Stairway To Serenity The Eleventh Step

Susan Brownell Anthony

Stairway To Serenity The Eleventh Step:

Stairway to Serenity, 1988 When it comes to developing our spirituality a lot of us hold back because we're unsure if we're doing it right and don't know how to measure the results. *Stairway to Serenity* is a down-to-earth guide for finding serenity through spiritual growth. This is not a book of philosophy or theory. The author documents what has worked for himself and others like him who have found their spiritual experience in the daily miracle of recovery. In this easily readable conversational book we can see how through the Eleventh Step of Alcoholics Anonymous we can discover a peace of mind greater than any high we found in addiction. *Stairway to Serenity* based on solid Twelve Step thinking outlines specific actions we can take to enhance our spiritual progress. Whether we've been struggling to find conscious contact for a day, a year, or a decade, *Stairway to Serenity* delivers good everyday spiritual experience with refreshing sincerity and gut-level honesty.
