James 1851-1901 Cox

St Louis A Concise History:

Old and New St. Louis James Cox, 1894 Old and New St. Louis James Cox, 2015-08-04 Excerpt from Old and New St Louis A Concise History of the Metropolis of the West and Southwest With a Review of Its Present Greatness and Immediate Prospects The publication of Old and New St Louis has been delayed far beyond the wishes of the publishers by the immense amount of work which had to be done not only in securing data concerning the lives and achievements of prominent men in the city but also in having the necessary steel plates made A large number of gentlemen who could not possibly be excluded from a work of this character have been absent from the city and neither photographs nor biographical data could be obtained until they returned The completeness of the work and the unprecedented and uniform excellence of the plates is ample justification for the delay The introductory and historical chapters have been in print for upwards of a year and since they were written a number of events have taken place which have greatly affected the city's standing and its prospects The financial depression of 1893 has been succeeded by a period of healthy reaction No city in the United States withstood the panic in such a thoroughly satisfactory manner as St Louis which has the proud record of no bank failure for a period of nearly nine years St Louis generally is in a much better condition financially and commercially than it was when the earlier chapters of this work were prepared and it now stands before the world a model of financial strength and of conservative progressiveness The largest Union Railroad Station in the world described in Chapter V was completed during the summer of 1894 and opened with befitting ceremonies at the commencement of the fall festivities season In every respect the depot has proved to be superior to expectation and the words of praise written in anticipation of the completion of the work seem feeble and inadequate in view of the magnificent realization The Planters Hotel also described as in course of construction was completed shortly after the New Union Station and was opened to the public immediately Like the magnificent structure fourteen blocks farther west the Planters Hotel referred to in this work as the New Planters House its exact title not having been determined upon until a recent date far exceeds expectation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Old and New St. Louis** James Cox, 2002 Old and New St. Louis Cox James, 1901 St. Louis William Barnaby Faherty, 1989 *OLD & NEW ST LOUIS* James 1851-1901 Cox, 2016-08-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works

Cities in American Political History Richard Dilworth,2011-09-13 Profiling the ten most populous cities in the United States during ten critical eras of political development Cities in American Political History presents a unique singular focus on American cities their government and politics industry commerce labor and race and ethnicity Cities in American Political

History analyzes the role that large cities from New York to Chicago to San Jose have played in U S politics and policymaking Each entry is structured for straightforward comparison across issues and eras The city profiles include basic data and statistics for the era and are accompanied by maps of each era and the largest cities at that time

A Concise History of the Presbyterian Church in the United States of America William Henry Roberts,1922

The Bosses' Union Vilja Hulden,2023-01-13 At the opening of the twentieth century labor strife repeatedly racked the nation Union organization and collective bargaining briefly looked like a promising avenue to stability But both employers and many middle class observers remained wary of unions exercising independent power Vilja Hulden reveals how this tension provided the opening for pro business organizations to shift public attention from concerns about inequality and dangerous working conditions to a belief that unions trampled on an individual s right to work Inventing the term closed shop employers mounted what they called an open shop campaign to undermine union demands that workers at unionized workplaces join the union Employer organizations lobbied Congress to resist labor s proposals as tyrannical brought court cases to taint labor s tactics as illegal and influenced newspaper coverage of unions While employers were not a monolith nor all powerful they generally agreed that unions were a nuisance Employers successfully leveraged money and connections to create perceptions of organized labor that still echo in our discussions of worker rights

Stillwater, Minnesota: A Brief History Holly Day and Sherman Wick,2016-10-10 The riverfront always drew people to Stillwater The Ojibwe and Dakota first settled here later striking a treaty with Europeans who quickly realized the St Croix River s potential as an ideal way to move lumber One of the first to float logs down the river was Captain Stephen Hanks cousin to Abraham Lincoln The lumber business gave birth to Minnesota s first millionaire as the city grew and Stillwater received one of the state s first Carnegie grants for a free public library Meanwhile the state prison saw notorious gangster Cole Younger found the Prison Mirror in 1887 now the nation s oldest continuously operated offender newspaper Authors Holly Day and Sherman Wick celebrate the history and charm of one of Minnesota s finest cities from the frontier to today
