Strange Tales From Make Do Studio:

Strange Tales from Make-Do Studio Pu Songling, 2005-01-01 Strange Tales from Make Do Studio is a famous collection of about 500 short stories by Pu Songling 1640 1715 a writer of the Qing Dynasty Fifty one stories are selected for this English edition These stories cover a wide range of subjects such as werewolves and fish spirits and ghosts and monsters that are personified Like human beings they have feelings of good and evil beauty and ugliness love and hatred as well as happiness and discontent These mystical stories reflect the social life of the time in which they were written Living under a feudal monarchy the writer had to criticize the unfairness of the feudal system and express his indignation by writing of fox spirits and monsters Although most of these stories are progressive and written with a critical slant some of them still have ideas of feudal superstition and fatalism The stories in Strange Tales from Make Do Studio are written in simple and straightforward language but they are highly structured with complicated plots that often employ the technique of combining illusion with reality Some of these stories are based on popular folk legends and thus have a plain folksy style The ideological and artistic achievements of Strange Tales from Make Do Studio have greatly influenced later novels and operas

Translating Chinese Literature Eugene Chen Eoyang, Yaofu Lin, 1995 Enth Papers presented at the first International conference on the translation of Chinese literature held in Taipei Nov 19 21 1990 **Chinese Narratology II** Yang Yi, 2023-11-30 As the second volume of a two volume set on Chinese narratology this title investigates the quintessential characteristics of the Chinese narrative style with a focus on image and perspective The first chapter introduces two opposing concepts of perspective focalization and blind spot to connect perspective with traditional aesthetics highlighting the mutual relation of the nonexistent and the existent The author believes that both the narrator and perspective are central to the narrative forms and strategies adopted by Chinese writers and that study of the narrator and perspective is integral to understanding the cultural aesthetic and philosophical connotations of the narrative text and the spiritual world of the author Drawing on perceptual phenomenology the chapter on image broadens the extant knowledge of image and points out that image narration is unique to Chinese narratology and central to Chinese aesthetics The final chapter illustrating the achievements of influential critics of classical Chinese novels proving that these critics have contributed to the canonization of the genuine masterpieces of Chinese narrative literature The book is a must read for scholars and students interested in narrative theory Chinese culture and literature and dialogue between Chinese and Western narratological studies 王德威
No.39, 2017-01-23 Wang Wen hsing is an internationally renowned modernist writer who has long been regarded by Taiwan writers as a bellwether of literary aesthetics His reputation rests on his devotion to an innovative literary language and writing style demonstrated primarily in his novels His persistent pursuit of an ideal style has challenged standard aesthetic views of Chinese literary language and conventional reading strategies He views writing much as he does painting music or any other art form while acknowledging the importance of content he foregrounds the form His fictional works

therefore are not only pieces of creative writing but also creative artworks each word and sign should be appreciated like a musical note in a song or a brush stroke in a painting This ideal pushes him constantly to search out a more precise method to describe a specific subject and each new method he develops is added to the reservoir of Chinese rhetoric Due to his peculiar approach he writes extremely slowly During the past three decades he has been able to write only thirty some characters a day To date he has published twenty three short stories one novella three novels the second novel is in two volumes one one act play three volumes of essays and numerous poems prose works translations and pieces of criticism **A Concise History of Chinese Literature (2 vols.)** Yuming Luo, 2011-06-09 A history of Chinese literature from its early beginnings through the end of the Qing dynasty this recent work from Professor Luo Yuming of China's Fudan University seeks to provide by adopting new theoretical perspectives and using updated research a coherent panoramic description of the development of Chinese literature and its major characteristics As one of the very few English translations of such works by Chinese authors it seeks to inform the Western audience of the recent viewpoints and scholarship on the topic from a leading Chinese scholar It may also provide some grounds of comparison and contrast with equivalent works in the West
