for fun He was pulled over and arrested and sent to a detention center for fifteen months and twenty three days Unbeknown to him at this time that his life would never be the same The punishment would leave him bitter for a very long time and his parents absences during his months of imprisonment only fanned the flames The story takes a turn going into his third month inside the detention center after receiving a gift from God a gift of writing After receiving this gift he was able to put light inside a very dark place Even though the gift was a blessing once he was released he suddenly became dysfunctional and he felt it was by design The young man had felt he was the victim of systemic racism and that he had been trapped into a system that had taken his name and had replaced it with a number that would label him for many years to come The months inside the detention center would transform him into a mean and cold hearted individual Soon he would become a career criminal and a two strike felon His brief intermissions in and out of jails and prison turned him into a drug addict and alcoholic as a coping mechanism to get through a day He would receive a rude awakening when he was released from prison the second time His mother had lost her eyesight from diabetics When she became blind this is when the young man began to see

The Metropolitan ,1853 **How to Read the Bible in Changing Times** Mark L. Strauss,2011-08-01 Many find it difficult to take words that were written thousands of years ago and apply them to twenty first century life in the Western world How do we read God s unchanging Word in a world that is increasingly defined by change How to Read the Bible in Changing Times shows everyday Christians how to interpret and apply the Scriptures regardless of time and culture Rather than seeing the Bible as a magic answer book a list of commands to obey or a series of promises to claim this insightful book allows the Bible to retain its identity as a complex inspired document while showing that the truth it contains is relevant and life changing It shows the reader how to determine the meaning of the text in its original context identify culturally relative features understand what the text teaches about God his will and his

purposes apply the truths discovered to contemporary life situations It even shows readers how to discern God s will on the many modern issues that the Bible does not directly address Journey to the Heart Martin Aronson,2004-07 Part travel journal and part spiritual diary Journey to the Heart chronicles the author s journey across America by bus and then his travels as a pilgrim tourist in Israel and Europe Seeking to regain his emotional health as well as discover the heart of the Western spiritual tradition the author journeys to the Holy Land to walk in the footsteps of Jesus Later he travels to Europe where he resides in a religious community in the South of France then lives the literary life in Paris Through his various experiences the author reflects on the nature of God suffering illness and art all in the attempt to rebuild his life and heal his wounded soul *Prayers from the Heart* Rev. James E. Holder,2010-08-20 Prayer has always been an integral part of author Rev James E Holders life But while he was growing up he observed that prayers had a predictable pattern and were pretty much routine recitations This was troubling for him a young man growing into a pastoral ministry So he tried writing some prayerswhich became a regular thing for him And in his newly released book Prayers from the Heart he shares some of these prayers so others even the young pastors can use this as a guide or plan for their own prayer momentsand experience the blessing of talking and being with God Divided into different chapters from church prayers to selected prayers for occasions and professions these beautiful Prayers from the Heart offer readers a chance to discover the wonderful feeling of writing and saying their own prayers Because prayer is a way to communicate with God it should bear meaning to the person praying There should be truth honesty and faith in every word prayed and said Rev Holder hopes that with this collection of prayers readers will find some ideas and help on how to pray from the heart Others would probably approach this subject differently but if this challenges you to think thats all Im asking for anyway This book goes out with my sincere prayer that all who might read it would find the way to satisfy that deep yearning to pray and to receive the very real sense that you have talked with the Heavenly Father about those things that are most important to you the author prays The Gracious Gospel of the Lord Jesus Christ Gilbert Christian Assembly,2014-07-25 Book 2 in a 4 book series which teaches and explains with exhaustive scripture references the Gospel of Universal Reconciliation that Jesus Christ is the Saviour of all men not some men but ALL men God was in Christ reconciling the world everyone unto himself not imputing their trespasses unto them and hath committed unto us the word of reconciliation 2 Corinthians 5 19 Memoirs of a Professional Lady Nurse M. Benson,2017-12-13 When Alexander Vanos joined the priesthood he was as serious as any other making his vows but not with any intention of making a lifetime commitment Fr Vanos loved the priesthood and seemed perfectly suited for it However after a few years he begins to question certain doctrine and teachings of his church and finds himself on a quest for truth He discovers there are other priests who share his concerns they unite and commit to study doctrine and teachings and come to a monumental decision confront the powers that be and demand answers In the process this now former priest meets and falls in love with a Christian woman This has its own unique set of obstacles maintaining an interracial interfaith and multistate relationship Will either of them convert to the other's faith Or join together and mesh the two Or compromise In this sequel the enthusiastic group of former priests believes they have been called by God for something special and they delve deeper into prayer meditation and study Their mission is to confront errors of the past with those in highest authority After gaining tremendous global support even from other denominations this group of former priests is now ready to make the trip of a lifetime and take a stand for truth with results that none of them could have foreseen Their final destination Rome
