Fateful Flight of the Lonesome Polecat II Michael I Darter,2004-10 For 60 years the author felt much anguish and yearned to discover what happened to his only brother S Sgt Eugene F Darter who enlisted in the Army Air Force after Pearl Harbor and was assigned to a B 17 crew Just before departing for England and never to be heard from again his brother came home and carried his newly born brother through the neighborhood on a pillow Over the years attempts to locate information were of no avail but the initial bonding of brothers did not diminish Then in 2000 through a World War II B 17 web site a summary of the aircraft's missions and a list of the 10 crewmates were discovered An intensive

investigation was set into motion beginning with a shocking conversation with the crewmate who found his wounded brother in the burning aircraft and helped him bail out Beyond all belief eyewitnesses were located on a Dutch island Texel that saw Eugene parachute through the mist and also saw his badly damaged B 17 roar over their heads 60 years previous Then just prior to a memorial honoring the crew in May 2007 a piece of the B 17 was found on the Texel beach and additional pieces were discovered since then In 2009 the former wife of the lead pilot was located she is 90 years of age and had known all of the crew She was in possession of a detailed letter written by a crew member just after the war that describes in detail the horror of combat on the plane A PBS special is now underway on this search for the MIA Fateful Flight of the Lonesome Polecat describes the story of the B 17 crew from its formation to the end of World War II and shares the compelling and emotional search for a missing loved one that will be of interest to anyone searching for a missing loved one *"Gone with the Wind," He Said* Michael I. Darter, 2014-03-07 This book documents the search for my MIA brother Eugene F Darter who just after meeting his baby brother on a pillow flew off to Nazi occupied Europe and vanished on his first bombing mission over Germany My investigation began with a random Internet search on his fifty seventh birthday on January 3 2000 that quickly resulted in the miraculous discovery of one of his crewmates who found him badly shot and collapsed in a pool of blood in their shattered and burning B 17 Along the path of discovery were some amazing miracles including discovering his surviving crew and their families what happened to his two other MIA crewmates pieces of his bomber on the beach a few days before a long planned memorial and most importantly eyewitnesses who saw crew members captured by the Nazis on a Dutch island However the greatest discovery was an eyewitness who saw an American airman come down through the fog and splash down into the sea crying for help but then carried away by the fierce wind farther out into the freezing sea beyond reach *Gone with the Wind* was his description of the shocking event unfolding in the stormy sea just in front of him This book will be of particular interest to many families who have MIAs that number more than eighty three thousand in America's wars There is so much information available today on the Internet in databases individual researchers in the US and abroad and in the National Archives for searching for your beloved MIA There is also a great deal of assistance from the US government who has many teams in the field every day searching finding identifying and bringing home our hero MIAs **All the Babe's Men** Eldon L. Ham, 2013-03-31 Why are Americans obsessed with the home run in sports business and even life What made the steroid era inevitable Revisiting the great home run seasons of Babe Ruth through those of Barry Bonds *All the Babe's Men* answers these and other provocative questions Baseball and particularly the long ball itself evolved via accident necessity and occasional subterfuge During the dead ball era pitching ruled the game and home run totals hovered in the single digits Then a ban on the spitball and the compression of stadium dimensions set the stage for new sluggers to emerge culminating in Ruth's historic sixty homer season in 1927 The players owners and fans became hooked on the homer but our addiction took us to excess As the home run became the ultimate goal for hitters players went to new lengths to increase

their power and ability to swing for the fences By the time Barry Bonds set a new single season record in 2001 Americans had to face the fact that their national pastime had become corrupted from within Through a play by play analysis of the game s historic long ball seasons its superstars and the contemporary legal nightmares and tainted records All the Babe s Men divulges how America evolved into a home run society where baseball is king Grey Ghost Dr. Bill Grey,Ned Handy,2018-06-11 Grey Ghost is the story of a professional soldier s struggle for survival and freedom during the cataclysm of war in the World War II European Theater of Operations between mid 1943 and mid 1945 as well as his continued exposure to combat in the Korean Conflict This story carries the reader through the beginnings of war for America and onto the frontlines of aerial combat in a B 17 Flying Fortress with Sergeant Frank Grey and his crew It delivers the reader into the hands of the enemy Nazi Germany and onto the long painful journey of captivity of prisoners of war For Sergeant Grey the path from captivity to freedom would take numerous unpredictable twists over a period of almost two years eventually leading him into Yugoslavia to fight with guerilla units under the leadership of General Draja Mihailovich and finally to freedom in late May of 1945 The details of Sergeant Grey s escape and recapture beatings by the Gestapo and solitary confinement save one episode of brilliant thinking comradery and courage by a small group of POWs who hid Sergeant Grey within the wires of Stalag 17B for four months have never been fully disclosed to the American public Sergeant Grey was initially hidden in an escape tunnel while Gestapo SS troops and attack dogs searched for him He became known as the Grey Ghost by the Germans Coauthor Ned Handy chronicled this event brilliantly within the story of his own POW experience a book titled The Flame Keepers 2004 That episode reveals the tremendous depth and significance of the human condition conveying the face of war during both wartime events and the aftermath as experienced by combat veterans reclaiming their personal lives The experience of war did not end for Frank Grey on the European continent Within a few years of the end of World War II having continued his commitment to the service of his country he entered into yet another perilous fight the Korean Conflict He flew fifty seven missions over North Korea as a B 29 tailgunner a commitment that was filled with constant risk and uncertainty This true story has a deep significant message for all readers but especially for American veterans and their families The strong messages of commitment courage and sacrifice can be reflected upon considering the increased uncertainties of international events on our horizon **Angel on My Shoulder** Harley H. Tuck, Sr.; Ann I. Clizer,2010-07-29 Harley Hamilton Tuck decided when he was a teenager he wanted to leave the world a better place than it was when he got here He flew combat during World War II as a radio operator aboard a B 17 bomber completing twenty seven missions before bailing out of a flaming ship over France to spend a year in Austria s infamous Stalag 17B as a Prisoner of War Tuck took the opportunity to begin educating himself in the field of agriculture attended college when he returned to the States and started teaching a few years later Tuck took his skills around the world over the course of his career training outreach workers among the remote Hill Tribes near the Laotian border for a decade joining the United

Nations Food and Agriculture Organization and relocating to Afghanistan in 1972 where he supervised a fleet of United Nations vehicles and farm equipment working with Afghan mechanics who taught him as much as he taught them When he accepted a UN position in Indonesia Tuck continued training teachers working through various programs in rural areas to improve and modernize agricultural practices He eventually created his own Indonesian corporation to provide consulting services in his field learning growing and teaching until his retirement in the late 1990s Tuck credits the Angel on his shoulder for escorting him through the harrowing collection of hazards and close calls he encountered in his extensive travels Hitch a ride from a fruit ranch in central Washington state through the fiery skies of the European War Theater tour the back country of Thailand the noisy streets of Kabul and Java s steamy jungles with Tuck for a first class adventure with a generous hearted and unusual man whose desire was to leave a positive mark on this world

Journey Out of Darkness

Hal LaCroix, Jorg Meyer, 2007-09-30 Journey Out of Darkness is a poignant collection of portraits in words and photographs of 19 former prisoners of war who bravely endured captivity in Nazi Germany in World War II Through these men one can learn essential truths about the POW experience during that war truths that counter many popular myths and misconceptions The men featured here gather every week in offices of the Veterans Administration in Boston and Brockton Mass to talk about their experiences and find comfort in each other In their eighties and nineties they are unique individuals with unique wartime experiences but also representative of the more than 120 000 American POWs held in Nazi Germany They are men who fought a double war in combat and then as POWs Using both oral histories and photographs to tell their stories LaCroix and Meyer humanize a terrifying aspect of war redefining how we think about these men as POWs survivors patriots and members of the Greatest Generation Journey Out of Darkness is a poignant collection of portraits in words and photographs of 19 former prisoners of war who bravely endured captivity in Nazi Germany during World War II Through these men one can learn essential truths about the POW experience during that war truths that counter many popular myths and misconceptions The 19 men featured here gather every week in offices of the Veterans Administration in Boston and Brockton Mass to talk about their experiences and find comfort in each other In their eighties and nineties they are unique individuals with unique wartime experiences but also representative of the more than 120 000 American POWs held in Nazi Germany They are men who fought a double war in combat and then as POWs Together their photos and their stories go beyond typical first person accounts Until the men in this book began meeting in VA support groups few had spoken of their POW experiences Some were told by the military not to talk others were coerced by military intelligence into signing non disclosure papers called security certificates With little exception they received no recognition for enduring as POWs even as they struggled with traumatic memories and shame for having been held captive for losing power over their fate and for surviving combat when friends died These portraits also illuminate another little known story the plight of Jewish American POWs Two of the men featured in the book were Jews who concealed their religious identities from the SS LaCroix and

Meyer have crafted a powerful exploration of the struggles of these brave veterans Using both oral histories and photographs Journey Out of Darkness humanizes a terrifying aspect of war redefining how we think about these men as POWs survivors patriots and members of the Greatest Generation **American POWs in World War II** Harry Spiller,2015-03-10 These accounts describe the battle and POW experiences of twelve American military men captured by either Germany or Japan during World War II Brutality frostbite disease hunger strenuous working conditions and the jubilation of release are presented in the words of the soldiers who describe such events as the Bataan Death March the battle for Wake Island D Day and the Battle of the Bulge and vividly portray the camps where they watched their comrades in arms suffer and perish The book also features photographs maps camp lists and POW regulations B-17 Memories T/Sgt. Phillips,2010-02-05 A biography of the six time Oscar winning director of films like Some Like It Hot and Double Indemnity featuring analysis of his work Although his career spanned fifty years and included more than fifty films Austrian American film director Billy Wilder 1906 2002 may be best known for the legendary shot of Marilyn Monroe s dress billowing over a subway grating in The Seven Year Itch 1955 This shot seen round the world is representative not only of Hollywood s golden era of cinema but also of one of its most prolific and brilliant directors Wilder whose filmography includes such classics as Sunset Boulevard 1950 Sabrina 1954 Witness for the Prosecution 1957 and Some Like It Hot 1959 is often remembered for his versatility biting wit and passion for challenging social and moral conventions Author Gene D Phillips departs from the traditional biography in Some Like It Wilder offering new insights into the acclaimed director s professional and private life In preparation for the book Phillips conducted personal interviews with Wilder and other key players from the legendary director s life and times Phillips s unique combination of analysis and biographical detail brings Wilder to life as both an

artist and man Phillips traces Wilder's path from Berlin where he worked as a scriptwriter for one of the city's largest studios to Hollywood where he would quickly establish himself as a premier film director. Forming a partnership with writer/producer Charles Brackett, Wilder directed the classic films *Five Graves to Cairo* (1943), *Double Indemnity* (1945), and *The Lost Weekend* (1945), which earned Academy Awards for best picture, best director, and best screenplay. During the 1960s, Wilder continued to direct and produce controversial comedies, including *Kiss Me Stupid* (1964) and *The Apartment* (1960). *The Apartment* brought Wilder another round of Oscars for best picture, best director, and best screenplay. Wilder's maverick approach and independent artistic vision pushed boundaries and ensured his legacy as one of the Hollywood greats. Sharply written, *Some Like It Wilder* serves as a comprehensive companion to Wilder's films, offering a personalized and heartfelt account of the life and genius of this compelling director. Praise for *Some Like It Wilder*: Featuring Gene D. Phillips' unique, in-depth, critical approach, *Some Like It Wilder* provides a groundbreaking overview of a filmmaking icon. This definitive biography reveals that Wilder was and remains one of the most influential directors in filmmaking. Turner Classic Movies. Phillips goes beyond the surface and deep into the complex mind and soul of the famous film director. This book is, in my view, definitive. Vincent LoBrutto, author of *Martin Scorsese: A Biography*. [A to Z Word Potpourri](#) Dick Pellek, 2019-02-01. The *Chronicles of a Footloose Forester* were compiled over a number of years; one story at a time. Events, observations, encounters, and episodes were the ingredients in the mix that got filed into his memory banks and extracted years later, but only after it was decided to make them into his memoirs. *Afghanistan to Zambia: Chronicles of a Footloose Forester*, published in 2010, was the first distillation of those memories and was based on an alphabetical recounting of places he had been. In the beginning, there was no intention of putting his chronicles into a book; the alphabetical listing of countries he had visited was at the time, in the early 1960s, only a device to properly respond to inquiries about his travels pursuant to obtaining and updating a yearly security clearance. At one time or another, the FBI, the Army Security Agency, the Department of Agriculture, and the Department of State all wanted his biographical information, which included the places and the addresses where he had lived since 1931. Obviously, that meant every place since he was born. Thus, it was easier to compile a logical listing and to keep that list in his records for easier updating. The countries of Afghanistan and Zambia eventually worked their way into the list, thus his first book, *Afghanistan to Zambia: Chronicles of a Footloose Forester*, was chosen as the title of his first book of memoirs. The process is ongoing. Since the travel history to other countries swelled to 106 countries and territories of the United States, the A to Z listing was also a way to compartmentalize some of his fond memories of people, places, and events. As a forester who worked in domestic and international locales, the A to Z listing had other applications for a footloose forester who had a lifelong interest in forest trees and tropical fruits. Accordingly, the second book of chronicles had a title that reminded him that the very common red maple tree, *Acer rubrum*, could be seen daily from Maine to Florida and everywhere in between. In the states he had visited, forty-nine of fifty during his career, a suitable title for the second book thus began to emerge. An A to

Z theme led to bookend tree species names that were also a part of his reveries It was gratifying to settle on a subtropical fruit tree commonly known as the jujube and with the botanical name *Zyzyphus jujuba* Two jujube trees are growing and thriving right next to his house in Virginia Thus another A to Z listing became the receptacle that included personal anecdotes about a potpourri of things in other countries and in the natural world in general The eventual name of his second book of memoirs emphasized his forestry interests except that the stories that he wanted to share did not dwell solely on trees or on peoples places animals or events Dreams and viewpoints about abstract subjects that he wanted to share were also summoned sorted out and organized into volume 1 Essays Dreams that was published in 2015 And the personal blogs regarding tangible physical sometimes hair raising real time episodes in reality were written into volume 2 Stories Adventures that was published in early 2016 Of the 340 blogs that still reside in computer archives there are perhaps a hundred or so that have not yet been selected for inclusion in another book This book and its title A to Z Word Potpourri Chronicles of a Footloose Forester is the final product The next job is to make another list and decide which stories essays dreams and adventures might become a suitable fifth book of memoirs that does not require chronology background history logical train of thought or other raison d tre
