The Hero Manager Learning From New Zealands Top Chief Executives:

The Hero Manager Brad Jackson, Ken W. Parry, 2001 An analysis of the hero manager in New Zealand business who they are why they've succeeded and what we can learn from them *How Managers Have Learnt to Lead S.*

Kempster, 2009-02-25 An insight into the black box of leadership learning that acts as a companion to guide leadership development It has been written to enable the reader to reflect on their own experience and critique this against four case profiles of leadership learning the public and private sectors women managers and owner managers Leadership.

Discourse, and Ethnicity Janet Holmes, Meredith Marra, Bernadette Vine, 2011 This is the first book in the field of workplace discourse to examine the relationships among leadership ethnicity and language use Taking a social constructionist approach to the ways in which leadership is enacted through discourse Leadership Discourse and Ethnicity problematizes the concept of ethnicity and demonstrates the importance of context particularly the community of practice in determining what counts as relevant in the analysis of ethnicity The authors analyse everyday workplace interactions supplemented by interview data to examine the ways in which workplace leaders use language to achieve their transactional and relational goals in contrasting ethnicized contexts two of which are Maori and two European Pakeha Their analysis pays special attention to the roles of ethnic values beliefs and orientations in talk Research Handbook on Entrepreneurship and Leadership Richard T.

Harrison, Claire M. Leitch, 2019 This Research Handbook argues that the study of entrepreneurs as leaders is a gap in both the leadership and the entrepreneurship literatures With conceptual and empirical chapters from a wide range of cultures and entrepreneurship and leadership ecosystems the Research Handbook for the first time produces a systematic overview of the entrepreneurial leadership field providing a state of the art perspective and highlighting unanswered questions and opportunities for further research It consolidates existing theory development stimulates new conceptual thinking and includes path breaking empirical explorations **A Very Short Fairly Interesting and Reasonably Cheap Book About**

Studying Leadership Brad Jackson, Ken Parry, 2011-05-25 The first edition of this popular and acclaimed book quickly became a favourite among students for the engaging way in which it guided them through the cacophony of competing perspectives and models of leadership This new edition includes an expanded discussion of hot topics like followership gender ethics authenticity and leadership and the arts set against the backdrop of the global financial crisis In teaching you how to critically appraise and work with leadership theories rather than faithfully accept them this book will not merely make you a better student of leadership it could make you a better leader too Challenging Leadership Stereotypes Through

Discourse Cornelia Ilie, Stephanie Schnurr, 2017-08-31 This multidisciplinary volume brings together wide ranging empirical research that goes behind the scenes of diverse organizations dealing with business politics law media education and sports to unravel stereotypes of discursive leadership practices as they unfold in situ It includes contributions that explore how leadership discourse is impacted by increasing pressures of globalization the need to communicate across cultures and

languages mediatization leaving ubiquitous digital traces standardization with quality management programmes negotiating organizational procedures mobility endless fast paced long distance synchronization and acceleration permanent co adaption and change The discussion of purposefully chosen case studies moves beyond questions of who is a leader and what leaders do to how leadership stereotypes are being challenged in various communities of practice and thereby making change possible Cross cultural and interdisciplinary approaches are used to get deeper insights into the competing multi voiced controversial and complex identities and relationships enacted in leadership discourse practices

The Palgrave Handbook of Linguistic (Im)politeness Jonathan Culpeper, Michael Haugh, Dániel Z. Kádár, 2017-05-11 This handbook comprehensively examines social interaction by providing a critical overview of the field of linguistic politeness and impoliteness. Authored by over forty leading scholars, it offers a diverse and multidisciplinary approach to a vast array of themes that are vital to the study of interpersonal communication. The chapters explore the use of im politeness in specific contexts as well as wider developments and variations across cultures and contexts in understandings of key concepts such as power, emotion, identity and ideology. Within each chapter, the authors select a topic and offer a critical commentary on the key linguistic concepts associated with it, supporting their assertions with case studies that enable the reader to consider the practicalities of im politeness studies. This volume will be of interest to students and scholars of linguistics, particularly those concerned with pragmatics, sociolinguistics and interpersonal communication. Its multidisciplinary nature means that it is also relevant to researchers across the social sciences and humanities, particularly those working in sociology, psychology and history.

Gendered Talk at Work Janet Holmes, 2008-04-15 *Gendered Talk at Work* examines how women and men negotiate their gender identities as well as their professional roles in everyday workplace communication. Written accessibly by one of the field's foremost researchers, it explores the ways in which gender contributes to the interpretation of meaning in workplace interaction, uses original and insightfully analyzed data to focus on the ways in which both women and men draw on gendered discourse resources to enact a range of workplace roles, illustrates how a qualitative analysis of workplace discourse can throw light on the many ways in which workplace discourse provides a resource for constructing gender identity as one component of our complex socio-cultural identity.

Good Data in Business and Professional Discourse: Research and Teaching Geert Jacobs, Sofie Decock, 2021-01-27 This edited book engages with the richly interdisciplinary field of business and professional communication, aiming to reconcile the prescriptive ambitions of the US-centred business communication tradition with the more descriptive approach favoured in discourse studies and applied linguistics. A follow-up to the award-winning book *The Ins and Outs of Business and Professional Discourse* (Palgrave Macmillan, 2016), this volume brings together scholars and their recent work from wide-ranging business and professional settings to engage with the question of what counts as good data. The authors focus on four key themes: authenticity, triangulation, background and relevance, to shine a light on business and professional discourse as essential contextual and intertextual. This book will be of interest to scholars working in applied linguistics, sociolinguistics and business communication, but also other social scientists interested in a range of perspectives on oral, written and digital language use in workplace settings.

Studying Organizations Using Critical Realism Paul K. Edwards, Joe O'Mahoney, Steve Vincent, 2014 The book provides a practical guide to the application of Critical Realism (CR), an increasingly popular philosophy of social science in empirical research projects. Each purpose-written chapter reviews major social science

research methods and contains extended illustration of how to conduct inquiry using CR *Follower-Centered Perspectives on Leadership* Mary Uhl-Bien,Raj Pillai,Michelle C. Bligh,2009-03-01 The majority of leadership theories and studies have tended to emphasize the personal background personality traits perceptions and actions of leaders From this perspective the followers have been viewed as recipients or moderators of the leader s influence and as vehicles for the actualization of the leader s vision mission or goals One of the major challengers of this dominant view was the late James R Meindl As an alternative to the leader centric perspective on leadership Meindl offered a follower centric approach that views both leadership and its consequences as largely constructed by followers and hence influenced by followers cognitive processes and inter follower social influence processes As a tribute to Jim Meindl and his contributions to the field of leadership studies Information Age Publishing is releasing a book on follower centered approaches to leadership The book covers a wide variety of perspectives that acknowledge the active roles of followers in the leadership process These include the psychoanalytical perspective leadership categorization theory social identity theory the shared leadership approach attribution of charisma through social networks the role of the media in constructing images of the leader the social construction of followership vision implementation by followers and a post modern approach to followership It is hoped that the volume will provoke readers to reflect upon and extend Jim Meindl s seminal work on followership ars and practitioners curious about the nature of research on leadership both those with much research exposure and those new to the field **Demystifying Business Celebrity** Eric Guthey,Timothy Clark,Brad Jackson,2009-09-10 Demystifying Business Celebrity is the first systematic exploration of business celebrity This book defines what business celebrity is describes how it is constructed and explains why it exists raising questions about the impact of business celebrity on our ability to promote the practice of leadership in an enlightened manner **New Zealand Books in Print 2004** Thorpe-Bowker Staff,2004-06 Directory containing updated bibliographic information on all in print New Zealand books 33nd edition of an annual publication The 12 500 book entries are listed by title and there is an index to authors Also provided are details of 975 publishers and distributors and local agents of overseas publishers The book trade directory includes contacts for trade organisations booksellers public libraries and specialised suppliers NZ literary awards and past winners and sources of financial assistance for writers and publishers
