When Saint Francis Saved the Church Jon M. Sweeney, 2015-09-04 When Saint Francis Saved the Church offers a surprising new look at the world's most popular saint showing how this beloved but often mythologized character created a spiritual vision for the ages and may very well have rescued the Christian faith In When Saint Francis Saved the Church

paperback popular historian Jon Sweeney presents an intriguing portrait of Francis beyond the readily familiar stories and images In the tradition of Thomas Cahill's How the Irish Saved Civilization Sweeney reveals how the saint became a hinge in the history of the Christian faith and shows how in just fourteen years from 1205 to 1219 the unconventional and stumbling wisdom of a converted troubadour changed the Church Sweeney outlines Francis's revolutionary approach to friendship the other people at the margins poverty spirituality care for people creatures and the natural world and death This vibrant book presents the unsullied life and message of Francis in its essential details offering a sweeping informative remarkable look at how Francis and his movement guite literally saved the Christian faith and continues to offer a spiritual vision with contemporary relevance **Conversations with St. Francis** Rev. James C. Howell, 2008-05-01 If you were able to talk to St Francis of Assisi what would you ask him Perhaps says James Howell the first question I d want to ask Francis would be something like this How did you do it Were you real How much of your story really happened And I m asking because I am wondering how I might do it could I somehow grab a share of the life you had The marvel in Francis s story is that all he did seems entirely doable but then at the same time ridiculously impossible As I survey the bare facts of his life it all seems so manageably simple and yet unquestionably what happened was nothing short of miraculous In this spiritually apt look at the life message and meaning of St Francis Howell invites all of us to pose our most difficult spiritual questions to the saint and to listen for the questions he asks of us in response **Praying in Color: Drawing a New Path to God** Sybil MacBeth, 2019-12-16 Just as Julia Cameron in The Artist's Way showed the hardened Harvard businessman he had a creative artist lurking within MacBeth makes it astonishingly clear that anyone with a box of colors and some paper can have a conversation with God Publishers Weekly starred review Maybe you love color Maybe you are a visual or kinesthetic learner a distractible or impatient soul or a word weary pray er Perhaps you struggle with a short attention span a restless body or a tendency to live in your head Maybe your prayers feel more like a list for Santa Claus than a love letter to God or you re just bored with the same old prayers you ve said since you were a toddler Maybe you re not sure that anyone out there is listening or you just feel deep in your bones a hunger to know God better The prayer practice Praying in Color was born when Sybil's desperation to pray for family and friends intersected with her love of color and doodling Praying in Color invites the whole body into prayer and gives you a new way to be with God This revised expanded edition of the bestselling groundbreaking book Presents double the wisdom and insight from Sybil MacBeth from fifteen years of experience praying teaching and leading workshops Includes a foreword by Lauren F Winner author of Girl Meets God Brings a sense of fun and delight into prayer time Gathers our mind body emotions thoughts and spirit into the same space for a while Is ideal for praying on your own or in small groups church fellowships hospital rooms university classrooms prison ministry elementary schools and so much more Sections of the book include Disgruntled Prayers Praying Your To Do List Praying for Our Enemies Hodgepodge Prayers Twelve Step Prayers Praying with Scripture Praying the Liturgical Year Praying in Community Sending

and Sharing Prayers And so much more More than 150 000 people have discovered a delightful way to pray with the right side of the brain Praying in Color has forever changed the way people pray and will change your life too It would not be an overstatement to say that Praying in Color rescued my devotional life from nonexistence I ve given away more copies of this book than I can count Lauren F Winner Francis of Assisi in His Own Words Jon M. Sweeney, 2018-10-01 Reading Francis s writings is like being on the road with him 800 years ago Biographies will only take you so far It s impossible to truly understand Francis of Assisi without reading his own words A scholar and lover of Francis Sweeney has added six writings to his bestselling compilation additional texts that we re most certain came from Francis himself Now short writings such as The Form of Life He Wished for Clare The Sermon to the Birds and The Source of True Joy combine with Francis's Rules letters messages songs praises canticles and final spiritual Testament in a most ideal introduction to the saint An expanded introduction and notes add historical and theological context Catholic Heart Day by Day Father Richard Beyer, 2011-06-01 These stories of Catholic faith will inspire you to live courageously May these stories of grace and courage find their way into your heart each morning May they influence the way that you treat others They have the power to slowly transform your life over the course of the next year A Catholic Heart Day by Day offers living love inspiring action and everday heroism Father Richard's stories will take you from Nazi Germany to the American Heartland to the Jordan River from Pearl Harbor to the beaches at Normandy from ancient Israel to apparitions of the Blessed Virgin in Bosnia Herzegovina You will encounter extraordinary Catholics including St Edith Stein St Maximilian Kolbe and America's St Elizabeth Ann Seton You will hear a child s words of trust in God the last words of a martyred priest the favorite prayer of Pope John Paul II and the startling words of Mother Teresa to the U S Congress The Complete Francis of Assisi Jon M. Sweeney, 2018-08-01 There are many editions of the writings of St Francis and biographies about him but here in one volume are both plus the complete text of the late medieval work The Little Flowers which did more to establish the legend of the man than any other work This Paraclete Giants edition includes the complete Road to Assisi Paul Sabatier's ground breaking and foundational biography of the saint first published in French in 1894 and re issued and expanded in 2002 the complete Francis in His Own Words The Essential Writings and The Little Flowers thus offering the best introduction to St Francis yet available between two covers Other Paraclete Giants include The Complete Julian of Norwich and The Complete Introduction to the Devout Life both translated and introduced by Fr John Julian OJN The Little Flowers of Saint Francis Brother Ugolino, 2012-08-01 These stories of St Francis and his first followers have inspired millions of people over the centuries Since they were first committed to paper they were told to inspire people to become better followers of Jesus not St Francis For that reason they have endured unlike any other early Franciscan literature Many of the stories are known to us from other biographical sources but in some cases here they are expanded or made more florid This edition of The Little Flowers is unique in its physical beauty as well as its editorial arrangement For the first time the stories have been arranged in the most

likely chronological ordering of when they happened rather than following the traditional ordering of them handed down for centuries As a result today s reader is now able to read The Little Flowers as a biographical narrative of the life of St Francis and the world transforming movement that he founded Lord, Make Me An Instrument of Your Peace Jon M.

Sweeney,2020-02-04 The Complete Prayers of St Francis and St Clare with Selections from Brother Juniper St Anthony of Padua and Other Early Franciscans We do not immediately associate Francis and Clare with prayer and praying St Francis according to the most common legends rarely sat still St Clare did more so but that was probably mostly because of the convent and the grille and the conventions of the time she couldn t be a walkabout friar However they did sit still And they stood And they danced And they fasted And they sang In all these ways Francis and Clare prayed for hours each day as did the brothers and sisters who came after them on the Franciscan way This prayer book gathers the stories and words of the prayer life and prayers of these remarkable Christians Jewish Ritual Kerry M. Olitzky, Daniel Judson, 2005 With biblical and historical background insight into contemporary practice and personal stories this easy to understand guide explains nine rituals in Jewish spiritual practice and shows how they can deepen Christians understanding of their own faith

Sweeney, 2014-06-17 Hell The word means terror darkness and eternal separation from God Some people think the Bible is clear about hell but what if they re mistaken With gripping narrative and solid scholarship Sweeney charts hell s evolution from the Old Testament underworld Sheol through history and literature to the greatest influencer of all Dante's Inferno He reveals how the modern idea of hell is based mostly on Dante's imaginative genius but in the process he offers a more constructive understanding of the afterlife than ever before Disturbing and enthralling Sweeney will forever alter what we think happens to us after we die and more importantly he will make us reconsider how we live
