaning and its relevance to those who follow or study it today Augustine's concise spiritual directions based heavily on the Scriptures cover such subjects as prayer love and community mutual responsibility service authority and obedience He outlines the basics for exercising genuine love the goal of all things indeed life itself This brief but classic guide is as inspiring and applicable to the

twentieth century as it was to Augustine's early followers. It clearly reflects his own vision and spiritual depth. As Van Bavel observes in his Introduction, We could characterize the Rule of Augustine as a call to the evangelical equality of all people. It voices the Christian demand to bring all men and women into full community. The Rule of St Augustine is indeed a Rule for all Christians, religious and laity alike. [The Confessions of St. Augustine by Bishop of Hippo Saint Augustine](#) Saint Augustine, 2017-11-18. The Confessions of Saint Augustine is considered the all-time number one Christian classic. It is an extended poetic, passionate, intimate prayer. Augustine was probably forty-three when he began this endeavor. He had been a baptized Catholic for ten years, a priest for six, and a bishop for only two. His pre-baptismal life raised questions in the community. Was his conversion genuine? The first hearers were captivated, as many millions have been over the following sixteen centuries. His experience of God speaks to us across time with little need of transpositions. This new translation masterfully captures his experience. Writing in the last years of the fourth century, and Saint Augustine of Hippo created what is at once the first true autobiography in Western literature and among the most sophisticated yet accessible theological arguments in the history of Christianity. With extraordinary candor and psychological acumen, Augustine recounts his passage from a life of sensuality, Manichaean superstition, and empty careerism to a genuine spiritual awakening, and he articulates views on marriage, morality, and faith that have shaped our discourse ever since. The Confessions allows us to appreciate both the startling modernity of Augustine's insights and the imperishable poetry of his voice. With a new Preface by MacArthur Fellow Patricia Hampl, author of *Virgin Time* and *A Romantic Education*. In the annals of spirituality, certain books stand out both for their historical importance and for their continued relevance. The Vintage Spiritual Classics series offers the greatest of these works in authoritative new editions with specially commissioned essays by noted contemporary commentators. Filled with eloquence and fresh insight, encouragement, and solace, Vintage Spiritual Classics are incomparable resources for all readers who seek a more substantive understanding of mankind's relation to the divine. **The Retractions (The Fathers of the Church, Volume 60)** Saint Augustine, Augustine, 2010-04. The reader who has never met Augustine before ought to go first of all to the Confessions. Reflected the Trappist monk and scholar Thomas Merton, Augustine lived the theology that he wrote. He experienced the reality of Christ living in his own soul. Saint Augustine, the celebrated theologian who served as Bishop of

Hippo from A D 396 until his death in A D 430 is widely regarded as one of the most influential thinkers in the Western world. Written in the form of a long prayer addressed directly to God, Augustine's *Confessions* the remarkable chronicle of his conversion to Christianity endures as the greatest spiritual autobiography of all time. Augustine possessed a strong, capacious argumentative mind. wrote Edward Gibbon. He boldly sounded the dark abyss of grace, predestination, free will, and original sin. And the eminent historian Jaroslav Pelikan remarked, "There has quite literally been no century of the sixteen centuries since the conversion of Augustine in which he has not been a major intellectual, spiritual, and cultural force."

Treatises on Various Subjects (The Fathers of the Church, Volume 16) Saint Augustine, 2010-04. The present volume consists of a collection of minor writings of St. Augustine, often classified under the general title of Works of Moral and Practical Theology.

Love One Another, My Friends Augustine, 2009-01-02. Augustine's interpretation is spiritual; his were not scholarly or academic concerns, and John Leinenweber's translation is fresh and accessible, capturing the clarity, brilliance, and inspired passion of the original. John has said many things stated Augustine, and almost all of them concern love. The first six of the ten homilies were delivered on the days of the Easter octave. This period proved too short for Augustine to cover the whole of the letter, and he preached four additional homilies later in the spring. In his *Confessions*, Augustine spoke of his great longing as a youth to love and be loved, a topic that appealed greatly to his listeners. During the course of delivering these homilies, he was interrupted time and again by applause and shouts of enthusiasm. The ten homilies are broken up into twenty-four short chapters, for example, "The Commandment of Love," "Two Loves of God and of the World," "Christ and Antichrists," "Unanswered Prayer," "God is Love," "God Has Loved Us," "First Love Casts Out Fear." His are in large part moral teachings dealing with such topics as prayer, our enemies, fear of God, the church, the world, so important in Saint John's writings. What does one actually do to love God and others? What are the pitfalls of loving? How can one learn to love more? Throughout the homilies, Augustine's great desire to love and be loved and to live eternally with God are eloquently expressed. Believing himself ignorant of Scripture, he had initially considered himself ill prepared for the priesthood. Augustine's subsequent tireless studies unleashed a stream of biblical commentaries that led him to be ranked with Thomas Aquinas as one of the greatest teachers the Western Church has ever produced and one of its greatest Fathers. His towering intellect molded the thought of Western Christianity, and his ideas dominated the thinking of the Western world for a thousand years after his death. Augustine wrote profusely, explaining and defending the faith. Called Doctor of Grace, his best known works are his *Confessions*, one of the greatest spiritual classics of all time, and *City of God*, an exposition of a Christian philosophy of history.
