Song Of Troy:

The Song of Troy Colleen McCullough, 2014-03-01 It was a clash of arms that would echo through the millennia a hard fought conflict born of love pride greed and revenge a decade long siege of the ancient world's greatest city from which nobody will escape unscathed As urgent and passionate as if told for the first time international bestseller Colleen McCullough breathes life into legend swinging our sympathies from Greece to Troy and back again as they move inexorably towards a fate not even the gods themselves can avert Here are Greek princess Helen sensuous and self indulgent who deserts a dull husband for the sake of the equally self indulgent Trojan prince Paris the haunted warrior Achilles the heroically noble Hektor the subtle and brilliant Odysseus Priam King of Troy doomed to make the wrong decisions for the right reasons and Agamemnon King of Kings who consents to the unspeakable to launch his thousand ships incurring the terrifying wrath of his wife Klytemnestra **THE SONG OF TROY** A legend reborn **A Song of War** Kate Quinn, Vicky Alvear, Simon Turney, Russell Whitfield, Stephanie Thornton, Libbie Hawker, David Alexander Blixt, 2023-11-21 From seven masters of historical fiction including New York Times bestseller Kate Quinn comes a richly imagined anthology of stories which bring the epic tale of the Trojan War to life Troy city of gold gatekeeper of the East haven of the god born and the lucky a city destined to last a thousand years But the Fates have other plans the Fates and a woman named Helen In the shadow of Troy's gates all must be reborn in the greatest war of the ancient world slaves and queens heroes and cowards seers and kings and these are their stories A young princess and an embittered prince join forces to prevent a fatal elopement A tormented seeress challenges the gods themselves to save her city from the impending disaster A tragedy haunted king battles private demons and envious rivals as the siege grinds on A doomed hero launches a desperate plan to bring the war to a close A grizzled archer and a desperate Amazon risk their lives to avenge their dead A trickster conceives the greatest trick of all A goddess's son battles to save the spirit of Troy even as the walls are breached in fire and blood Seven authors vividly recreate the Trojan War its heroes its villains its survivors its dead Who will lie forgotten in the embers and who will rise to shape the bloody dawn of a new age **The Song of Troilus** Thomas C. Stillinger, 2015-09-30 The Song of Troilus traces the origins of modern authorship in the formal experimentation of medieval writers Thomas C Stillinger analyzes a sequence of narrative books that are in some way constructed around lyric poems Dante's Vita Nuova Boccaccio's Filostrato and Chaucer's Troilus and Criseyde The shared aim of these texts he argues is to imagine and achieve an unprecedented auctoritas a lyric authority that combines the expressive subjectivity of courtly love poetry with the impersonal authority of Biblical commentary Each of the three establishes its own formal and intertextual dynamics in complex and unexpected ways the hierarchies of Latin learning are charged with erotic force allowing the creation of a new vernacular Book of Love The Song of Troilus is a linked series of incisive close readings Each chapter defines and investigates a range of philological intertextual and theoretical problems in addition to explicating his three principal texts Stillinger offers important insights into a range of medieval traditions from

Psalm commentary to Trojan historiography to Ricardian political satire At the same time *The Song of Troilus* is a sophisticated narrative of cultural change and a searching meditation on history desire and writing *The Song of Troilus* is an original and highly readable study of three major medieval texts it will be of compelling interest to students and scholars of medieval literature and to all those exploring the history of authorship and the implications of literary form
