The Gulf Cooperation Council Record And Analysis:

The Gulf Cooperation Council Rouhollah K. Ramazani, Joseph A. Kechichian, 1988 If there has been a gap in the knowledge of the GCC this book now fills it This volume presents the essential information schematically with sound comment by the author and includes a rich collection of documents The GCC and the International Relations of the Gulf Matteo Legrenzi, 2015-07-31 The Gulf Cooperation Council GCC made up of Saudi Arabia Bahrain Kuwait Oman Qatar and the United Arab Emirates UAE is one of the most resilient sub regional organizations in the world and the most successful in the Arab world it has been the forum through which much security cooperation in this volatile sub region has taken place as well as the main representative for the UAE s territorial dispute with Iran over the Abu Musa and tunbs islands the organization aims to enhance defence cooperation between its member states it also has significant potential to foster economic integration and to present an alternative form of leverage over the international oil markets Very little is known however about how the organization really works how decisions are actually taken as opposed to how this process is formally articulated in its charter and what the GCC s real impact on member states the gulf and international relations is Drawing on cutting edge ir theoretical perspectives as well as unique firsthand access to GCC decision makers Matteo Legrenzi explains the mechanisms of Gulf cooperation and its limitations in the context of economic globalization diplomatic regionalization and the rise of Iran Combining historical context primary source investigations and theoretical analysis this is a comprehensive guide to the GCC and an indispensable resource for anyone concerned with the Gulf and the Middle East

The Gulf Cooperation Council Linda Low, Lorraine Carlos Salazar, 2011 The Gulf Cooperation Council GCC is comprised of Bahrain Kuwait Oman Qatar Saudi Arabia and the United Arab Emirates Possessing a significant share of the world s oil and gas reserves and including some of the world s fastest growing economies the GCC is a significant regional grouping As with the Association of Southeast Asian Nations ASEAN the Council has made significant progress towards economic integration Seeking to draw out lessons applicable to ASEAN this report looks at the structure and evolution of the GCC This includes the context within which the Council was established its rationale and economic importance It then follows the organization s development over time paying particular importance to its progress from Customs Union and Common Market towards Monetary Union The report then sets out the key challenges ahead for the Council and concludes by highlighting the structural organizational and political lessons that resonate with ASEAN and its membership

Measuring International Authority Liesbet Hooghe, Gary Marks, Tobias Lenz, Jeanine Bezuijen, Besir Ceka, Svet Derderyan, 2017-08-24 This is the third of five ambitious volumes theorizing the structure of governance above and below the central state This book is written for those interested in the character causes and consequences of governance within the state This book sets out a measure of authority for seventy six international organizations IOs from 1950 or the time of their establishment to 2010 which can allow researchers to test expectations about the character sources and consequences of

international governance The international organizations considered are regional e g the EU Andean Community NAFTA cross regional e g Commonwealth of Nations the Organization of Islamic Cooperation and global e g the UN World Bank WTO Firstly the book introduces carefully constructed estimates for the scope and depth of authority exercised by international governments The estimates are unique in their comparative scope their specificity and time span Secondly it describes describe broad trends in IO authority by comparing delegation and pooling over time across IOs and across decision areas Thirdly it presents the evidence gathered by the authors to estimate international authority by carefully discussing forty seven international organizations and showing how their bodies are composed what decisions each body makes and how they make decisions Transformations in Governance is a major new academic book series from Oxford University Press It is designed to accommodate the impressive growth of research in comparative politics international relations public policy federalism environmental and urban studies concerned with the dispersion of authority from central states up to supranational institutions down to subnational governments and side ways to public private networks It brings together work that significantly advances our understanding of the organization causes and consequences of multilevel and complex governance The series is selective containing annually a small number of books of exceptionally high quality by leading and emerging scholars The series targets mainly single authored or co authored work but it is pluralistic in terms of disciplinary specialization research design method and geographical scope Case studies as well as comparative studies historical as well as contemporary studies and studies with a national regional or international focus are all central to its aims Authors use qualitative quantitative formal modeling or mixed methods A trade mark of the books is that they combine scholarly rigour with readable prose and an attractive production style The series is edited by Liesbet Hooghe and Gary Marks of the University of North Carolina Chapel Hill and Walter Mattli of the University of Oxford

Facets of Security in the United Arab Emirates William Gueraiche, Kristian Alexander, 2022-01-23 The United Arab Emirates UAE has elaborated its own philosophy of security Driven by emergencies and increasing risks both in the region and globally Emirati authorities have developed a sense of anticipation as well as an agility to react promptly to new threats through the ability to assess the risks in any given situation War and the avatars of conflict are a constant reality in the Middle East Transnational threats including the regional context the war in Yemen insecurity in the Levant and tensions with Iran affect the overall stability of the Peninsula and consequently that of the UAE Owing to the inclusion of the UAE in the networks of globalization non traditional security issues are not relegated to the background Issues such as COVID 19 immigration cybersecurity and human trafficking need to be addressed domestically as well as globally This volume offers a comprehensive and multifaceted examination of the traditional and non traditional security measures present in the UAE that allow the country to remain politically stable in an otherwise volatile region and aims to offer a comprehensive overview of all forms of security in the UAE

Gulf Security in the Twenty-First Century Prof. Jamal Sanad Al-Suwaidi, 2014 The connection between regional

instability and the preservation of global security is nowhere more sensitive than in the Gulf Events since the 1990 1991 Gulf War continue to confirm the fragile interaction among states in the region and their susceptibility to external forces Gulf Security in the Twenty First Century brings together some of the foremost area experts to explore the most pressing issues including military threats to the region obstacles to economic development and socioeconomic harmonization and challenges to political stability In particular the work examines Iran s often enigmatic foreign policy vis vis its Gulf neighbors Iraq s resurgent military threat choices and constraints confronting US Middle East policy and Europe s inability to identify and pursue a united policy to safeguard its economic interests in the area These topics are further illuminated with an analysis of Russia s historical attempt at balancing foreign policy objectives in the Gulf with its enduring interests in Central Asia The potentially explosive issues of religious radicalism and the challenges of democratic pluralism are discussed in an effort to ascertain the potential of political Islam to disturb or enhance regional security Similarly the problems inhibiting the settlement of territorial disputes in and around the Gulf are brought into focus to illustrate lingering historical tensions among neighboring states To round out the book s topical coverage several contributors shed light on the region s unfettered dependence on foreign labor growing demographic pressures associated social and economic transformations and challenges to responsive public policy

Historical Dictionary of Arab and Islamic Organizations Frank Clements, 2001 Unity is an often heard word in Arab and Islamic circles This historical dictionary seeks to show that along with the underlying sources of unity there are also sources of division in these groups Unlike other volumes in this series this volume focuses not only on the organizations but also on the key countries and figures of the region Includes o An explanatory introduction o List of Acronyms o Chronology o Bibliography *The United Nations, Iran, and Iraq* Cameron R. Hume, 1994-05-22 In 1985 faced with conflicts involving Iran and Iraq the United Nations Security Council s permanent members joined forces for the first time to mobilize the U N against threats to international peace and security Cameron R Hume s authoritative account follows the transformation of the Security Council from a stage for acrimonious public diplomacy into a forum where governments collaborate to settle regional disputes Hume underscores three interconnected themes changes in Security Council diplomacy during forty five years of successive conflicts involving Iran and Iraq including Iraq s 1990 invasion of Kuwait the Council s progression from invoking gentler means within its authority under the U N Charter to a more muscular assertion of its will and the growing congruence between diplomacy as practiced in the Security Council and the bilateral policies of the major powers Based on U N documents and the author s firsthand experience *The United Nations Iran and Iraq* is important for students and practitioners in international organizations multilateral diplomacy and conflict resolution

Shifting Geo-Economic Power of the Gulf Bessma Momani, 2016-04-01 Bringing together for the first time distinguished Gulf experts to analyse the renewed geo economic prominence of the Gulf states this volume investigates some of the new power brokers in the world economy the oil exporting states of the Gulf The Gulf Cooperation Council s GCC members

Bahrain Kuwait Oman Qatar the United Arab Emirates and Saudi Arabia collectively have the largest proven oil reserves in the world and are among the world's largest oil exporting states Gulf Arab states are actively pursuing a variety of foreign investment strategies Some of these investments are being managed by sovereign wealth funds government investment corporations and government controlled companies This renewed geo economic status has received a lot of media attention but there has been a dearth of academic study on what this shift in global economic power means for the international economic system This volume aims to fill this gap with a rigorous scholarly analysis based on primary sources and raw economic data It brings together the expertise of academics who have devoted their career to careful study of the region and of renowned scholars of international political economy

Protecting Intellectual Property in the Arabian Peninsula

David Price, Alhanoof AlDebasi, 2017-09-13 This work examines the endeavours of the Arabian Peninsula States namely the Gulf Cooperation Council member States of Bahrain Kuwait Oman Qatar Saudi Arabia and the UAE as well as Jordan and Yemen as prospective GCC members in establishing national intellectual property protection regimes which both meet their international treaty obligations and are also congruent with their domestic policy objectives It uses the WTO's TRIPS Agreement of 1995 as the universal benchmark against which the region's laws are assessed The challenges faced by the States in enforcing their intellectual property laws receive particular attention Protecting Intellectual Property in the Arabian Peninsula considers the changing nature of the States intellectual property laws since 1995 It argues that the decade immediately following the TRIPS Agreement was marked by a period of foreign forces shaping or influencing the character of the States intellectual property legislative regimes primarily through multilateral or bilateral trade based agreements The second and current decade however see a significant shift away from foreign influences and a move towards domestic and regional imperatives and initiatives taking over The work also examines regional initiatives for the protection of traditional knowledge and cultural heritage as areas of intellectual property which fall outside the parameters of the TRIPS Agreement but which are of significant concern to the States and other developing countries and to which they are giving increasing attention in terms of providing proper protection

Reconstruction and Regional Diplomacy in the Persian Gulf

H. Amirahmadi, N. Entessar, 2023-05-26 First Published in 1992 Reconstruction and Regional Diplomacy in the Persian Gulf goes beyond a description of the recent events by analysing the social political and economic patterns of interaction between the Gulf states The argument is strengthened by a consideration of the role of the superpowers in the region's political discourse and of religion as a force for a change Not only do the authors provide an easily accessible basis for explaining the current problems in the region but they also offer their own sometimes provocative

policy prescriptions This book is an important read for scholars and researchers of Middle East politics and Middle East history

Kuwait Amid War, Peace and Revolution Lori Plotkin Boghardt, 2006-10-31 This book explores Kuwaiti internal security challenges of terrorism sabotage and subversion and using untapped Kuwaiti government sources examines policy responses such as mass deportations and special security trials The study details how turmoil in neighbouring states and religious tensions threaten Kuwait's environment

Does Membership in a Regional Preferential Trade Arrangement Make a Country More Or Less Protectionist? Faezeh Foroutan, 1998

Beyond Regionalism? Matteo Legrenzi, 2016-04-15 Regional cooperation regionalism and regionalization in the Middle East are usually considered to be weak and rather ceremonial However since September 11 2001 a new regional order is emerging and the impact of geostrategic changes in the international environment has yet to be satisfactorily studied With older regional organizations suffering from weaknesses new forms appear to be developing and flourishing due either to European support or growing sub regional identities This volume offers refined theoretical models and approaches which are attuned to the new dynamics and contradictions of a wide range of regionalist projects in the contemporary Middle East Case studies of the most important regional organizations in different policy fields offer comprehensive overviews of the main actors institutions historical development and current issues
