Props Treasure Conclusion      **Theatre Props and Civic Identity in Athens, 458-405 BC** Rosie Wyles, 2020-10-01 This book answers the question How did Athenian drama shape ideas about civic identity through the medium of three case studies focusing on props Traditional responses to the question have overlooked the significance of props which were symbolically implicated in Athenian ideology yet the key objects explored in this study voting urns and pebbles swords and masks each carried profound connections to Athenian civic identity while also playing important roles as props on the fifth century stage Playwrights exploited the powerful dynamic generated from the intersection between the social lives off stage existence in society and stage lives handling in theatre of these objects to enhance the dramatic effect of their plays as well as the impact of these performances on society The exploration of the stage lives of these objects across comedy tragedy and satyr drama reveals much about generic interdependence and distinction Meanwhile the consideration of iconography representing the objects lives outside the theatre sheds light on drama s powerful interplay with art Essential reading for scholars and students of ancient Greek history culture and drama the innovative approach and insightful analysis contained in this volume will also be of interest to researchers in the fields of Theatre Studies Art History and Cultural Studies

**Shattering Hamlet's Mirror** Marvin Carlson, 2016-05-12 Exploring the historical antecedents and mimetic dimensions of Theater of the Real      **Beckett and Nature** Charles Clements, Eleanor Green, James Martell, 2025-07-10 New analyses on the insightful ways in which Beckett s work actively engages with contested notions of Nature and the natural developing a radical version of modernism s main questions and insights Beckett and Nature takes its cue from contemporary developments in Beckett scholarship focused on ecocriticism posthumanism and the Anthropocene going beyond them into a questioning of the very concepts of Nature and the natural It examines one of the most unthought ontological dimensions of literature and life that symbolic space deemed natural or part of Nature appears necessary and undeniable and therefore impossible to be deconstructed In doing so the authors show that in fact this space takes on many shapes recognizing three natural dimensions criticized by Beckett bodies worlds and literatures Featuring a wide range of both Beckett s work and Beckett scholars including Jean Michel Rabat and Stanley E Gontarski Beckett and Nature offers contextualized readings of the understandings of nature and the natural throughout his decade spanning uvre The volume shows that part of the radicality of Beckett s writing is that through a variety of evolving techniques and strategies it questions what appears in our cultures as the most unquestionable and opens up possibilities for thinking not only what is human literature and philosophy but also gender identity and any attempt at definitions of ourselves or the world at large      Staging the Superstitions of Early Modern Europe Andrew D. McCarthy, 2016-04-01 Engaging with fiction and history and reading both genres as texts permeated with early modern anxieties desires and apprehensions this collection scrutinizes the historical intersection of early modern European superstitions and English stage literature Contributors analyze the cultural mechanisms that shape preserve and transmit beliefs They investigate where superstitions come from and how they are sustained and communicated

within early modern European society It has been proposed by scholars that once enacted on stage and thus brought into contact with the literary dramatic perspective belief systems that had been preserved and reinforced by historical literary texts underwent a drastic change By highlighting the connection between historical literary and literary dramatic culture this volume tests and explores the theory that performance of superstitions opened the way to disbelief *Whiteface* Michel Büch, 2022-02-07 This study originates in the observation that improv comedy or improvised theater has such a vast majority of white people practicing it while other improvisational or comedic art forms jazz freestyle rap stand up are historically grounded in and marked as Black cultural production What it is about improv that makes it such a white space Can an absence be an object of study If so what is there to study Where should one look **Cross-generic Perspectives on Traditional Chinese Literature** Manling Luo, 2024-12-30 This volume explores cross generic analysis as a hermeneutic approach to traditional Chinese literature through nine case studies which cover a combined temporal span from the tenth to the twentieth century The contributors examine connections parallels and dialogic relations among canonical literary forms and other kinds of materials both diachronically and synchronically across and within texts and between different modes of representation A wide range of theoretical issues are elucidated including cultural memory gender sexuality visibility theatricality and regional identity Expanding conventional understanding of what constitutes the literary these studies also complicate and contribute to intellectual discourses beyond China studies [The Routledge Companion to Puppetry and Material Performance](#) Dassia N.
