He features his Mackay Morals, life lessons such as: Big shots are just little shots who kept shooting. Helping someone up won't pull you down and could very easily pull them to your side. Be like the turtle. If he didn't stick his neck out, he wouldn't get anywhere at all. There is no one better to show you how to be a high-energy, determined, creative sales dynamo than Harvey Mackay.

People Buy You Jeb Blount, 2010-06-21 The ultimate guide to relationships, influence and persuasion in 21st-century business. What is most important to your success as a sales or business professional? Is it education, experience, product knowledge, job title, territory or business dress? Is it your company's reputation, product price, marketing collateral, delivery lead times, in-stock ratios, service guarantees, management strength or warehouse location? Is it testimonials, the latest Forbes write-up or brand awareness? Is it the investment in the latest CRM software, business 2.0 tools or social media strategy? You could hire a fancy consulting firm, make the list longer, add some bullet points, put it into a PowerPoint presentation and go through the whole dog and pony show. But at the end of the day, there will be only one conclusion: None of the above. You see, the most important competitive edge for today's business professionals cannot be found on this list, your resume or in any of your company's marketing brochures. If you want to know the real secret to what matters most in business, just look in the mirror. That's right, it's YOU. Do these other things matter? Of course they do, but when all things are equal and in the competitive world we live in today, things almost always are. People Buy You. Offering a straight-forward, actionable formula for creating instant connections with prospects and customers, People Buy You will enable you to achieve a whole new level of success in your sales and business career. You'll discover three relationship myths that are holding you back, five levers that open the door to stronger relationships that quickly increase sales, improve retention, increase profits and advance your career. The real secret to making instant emotional connections that eliminate objections and move buyers to reveal their real problems and needs.
