Intergovernmental Perspective , 1976 Each issue concentrates on a different topic *Dangers of Decentralization* Remy Prud'homme, 1994 Demand for decentralization is strong in most parts of the world This close look at the negative side effects of improperly applied decentralization is not an attack on decentralization but an effort to prevent its misapplication and to promote fuller understanding and wiser use of this potentially desirable policy *Studies in Comparative Federalism* H. Zimmermann, United States. Advisory Commission on Intergovernmental Relations, 1981 **Studies in Comparative Federalism** Horst Zimmermann, 1981 *State Government Budget Stabilization* Yilin Hou, 2013-01-30 This book is the first comprehensive full scale treatment of the law politics and economics with regard to the policies and policy instruments for budget stabilization at the state level Covering the period from 1946 through 2008 in the United States it provides details on the methods and results of empirical tests of the effects of budget stabilization instruments on government operations public

service provision and some other aspects of social and economic life With the lingering effects of the most recent financial crisis and economic downturn and the subsequent Tea Party movement advocating smaller government and deficit reduction this book carries timely and important theoretical as well as practical implications particularly in regard to the potential for counter cyclical fiscal policy in mitigating negative impacts during a recession The first contribution of the book is in public finance theory it provides insights into the applications of the stabilization function in the context of strong government thereby refining Keynesianism The second aspect is in Public Choice the creation and functioning of budget stabilization funds offer extra evidence to demonstrate that the general public provides input and voice in more than the conventional ways when it comes to policy making even in an area dominated by strong government The third aspect is in policy making exploring the opportunities for refining policy tools in preparation for future downturns *Reforming China's Public Finances* Mr.Ehtisham Ahmad,Mr.Vito Tanzi,Qiang Gao,1995-09-08 The reform of fiscal relations between different levels of government is crucial to the success of China s current structural transformation to a socialist market economy The reform will profoundly affect macroeconomic stability growth prospects and the effectiveness of providing public services and interregional equity In order to review international experience and to clearly identify the policy options for China in the short to medium term a conference was held in Shanghai in October 1993 The papers in this volume edited by Ehtisham Ahmad Gao Qiang and Vito Tanzi include those presented at the conference and a few that supplement it **The United States Government Manual** ,1973 *Economic Stabilization-1973* United States Congress. House. Banking and Currency Committee,1973 **The Economic and Political Impact of General Revenue Sharing** University of Michigan.
