Apparently he's got his gift to both football and the ladies I'm using that term loosely All he has to do is smile and girls fall right onto their backs before spreading their legs wide I've heard that he's already plowed his way through half the female population at Barnett My guess is that he'll work his way through the second half before he gets drafted to the NFL later this year Yeah I don't plan to be one of them The guy is nothing more than a conceited player You know the type a steroid infused meathead coasting through college on his football prowess Ugh I have three words for you avoid avoid avoid Friend Zoned Sam Harper is my best friend and has been since we were fourteen years old Unfortunately he sees himself as my unofficial big brother Which is to say that the guy is a major cock block I swear he has a sixth sense when it comes to me getting laid It's frustrating how I can be on the verge of sealing the deal when Sam will appear out of nowhere and suddenly my night is going up in a big ball of sexually frustrated flames I think the guy enjoys messing with me Why else would he take such perverse pleasure in doing it Exactly I'm thinking he needs a girlfriend Someone to preoccupy him Maybe then he'd stop trying to get in my way all the time Except I'm starting to notice things about Sam that I definitely shouldn't be noticing Like those piercing blue eyes that pin me in place Or his short blond hair that I want to drag my fingers through Not to mention those killer abs that I sometimes catch a fleeting glimpse of when he stretches next to me in class The strange feelings that have sprung up in me are definitely starting to freak me out I mean we're friends We've always been just friends And I don't want that to change One Night Stand Liam The moment she stepped foot through the door she was on my radar How could she not be The woman is absolutely gorgeous Thick inky black hair and a sweetly curved body Although I have to admit this hole in the wall dive bar doesn't exactly seem like her scene For one she's wearing too much clothing Two she's shooting down every guy that sniffs around her table like it's her sole mission in life Casualties are scattered across the beer stained floor as we speak And three my guess is that she's a little older than the usual college aged crowd that hangs out here looking for a hookup to stumble home with at the end of the night After a careful assessment of the situation my current plan of action is to keep my sights firmly locked on the target as I bide my time nursing a beer Luckily it doesn't take long for some drunken idiot to give me the perfect opportunity to step in and run interference If You Were Mine Know what happens when you don't bother dating all through college because you're much too busy trying to stay on top of your classes I'll give you a little hint It starts with the letter V and ends with igrinity Ding ding ding nailed it Well at least something got nailed Because it certainly wasn't me Just to be clear it's not like I've been holding out all these years waiting around for Mr Perfect to ride in and sweep me off my feet Nor did I take a sacred vow of chastity It just kind of happened or didn't happen as the case may be Know what's even worse than that Wait for it Having the bad boy of the NFL who also happens to be one of my brother's teammates offer to take care of that pesky little problem for me Which is downright laughable because if there's one person I'm barely able to tolerate it's JT Higgins He may be amazing out on the field but he's even more notorious for his bar brawls drunken antics and the women who flock to him in droves It goes without saying that he's keeping some clinic in
