## **The Guevara Legacy:**

Che's Afterlife Michael J. Casey, 2012-06-06 In 1960 Cuban photographer Alberto Korda captured fabled revolutionary Ernesto Che Guevara in what has become history's most reproduced photo. Here Michael Casey tells the remarkable story of this image detailing its evolution from a casual snapshot to an omnipresent graphic plastered on everything from T-shirts to vodka to condoms and into a copyrighted brand. As Casey follows it across the Americas and through cyberspace, he finds governments exploiting it and their dissenters attacking it, merchants selling it and tourists buying it. We see how this image is ultimately a mercurial icon that still ignites passion and a reflection of how we view ourselves. **Che Lives!** Shannon

Brincat, 2025-08-12 This book explores the vast and ongoing legacy of Che Guevara in world politics. It is one of the first volumes to explore both historical and contemporary manifestations of Che's legacy with an emphasis on the international dimensions of his thought and praxis. The chapters in this volume explore the ongoing influence of Che across political economy, revolutionary traditions, guerilla warfare, resistance movements in the global South, studies of neoimperialism and decolonialism, internationalism, education and political theory. This volume highlights that Che's thought remains highly relevant in contemporary world politics because the structures of global economic exploitation and social marginalisation continue to operate as they did in Che's time. This volume offers a critical engagement with Che's ideas and actions across world politics, weaving a path beyond man-myth and moment narratives to offer a balanced account that engages across the highly contested nature of Che's legacy. This book will be of interest to anyone concerned with history, politics and international relations. Most of the chapters in this book were originally published as a special issue of *Globalizations*, with this edition featuring three new chapters, an updated Introduction and a new postscript. *Che Guevara* Oliver

Besancenot, Michael Löwy, 2009-02 In this masterful new study, Besancenot and Löwy explore and situate Guevara's ethical, revolutionary and humanist legacy. They explicate Guevara's emphasis on the importance of the individual coming to understand and accept socialism at a personal level. For Guevara, Besancenot and Löwy show, the revolutionary project demands more than a transformation of the mode of production; it demands a profound transformation of the individual, the birth of what Guevara termed the new man. Besancenot and Löwy also explore Guevara's pragmatic approach to the question of state power and unique theoretical contributions to the question of the transition to socialism. Amazon editorial review

The Guevara Legacy J. Choate Parker, 2001-06-19 Provocative, fast-paced action story chronicles the confrontation and checkmate of American world power by an Alliance of Middle Eastern and Central Asian Islamic Republics put together by the brilliant new President of Iran, Saladin al-Hassan. The powerful but mysterious Compa del Mundo CdelM helps Saladin and the Alliance finesse their objectives. Leading the action for CdelM, Ben and his beautiful wife Elena Garcia Sandoval heirs apparent of Guevara's legacy, experience the highest levels of international politics, terrorism, intrigue, ambition, revenge, family tragedy and love. Viva Che! Andrew Sinclair, 2006-01-19 Useful for those interested in Che Guevara and the legacy

he left behind this book includes material which reveals how Che's death and example led to the revolutions of 1968 particularly in France, the UK and the USA. It also includes Fidel Castro's speech on Che's death along with Inti Peredo's insistence that the struggle would continue.

**The Life and Legacy of Che Guevara** Charles River Editors, 2025-05-28

The revolution is not an apple that falls when it is ripe. You have to make it fall. Che Guevara. Ernesto Guevara de la Serna, known to the world as Che, has led two lives. In the first of these lives, the Argentine-born revolutionary was a remarkable and flawed doctor turned guerilla who left behind a highly controversial political legacy. In the second, he was and is first and foremost an image. Specifically, he is one particular image in which he appears as a wavy-haired bearded young man with a beret and an intense gaze. The photograph entitled *Guerrillero Heroico* and taken on March 5, 1960, by Cuban photographer Alberto Korda is said to be the most reproduced image in the history of photography. Although Che's face as captured by Korda first achieved its global iconic status during the student revolts of the 1960s, it has subsequently reappeared again and again as a branding device for a wide array of products. Korda himself brought a copyright lawsuit against Smirnoff Vodka for using *Guerrillero Heroico* in an advertising campaign, and since Korda's 2001 death, his daughter has gone to court with several other companies. There is little market for the type of revolution that Che advocated and pursued, but the aura of rebellion that his image exudes still carries a notable sway. The current status of Che Guevara then is paradoxical. The political platform he advocated as a communist revolutionary has been almost universally repudiated and only maintains a weak hold even in Cuba, the country where he exercised the greatest impact. The violent struggles he spearheaded in the Congo and Bolivia look at best quixotic and at worst foolish and pointlessly destructive. Yet Che is in no danger of being forgotten, mainly due to the persistent appeal of a decontextualized image. Most ironically of all, his image is frequently deployed to the direct economic benefit of the kinds of multinational corporations whose power he hoped to obliterate. In contrast to the quaint and hoary air that now surrounds other revolutionaries like Lenin, Mao, and even Fidel Castro, Che has managed to maintain a youthful glamour and allure in the post-Cold War world. And although any future revolutionary movements in an increasingly urbanized world are unlikely to look much like the peasant insurgencies Che led and theorized, it is likely that their leaders will continue to invoke his image and his example. When considered as a political figure, Che is most notable for his unwavering commitment to the ideals and goals that motivated him. Even his fiercest critics would never accuse him of cynicism, and his lack of willingness to compromise probably did him significant damage and shortened his life. Unusually among revolutionary leaders and in stark contrast to his compatriot Castro, Che seemed to have no strong attachment to power. Having reached the pinnacle of his authority as the second in command of the new revolutionary Cuba and having occupied several prominent government positions, he preferred to leave Cuba and take part in obscure and ultimately hopeless struggles in remote corners of Africa and South America. He was as vulnerable as any of the far less famous men he fought with, and he suffered the same fate as many of them. Depending on who's asked, his dogged and fierce commitment

may be described as admirable idealism or as deranged dogmatism      The Legacy of Che Guevara and the Latin American Revolution William Sanabria, Miguel Campos, 2007      The Dawn of Socialist Liberty: A Revolutionary Path in the Modern Era Pasquale De Marco, 2025-04-19 The Dawn of Socialist Liberty A Revolutionary Path in the Modern Era offers a comprehensive and thought provoking exploration of the key issues facing the socialist movement today This insightful book brings together a diverse range of perspectives on the economic political social and cultural dimensions of socialism providing readers with a deeper understanding of its potential for creating a more just and equitable world Written by a team of renowned scholars and activists The Dawn of Socialist Liberty examines the historical roots of socialist thought and its relevance to contemporary challenges The authors explore the different models of socialism that have been implemented around the world and they analyze the successes and failures of these experiments They also offer concrete proposals for how to build a more democratic and sustainable socialist society This timely book is essential reading for anyone who is interested in the future of socialism It provides a clear and concise overview of the key issues facing the movement and it offers a roadmap for building a more just and equitable world The Dawn of Socialist Liberty is divided into ten chapters each of which addresses a different aspect of socialism The chapters cover topics such as The history of socialist thought The economic foundations of socialism The political dimensions of socialism The social dimensions of socialism The global dimensions of socialism The challenges of building socialism in the United States The cultural dimensions of socialism The challenges of socialist transition The strategies and tactics for building a socialist movement in the 21st century A vision of a socialist utopia The Dawn of Socialist Liberty is a valuable resource for activists scholars and anyone who is interested in learning more about socialism and its potential for creating a more just and equitable world If you like this book write a review on google books      **Latin American Revolutionaries** Charles River Charles River Editors, 2017-12-20 Includes a list of Che s most memorable quotes Includes pictures of Che and important people places and events in his life Analyzes Che s enduring legacy Includes a Bibliography for further reading The revolution is not an apple that falls when it is ripe You have to make it fall Che Guevara Ernesto Guevara de la Serna known to the world as Che has led two lives In the first of these lives the Argentine born revolutionary was a remarkable and flawed doctor turned guerilla who left behind a highly controversial political legacy In the second he was and is first and foremost an image Specifically he is one particular image in which he appears as a wavy haired bearded young man with a beret and an intense gaze The photograph entitled Guerrillero Heroico and taken on March 5 1960 by Cuban photographer Alberto Korda is said to be the most reproduced image in the history of photography Although Che s face as captured by Korda first achieved its global iconic status during the student revolts of the 1960s it has subsequently reappeared again and again as a branding device for a wide array of products Korda himself brought a copyright lawsuit against Smirnoff Vodka for using Guerillero Heroico in an advertising campaign and since Korda s 2001 death his daughter has gone to court with several other companies There is little market

Along with pictures of important people, places and events in his life, you will learn about Che like you never have before in no time at all.

, **Eternal Colonialism** Russell Benjamin, Gregory O. Hall, 2010-02-03. This book examines eternal colonialism, a term used to describe the policies that were designed by the Western world and the United States in order to keep most of the world in a permanently subordinate political, economic, social and military state. Eternal colonialism is a combination of both internal and external colonialism or neocolonialism. Benjamin and Hall argue that the colonialism beginning in the fifteenth century never ended but rather developed different forms over time. The scope of their work examines eternal colonialism in both American and international contexts. The authors contend that the United States practices internal colonialism within its borders in addition to being fully engaged in external colonialism. *Eternal Colonialism* will prove essential to those who want to understand the ongoing global tension and turmoil, especially with regard to North-South relations. Furthermore, readers will see how the United States arguably the greatest of the colonizers practices colonialism within its own borders. Additionally, this book demonstrates that internal and external colonialism are parts of a global system of Western domination.
