*The Season* Sophie Campbell, 2013-06-06 When travel journalist Sophie Campbell squeezed into heels and a hat to investigate the English social season she got more than she bargained for Why she wondered were events such as the Chelsea Flower Show the Royal Academy Summer Exhibition The Derby at Epsom Royal Ascot the Henley Royal Regatta Wimbledon Fortnight and Glorious Goodwood so formal so fashionable and so famous Her hectic and sometimes hilarious journey through the English summer proved as exotic as any tribal rite of passage as she swam the River Thames in the dark partied with owners and trainers at Ascot camped out for Wimbledon joined Irish Travellers at The Derby infiltrated the parents stand at the Eton v Harrow cricket match and got caught using a mobile in the Stewards Enclosure at Henley En route she found a fascinating and surprisingly complex social structure dating back to the time of the Stuart monarchs and involving fashion food art and the marriage market The English summer will never be the same again

*Integration Now* William P. Hustwit, 2019-02-05 Recovering the history of an often ignored landmark Supreme Court case William P Hustwit assesses the significant role that Alexander v Holmes 1969 played in integrating the South s public schools Although Brown v Board of Education has rightly received the lion s share of historical analysis its ambiguous language for implementation led to more than a decade of delays and resistance by local and state governments Alexander v Holmes required integration now and less than a year later thousands of children were attending integrated schools Hustwit traces the progression of the Alexander case to show how grassroots activists in Mississippi operated hand in glove with lawyers and judges involved in the litigation By combining a narrative of the larger legal battle surrounding the case and the story of the local activists who pressed for change Hustwit offers an innovative well researched account of a definitive legal decision that reaches from the cotton fields of Holmes County to the chambers of the Supreme Court in Washington

*Disillusioned* Benjamin Herold, 2024-01-23 Astonishingly important Alex Kotlowitz The Atlantic Through the stories of five American families a masterful and timely exploration of how hope history and racial denial collide in the suburbs and their schools Outside Atlanta a middle class Black family faces off with a school system seemingly bent on punishing their teenage son North of Dallas a conservative white family relocates to an affluent suburban enclave but can't escape the changes sweeping the country On Chicago's North Shore a multiracial mom joins an ultraprogressive challenge to the town's liberal status quo In Compton California whose suburban roots are now barely recognizable undocumented Hispanic parents place their gifted son's future in the hands of educators at a remarkable elementary school And outside Pittsburgh a Black mother moves to the same street where author Benjamin Herold grew up then confronts the destructive legacy left behind by white families like his Disillusioned braids these human stories together with penetrating local and national history to reveal a vicious cycle undermining the dreams upon which American suburbia was built For generations upwardly mobile white families have extracted opportunity from the nation's heavily subsidized suburbs then moved on before the bills for maintenance and repair came due leaving the mostly Black and Brown families who followed to clean up the ensuing mess But now sweeping demographic shifts and the dawning realization that endless expansion is no longer feasible are disrupting this pattern forcing everyday families to confront a truth their communities

were designed to avoid The suburban lifestyle dream is a Ponzi scheme whose unraveling threatens us all How do we come to terms with this troubled history How do we build a future in which all children can thrive Drawing upon his decorated career as an education journalist Herold explores these pressing debates with expertise and perspective Then alongside Bethany Smith the mother from his old neighborhood who contributes a powerful epilogue to the book he offers a hopeful path toward renewal The result is nothing short of a journalistic masterpiece
