**The Confessions of St. Augustine** St Augustine,Augustine,2006-11-01 Aurelius Augustinus aka SAINT AUGUSTINE 354 430 was bishop of Hippo today called Bona in Algeria Before his conversion to Christianity however he lead a wild and licentious youth in Carthage and later studied philosophy for years in Milan His Confessions in which he begs forgiveness from God for his sins and sets himself entirely to devotion to God is not only a foundational work of Western theology it is also one of the earliest autobiographies offering keen insight into the workings of the medieval mind ALSO AVAILABLE FROM COSIMO CLASSICS Saint Augustine's The City of God Translator and British clergyman EDWARD BOUVERIE PUSEY 1800 1882 was one of the most influential figures in the Anglican church in the 19th century formulated theology and doctrine that radically altered the practice of Christianity in England      *The Confessions of St. Augustine* St.

Augustine,2018-07-29 This is a unique work from one of the preeminent early leaders of the Christian Church These are wonderful and inspiring writings of St Augustine that not only teach us some of the intellectual and theological elements of our faith but also of the passion      Saint Augustine of Hippo Miles Hollingworth,2013 Saint Augustine of Hippo is a major revisionist treatment of Augustine's life and thought It has long been assumed and not without good reason that the main lines of Augustine's leading ideas have been more or less fixed since his death That insofar as we should be aware of him in the twenty first century he is a figure described by his times In a stimulating and provocative reinterpretation of Augustine's ideas and their position in the Western intellectual tradition Miles Hollingworth's work carefully positions itself vis a vis the latest scholarship drawing its inspiration from the actual narrative of Augustine's life And by this means it returns a cardinal but long neglected fact to the centre of Augustinian studies the fact that there is a direct line from Augustine's own early experiences of life to his later commentaries on it That his new Christianity did not obliterate what had gone before in blunt assaults of dogma and doctrine but actually caught a subtle and reflective mind at the point when it was despairing of finding the truth Christianity vindicated a disquiet that Augustine had been feeling all along he felt that it alone had spoken to his serious rage about man abandoned to the world and dislocated from all real understanding by haunting glimpses of the Divine This book is radical enough to be considered a major new treatment of Augustine on all fronts it achieves its purpose by privileging a genuinely neglected element in his writings and in so doing it introduces us to Augustine as he emerges from the unique circumstances of his life yet uncovering the ironies and inconsistencies that we might just as well find in our own lives      Confessions of St Augustine (Original Version) Saint Augustine,2017-11-11 Confessions of St Augustine is one of the best christian books ever written      The Confessions of St Augustine Saint Augustine,2018-07-16 Written between 397 and
