Song Reader:

The Song Reader Lisa Tucker, 2008-12-09 Mary Beth and her younger sister Leeann are trying to support themselves in their small Southern hometown So to make ends meet alongside her job at the diner Mary Beth works by practicing her own unique talent song reading By making sense of the song lyrics people have stuck in their heads Mary Beth can help them make sense of their lives In no time Mary Beth s readings have the entire town singing her praises including scientist Ben who falls hard for Mary Beth and her unearthly intuition But Mary Beth s gift leads her to a secret truth about a prominent neighbour and as a consequence the fragile structure of the girls orphaned life comes tumbling down around them Each secret seems to domino another until the sisters whole complex emotional history is laid bare And without Mary Beth s music the town s silence is louder than ever Could it be that the lyrics to all those foolish love songs really aren t so foolish after all

Fourth Music Reader James Matthew McLaughlin, William Wallace Gilchrist, 1906 **New American Music Reader** Frederick Zuchtman, 1906 *The Advanced Music Reader* Frederic Herbert Ripley, Thomas Tapper, 1897 *The ^ACountry Music Reader* Travis D. Stimeling, 2015-01-02 The Country Music Reader provides an anthology of primary source readings encompassing the history of country music from circa 1900 to the present offering firsthand insight into the changing role of country music within both the music industry and American culture **Work in Progress** Rieke Jordan, 2019-05-02 Work in Progress Curatorial Labor in Twenty First Century American Fiction interrogates contemporary texts that showcase forms of reading practices that feel anachronistic and laborious in times of instantaneity and short buffering times Objects of analysis include the graphic narrative Building Stories by Chris Ware the music album Song Reader by the indie rock artist Beck Hansen and the computer game Kentucky Route Zero by the programming team Cardboard Computer These texts stage their fragmentary nature and alleged unfinishedness as a quintessential part of both their narrative and material modus operandi These works in and of progress feel both contemporary and retro in the 21st century They draw upon and work against our expectations of interactive art in the digital age incorporating and likewise rejecting digital forms and practices This underlines the material and narrative flexibilities of the objects for no outcome or reading experience is the same or can be replicated It becomes apparent that the texts presuppose a reader who invests her spare time in figuring these texts out diagnosing a contorted work leisure dichotomy working these stories out is a significant part of the reading experience for the reader curatorial labor This conjures up a reader who as the author argues is turned

into a curator and creative entity of and in these texts for she implements and reassembles the options made available
