The Harvest of Hellenism : a History of the Near East from Alexander the Great to the Triumph of Christianity Francis E. Peters, 1970 What Did the Biblical Writers Know and When Did They Know It? William G. Dever, 2001-05-10

For centuries the Hebrew Bible has been the fountainhead of the Judeo Christian tradition. Today however the entire biblical tradition including its historical veracity is being challenged. Leading this assault is a group of scholars described as the minimalist or revisionist school of biblical studies which charges that the Hebrew Bible is largely pious fiction that its writers and editors invented ancient Israel as a piece of late Jewish propaganda in the Hellenistic era. In this fascinating book noted Syro-Palestinian archaeologist William G. Dever attacks the minimalist position head on showing how modern archaeology brilliantly illuminates both life in ancient Palestine and the sacred scriptures as we have them today. Assembling a wealth of archaeological evidence Dever builds the clearest most complete picture yet of the real Israel that existed during the Iron Age of ancient Palestine 1200-600 B.C. Dever's exceptional reconstruction of this key period points up the minimalists' abuse of archaeology and reveals the weakness of their revisionist histories. Dever shows that ancient Israel far from being an invention is a reality to be discovered. Equally important his recovery of a reliable core history of ancient Israel provides a firm foundation from which to appreciate the aesthetic value and lofty moral aspirations of the Hebrew Bible.

Freedom Donald W. Treadgold, 1990-11

A worldwide trend toward democracy is surely one of the more remarkable phenomena of our times even if the movement toward that goal may often be haphazard and elusive. Past history will provide a healthy skepticism concerning the likelihood of democracy being reached in the near future in many parts of the world as well as a preparedness for the possibility that many countries apparently close to the institutional divide are going to slip back rather than cross it soon. Nevertheless the past 2600 years or even 5000 yield the reassuring message that during that long period freedom has improved its extent significantly with respect both to geographical breadth and institutional depth. This book is the first to attempt to describe the history of the growth of freedom on a world scale within one single set of covers. It sets out not to redefine freedom nor to discover freedom where no one else has nor to argue that freedom is the proud possession of one country or tradition or people. Its purpose instead is to show how certain elements of free society made their appearance in an amazing variety of places from ancient Sumeria and China to medieval Japan, modern Czechoslovakia and Costa Rica in areas both inside and outside of the Western European and North American tradition that will probably be familiar to most readers of the English language edition of this book. The whole story with its fits and starts, triumphs and tragedies deserves the thoughtful reflection of everyone who in the wish to establish and protect freedom would avoid

needless disappointment and despair and desires to act intelligently to attain the attainable But even for the quietest the person who has no faith in human action to improve man's lot the story is worth pondering for along with failure and misery it holds much that is noble and uplifting tells of much gain for humanity through patient suffering and self sacrifice and catches a vision of liberty for all in the present and possible future that was inconceivable at the dawn of history **The**

New World of the Gothic Fox Claudio Veliz,2023-04-28 Claudio Veliz adopts the provocative metaphor of foxes and hedgehogs that Isaiah Berlin used to describe opposite types of thinkers Applying this metaphor to modern culture economic systems and the history of the New World Veliz provides an original and lively approach to understanding the development of English and Spanish America over the past 500 years According to Veliz the dominant cultural achievements of Europe's English and Spanish speaking peoples have been the Industrial Revolution and the Counter Reformation respectively These overwhelming cultural constructions have strongly influenced the subsequent historical developments of their great cultural outposts in North and South America The British brought to the New World a stubborn ability to thrive on diversity and change that was entirely consistent with their vernacular Gothic style The Iberians by contrast brought a cultural tradition shaped like a vast baroque dome a monument to their successful attempt to arrest the changes that threatened their imperial moment Veliz writes with erudition and wit using a multitude of sources historians and classical sociologists Greek philosophers today's newspaper sports pages and modern literature to support a novel explanation of the prosperity and expanding cultural influence of the gothic fox and the economic and cultural decline endured by the baroque hedgehog Claudio Veliz adopts the provocative metaphor of foxes and hedgehogs that Isaiah Berlin used to describe opposite types of thinkers Applying this metaphor to modern culture economic systems and the history of the New World Veliz provides an original a

Away With All Gods! Bob Avakian,2008-04-01 Is believing in gods actually harmful How has Christianity for centuries served as an ideology of conquest and subjugation Why is the Bible Belt in the U S also the lynching belt Why is there a rise of religious fundamentalism throughout the world In the intensifying conflict between U S imperialism and Islamic fundamentalism is the only choice to take one side or the other Why is patriarchy and the oppression of women foundational to so many religions Can people be good without god These are just some of the questions explored in this provocative work by Bob Avakian Bringing a unique revolutionary communist voice to the current discourse about god atheism and morality Avakian demystifies religious belief and examines how even in its most progressive interpretations religion stands in the way of the emancipation of humanity A thread deeply woven throughout Away With All Gods is the need to fully rupture with all forms of superstition and to take up instead a truly scientific approach to understanding and transforming reality Whether you believe in god or are an agnostic or an atheist Bob Avakian will challenge you with his powerful critique of long established traditions and his liberating vision of a radically different world **Methexiology**

Nicolas Laos,2016-05-19 Methexiology is not a particular theory but rather a general philosophical orientation Therefore in

Methexiology Philosophical Theology and Theological Philosophy for the Deification of Humanity Nicolas Laos elucidates the significance of methexiology for the study of ontology epistemology ethics philosophical psychology theory of justice philosophy of history and philosophy of religion Laos argues that faced with the modern and the postmodern crises of meaning we need a new myth a new spiritual formula for the resacralization of humanity and the cosmos without restoring defunct totems without using tales as cheap substitutes for the lack of a life giving myth and without negating history In his Methexiology Laos studies the genealogy of the modern and the postmodern crises of meaning and based on his new interpretation of classical Greek philosophy and Hesychasm proposes methexiology as a way of overcoming the crises of meaning and as a way of resacralizing humanity and the cosmos through a new metaphysically grounded humanism **The Apocalyptic Vision of Daniel** John J. Collins,2019-11-26 The Letters of Paul Calvin J. Roetzel,1998-01-01 Exploring the sometimes heated exchanges found in the letters of Paul Calvin Roetzel compares Paul s Jewish background and the cultures of his converts Roetzel brings alive Paul s intriguing and sometimes enigmatic personality making his theology as accessible and engaging to Christians today as it was to Christians living in the first century Letters and Homilies for Hellenized Christians Ben Witherington III,2010-04-09 This unique commentary on Titus 1 2 Timothy and 1 3 John probes each letter s social setting and the rhetorical strategies of the author Ben Witherington shares how several of these letters are much better understood as homilies and also provides special sections to bridge the gap between the text and the everyday life of the reader **The Children of Abraham** F. E. Peters,2018-05-22 F E Peters a scholar without peer in the comparative study of Judaism Christianity and Islam revisits his pioneering work Peters has rethought and thoroughly rewritten his classic The Children of Abraham for a new generation of readers at a time when the understanding of these three religious traditions has taken on a new and critical urgency He began writing about all three faiths in the 1970s long before it was fashionable to treat Islam in the context of Judaism and Christianity or to align all three for a family portrait In this updated edition he lays out the similarities and differences of the three religious siblings with great clarity and succinctness and with that same remarkable objectivity that is the hallmark of all the author s work Peters traces the three faiths from the sixth century B C when the Jews returned to Palestine from exile in Babylonia to the time in the Middle Ages when they approached their present form He points out that all three faith groups whom the Muslims themselves refer to as People of the Book share much common ground Most notably each embraces the practice of worshipping a God who intervenes in history on behalf of His people The book s text is direct and accessible with thorough and nuanced discussions of each of the three religions Footnotes provide the reader with expert guidance into the highly complex issues that lie between every line of this stunning edition of The Children of Abraham Complete with a new preface by the author this Princeton Classics edition presents this landmark study to a new generation of readers Marcion, on the Restitution of Christianity R. Joseph Hoffmann,1984 **Hindsight in Greek and Roman History** Anton Powell,2013-12-31 Nine new studies here explore and

reconstruct determinant episodes of Greek Hellenistic and Roman history The authors argue that hindsight especially in modern works has falsified the past by playing down or eliminating the record of ancient unfulfilled forecasts and of trends in events which in the long term did not obviously prove predominant The authors also highlight the efforts of the best placed writers in Antiquity not to be misled by hindsight but rather to give due weight to the working of hopes and fears and of trends in events which with remote retrospect would tend to be belittled or forgotten The techniques demonstrated in this book open new fields of research across Ancient History they illuminate almost every ancient episode for which there is evidence of what historical agents planned or anticipated The authors show convincingly that by giving due respect to trends observable and to political predictions made in Antiquity historians of today are better placed to evaluate outcomes to see how easily events might have developed differently or even to show that concrete outcomes were different from those conventionally portrayed from hindsight

Periods of World History Charles A. Truxillo, 2008 *Periods of World History* a Latin American Perspective is the first serious attempt to write a world history narrative in which Latin America receives serious consideration The chronology of the work covers the normative period of world history to date 1800 B C to 1800 A D During this time differentiation of world societies was at its height The six civilized core areas of the ecumene interacted but were not moving toward uniformity as was characteristic of the first phase of world history Theocratic civilizations 3500 1500 B C Over the last two centuries global societies have also tended to coalesce because of westernization industrialism nationalism ideology and the media During the normative phase of human history Latin America moved from being a periphery of Afro Eurasia to the status of becoming the economic crucible of Spain's vast Catholic monarchy which was the ecumene's first global power 1492 1648 A D Latin America was again reduced to peripheral status *Periods of World History* explains these processes in the larger context of a truly global historical narrative and as such makes an extraordinary contribution to understanding human social development Charles Truxillo is a professor of Chicano Studies at the University of New Mexico in Albuquerque He received his Ph D in Latin American history at UNM and has published two other books *History of Islam and By the Sword and the Cross* Dr Truxillo is dedicated to teaching Chicano Studies in the context of Latin America and world history

The Jewish People in Classical Antiquity John Haralson Hayes, Sara Mandell, 1998-01-01 John Hayes and Sara Mandell provide a clear exposition of Jewish history from 333 BCE to 135 CE This volume focuses on the Judean Jerusalem community from a historical rather than ideological or theological perspective With the inclusion of charts maps and ancient texts the authors have constructed a fascinating account that is indispensable for the study of this crucial period

The Harvest Of Hellenism Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Harvest Of Hellenism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Harvest Of Hellenism has opened up a world of possibilities. Downloading The Harvest Of Hellenism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Harvest Of Hellenism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Harvest Of Hellenism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Harvest Of Hellenism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Harvest Of Hellenism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Harvest Of Hellenism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
